The Ethics of Suicide Margaret Pabst Battin, 2015-09-11 Is suicide wrong profoundly morally wrong Almost always wrong but excusable in a few cases Sometimes morally permissible Imprudent but not wrong Is it sick a matter of mental illness Is it a private matter or a largely social one Could it sometimes be right or a noble duty or even a fundamental human right Whether it is called suicide or not what role may a person play in the end of his or her own life This collection of primary sources the principal texts of ethical interest from major writers in western and nonwestern cultures from the principal religious traditions and from oral cultures where observer reports of traditional practices are available spanning Europe Asia the Middle East Africa Oceania the Arctic and North and South America facilitates exploration of many controversial practical issues physician assisted suicide or aid in dying suicide in social or political protest self sacrifice and martyrdom suicides of honor or loyalty religious and ritual practices that lead to death including sati or widow burning hara kiri and sallekhana or fasting unto death and suicide bombings kamikaze missions jihad and other tactical and military suicides This collection has no interest in taking sides in controversies about the ethics of suicide rather it serves to expand the character of these debates by showing them to be multi dimensional a complex and vital part of human ethical thought

Records of the Grand Historian Qian Sima, 1993 Sima Qian 145 90 BCE was the first major Chinese historian His *Shiji* or *Records of the Grand Historian* documents the history of China and its neighboring countries from the ancient past to his own time These three volumes cover the Qin and Han dynasties

An Historical Sketch of Chinese Historiography Huaiqi Wu, 2018-01-09 This book systematically traces the development of Chinese historiography from the 2nd century B C to the 19th century A D Refusing to fit the Chinese historical narration into the modern Western discourse the author highlights the significant questions that concern traditional historians their philosophical foundations their development over three thousand years and their influence on the intelligentsia China is a country defined in terms of its history and its historians have worked hard to record the past However this book approaches Chinese history from the very beginning not only as a way of recording but also as a way of dealing with the past in order to orient the people of the present in the temporal dimension of their lives This book was listed as the key textbook of the Eleventh Five year Plan for college students in China

The Top Books of the Year Selections From Records Of The Historian The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Selections From Records Of The Historian : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
