Yick, 2015-05-20 The end of the Sino Japanese War in 1945 brought not peace but renewed confrontation between Mao Zedong s Chinese Communist Party and Chiang Kaishek s Guomindang The ensuing Civil War at the threshold of the Cold War held enormous significance for international strategic alliances and in particular the interests of the United States in East Asia and has been the subject of intense research and debate ever since Joseph Yick s *Making Urban Revolution in China The CCP GMD Struggle for Beiping Tianjin 1945 1949* based partly on the rich new sources available in the PRC since 1978 rethinks the traditional interpretations of the Chinese Communist Party s victory in 1949 and makes a major contribution to the historiography of this period

BOOK JACKET Title Summary field provided by

Blackwell North America Inc All Rights Reserved *Political Leaders of Modern China* Edwin Leung, 2002-10-30 Through the individual characteristics of China's political leaders a nation building process began Chinese leaders fell into two categories of reformers conservative and liberal Conservative reformers saw a corruption of the moral order of society that needed to be eliminated in order to restore the country's moral integrity while liberal reformers attempted to embrace the flaws and lead China toward Socialism One hundred Chinese leaders from the Opium War to 2001 are profiled in this comprehensive biographical dictionary This book provides the most up to date coverage of modern Chinese political leadership during the Imperial Republican and Communist periods Political leaders throughout each period had a common desire for reform within the country while maintaining China's political and cultural legacy Leung invokes the uniqueness of those leaders in their struggle for personal gain and national improvement as they fought to preserve traditional values Written by 30 international scholars and experts in the field using both Western and Chinese sources this is the most authoritative dictionary on the subject *Hong Kong History* Man-Kong Wong, Chi-Man Kwong, 2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme However the book is by no means merely a general survey of the recent studies of Hong Kong history it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context *Patriots' Game* Man Bun Kwan, 2016-11-21 When thinking about modern China's chemical industry forget not Fan Xudong so declared Mao Zedong publicly after 1949 Although Mao might have united front politics in mind when invoking Fan as a paragon of the national bourgeoisie why would the chairman praise a champion of private enterprise How did Fan Xudong and his colleagues build Yongli from scratch into one of the largest industrial conglomerates in modern China amid predatory foreign competition and domestic strife What were his secrets of success Drawing from company documents government archives and personal correspondences this book traces Yongli's birth growth nationalization and how Fan and his colleagues pursued a third path of national development between for profit private enterprise and state ownership
