Selections from the Strauss Photography Collection Marlene Chambers, 1982      **Selections from the Strauss Photography Collection, Denver Art Museum, July 10-November 14, 1982** Robert Adams, Denver Art Museum, 1982

*Subject Headings Manual* Library of Congress. Cataloging Policy and Support Office, 2008      To Make it Home Robert Adams, 1989 Published to accompany exhibition held at the Philadelphia Museum of Art 19 2 16 4 1989      *Any Friend of the Movement* Jimmy Elaine Wilkinson Meyer, 2004 In the 1920s a few Cleveland women perceived a need for reliable birth control They believed that health and social service professionals denied women especially poor and working class women critical health care information Any Friend of the Movement tells the story of these women their actions and the organization they created the direct forerunner of a modern Planned Parenthood affiliate The disparate threads of this particular tale include the suicide of a pregnant woman the gift of a bereaved inventor smuggling contraceptive supplies across state lines and sponsoring ice skating galas to fund the work Any Friend of the Movement breaks new ground in the history of birth control activism in North America Meyer argues that private philanthropy and voluntary action on the part of clinics like the Maternal Health Association MHA and their clients vitalized the larger movement at its roots and pushed it forward BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      **Photographic Times and American Photographer**, 1902      **Encyclopedia of Twentieth-Century Photography, 3-Volume Set** Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included      **The Last Hurrah** Graham Viney, 2019-04-18 Young Elizabeth captures in vivid detail perhaps the single most important formative experience in Queen Elizabeth's life the 1947 royal tour of southern Africa with her parents King George VI Queen Elizabeth and Princess Margaret during which she celebrated her twenty first birthday The year of the royal tour of southern Africa 1947 marked both the high water mark of the British Empire and the very moment at which it began to unravel Graham Viney has written an intimate revealing portrait of the young princess on tour with her parents and sister Princess Margaret hard at work in the national interest and succeeding triumphantly against all odds In the words of Rian Malan South African author of *My Traitor's Heart* it is a story about a country teetering on the brink of convulsive change and yet almost united at least for a moment by love for a king and queen who weren't really ours The year 1947 was a pivotal moment not just in the history of

the Union of South Africa but of the British Empire itself Later that same year India gained independence and just one year later the Afrikaner Nationalist victory in South Africa would lead inexorably to the Republic of South Africa in 1961 and its departure from the Commonwealth The present Queen Elizabeth must have learned a great deal about statecraft from her father and about duty tact and hard work from both her parents in the course of this three month tour during which the then princess celebrated her twenty first birthday It was also the family s first real experience of multiculturalism Graham Viney s book gives us an intimate and revealing portrait of the royal family while also superbly capturing a moment in the life of a fractious recently formed nation before its descent into over four decades of darkness The royal family travelled ceaselessly from February to April on a specially commissioned white and gold train meeting thousands of people at every stop along the way The tour was a show of imperial solidarity and a recognition of South Africa s contribution to the Allied cause during the Second World War specifically that of South African prime minister Jan Smuts who had served in both British war cabinets Young Elizabeth draws skilfully on many diverse sources not least the Royal Archive at Windsor and includes many photographs of the royal family not previously published such as stills from film footage held by the South African National Film Video and Sound Archives in Pretoria *Light in the Dark Room* Jay Prosser,2005 A young boy thin and ill feeds his small brother in a ritualized act of desperation half stifling him The boy will be treated his father will get a job and the family will be moved from their shack in the slums of Rio de Janeiro to a suburban house courtesy of the American viewers of Gordon Parks s photographs in Life magazine It all turned The British Journal of Photography William Crookes,T.A. Malone,George Shadbolt,J. Traill Taylor,William Blanchard Bolton,Thomas Bedding,1901 **Selected Writings, Volume 2** Okwui Enwezor,2025-08-05 Selected Writings is a landmark two volume set of writings by the transformational art curator Okwui Enwezor that demonstrates his tireless efforts to decolonize the global contemporary art world **Nacho Lopez, Mexican Photographer** John Mraz,2003 Annotation Photographer Nacho Lopez was Mexico s Eugene Smith fusing social commitment with searing imagery to dramatize the plight of the helpless the poor and the marginalized in the pages of glossy illustrated magazines Even today Lopez s photographs forcefully belie the picturesque exoticism that is invariably presented as the essence of Mexico In Nacho Lopez Mexican Photographer John Mraz offers the first full length study in English of this influential photojournalist and provides a close visual analysis of more than fifty of Lopez s most important photographs Mraz first sets Lopez s work in the historical and cultural context of the authoritarian presidentialism that characterized Mexican politics in the 1950s the cult of wealth and celebrity promoted by Mexico s professional photographers and the government s attempts to modernize and industrialize Mexico at almost any cost Mraz skillfully explores the implications of Lopez s imagery in this setting the extent to which his photographs might constitute further victimization of his downtrodden subjects the relationship between them and the middle class readers of the magazines for which Lopez worked and the success with which his photographs challenged Mexico s economic and political structures Mraz contrasts the photos Lopez

took with those that were selected by his editors for publication He also compares Lopez's images with his theories about documentary photography and considers Lopez's photographs alongside the work of Robert Capa Dorothea Lange Henri Cartier Bresson and Sebastiao Salgado Lopez's imagery is further analyzed in relation to the Mexican Golden Age cinema inspired by Sergei Eisenstein the pioneering digital imagery of Pedro Meyer and the work of Manuel Alvarez Bravo who provocatively argues was the first Mexican photographer to take an anti picturesque stance The definitive English language assessment of Nacho Lo *Asian Digital Libraries. *Women Photographers and Feminist Aesthetics* Claire Raymond, 2017-04-21 *Women Photographers and Feminist Aesthetics* makes the case for a feminist aesthetics in photography by analysing key works of twenty two women photographers including cis and trans woman photographers Claire Raymond provides close readings of key photographs spanning the history of photography from nineteenth century Europe to twenty first century Africa and Asia She offers original interpretations of well known photographers such as Diane Arbus Sally Mann and Carrie Mae Weems analysing their work in relation to gender class and race The book also pays close attention to the way in which indigenous North Americans have been represented through photography and the ways in which contemporary Native American women photographers respond to this history Developing the argument that through aesthetic force emerges the truly political the book moves beyond polarization of the aesthetic and the cultural Instead photographic works are read for their subversive political and cultural force as it emerges through the aesthetics of the image This book is ideal for students of Photography Art History Art and Visual Culture and Gender

dimensions of well known artists such as Francisco de Goya and John Singleton Copley and important collectors and entrepreneurs including Arturo Alfonso Schomburg and Baron Taylor Individual essays take readers to various countries within Europe and to America Iran India and Haiti The kinds of art analyzed are remarkably wide ranging porcelain architecture posters prints photography painting sculpture metalwork and more and offer a clear picture of the international scope of the relationships between Freemasonry and art and their significance for the history of modern social life politics and spiritual practices In examining this topic broadly yet deeply Freemasonry and the Visual Arts sets a standard for serious study of the subject and suggests new avenues of investigation in this fascinating emerging field **Dutchess County**
