Selective Service Conflict And Compromise:

The Selective Service System: Its Operation, Practices, and Procedures United States. Congress. Senate. Committee on the Judiciary, 1969 **The Selective Service System: Its Operation, Practices, and Procedures** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Administrative Practice and Procedure, 1969 *Selective Service System: Its Operation, Practices, and Procedures* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Administrative Practice and Procedure, 1969 Investigates implementation of Military Selective Service Act of 1967 upon which is based the system for drafting males between 18 and 26 years of age and which allegedly is unfair disruptive and unpredictable and needs to be reformed Selective Service Presents a Teacher's Guide United States. Selective Service System, 1996 **Selective Service System**, 1998 Volunteer Force, Zero Draft, and Selective Service, 1971 *Selective Service* Harry A. Marmion, 1968 **Encyclopedia of War and American Society** Peter Karsten, 2006 Publisher description *Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments*, 1971 *The Draft, 1940-1973* George Q. Flynn, 1993 Individual liberty is ingrained in American culture Yet in contrast to this cherished ideal American men were inducted into military service under a system that flourished for more than twenty years before its rationalization was seriously questioned by more than a small minority of citizens Analyzing this paradox George Flynn provides the first comprehensive look at an institution that managed to sustain political and public favor through two wars before dying out under a barrage of protests during a third Placing the American draft within a historical context he shows how social and political considerations determined the character of conscription in the United States The draft developed as it did he argues not mainly because of military needs or strategy but because of political decisions initiated by civilians with nonmilitary agendas Explaining why the draft remained relatively immune to political criticism prior to the Vietnam conflict Flynn chronicles the draft's military and strategic successes and failures in America's mid century wars He shows how major institutions and lobbies representing science education and various professions and religions influenced it and how ultimately and ironically the selective character of the draft eventually made the system inequitable and helped cause its downfall

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Presidential Clemency Program** United States. Congress. House. Committee on the Judiciary. Subcommittee on Courts, Civil Liberties, and the Administration of Justice, 1975 **The Volunteer Army: A Military History Research Collection Bibliography**, 1972 Publication of the special bibliography series of the US Army Military History Research Collection has had the primary purpose of providing information regarding the holdings of the Research Collection to the scholar and historian It must be emphasized that this bibliography is not intended to be a definitive listing of bibliographic references on the subject it is restricted to those materials physically incorporated in the Military History Research Collection at Carlisle Barracks

Pennsylvania **The Volunteer Army** US Army Military History Research Collection, John Slonaker, 1972 *Extension of the Draft and Bills Related to the Voluntary Force Concept and Authorization of Strength Levels* United States. Congress. House. Committee on Armed Services, 1971 The Anthro Factor in Warfare , 1988 The Presidential Clemency Program United States. Congress. House. Committee on the Judiciary, 1975 Hearings United States. Congress. House. Committee on Armed Services, 1972 Gratitude toward Veterans Stephen Kershner, 2014-04-02 Americans are very grateful to veterans Veterans are celebrated via speeches statues memorials holidays and affirmative action They are lavishly praised in public gatherings and private conversations Contrary to this widespread attitude Stephen Kershner argues that U S citizens should not be very grateful to veterans In evaluating whether the significant gratitude toward veterans is justified Kershner begins by exploring the nature of gratitude He argues that one person should be very grateful to a second person only when the second person reasonably attempted to provide a significant benefit to the first and was primarily motivated by concern for the first s well being Gratitude toward Veterans Why Americans Should Not Be Very Grateful to Veterans looks at whether veterans typically satisfy these conditions and argues that they do not The book should be taken seriously not only by scholars in military ethics and ethics in general but also by anyone interested in the question of how much gratitude is owed to people holding different roles Rough Draft Amy J. Rutenberg, 2019-09-15 Rough Draft draws the curtain on the race and class inequities of the Selective Service during the Vietnam War Amy J Rutenberg argues that policy makers idealized conceptions of Cold War middle class masculinity directly affected whom they targeted for conscription and also for deferment Federal officials believed that college educated men could protect the nation from the threat of communism more effectively as civilians than as soldiers The availability of deferments for this group mushroomed between 1945 and 1965 making it less and less likely that middle class white men would serve in the Cold War army Meanwhile officials used the War on Poverty to target poorer and racialized men for conscription in the hopes that military service would offer them skills they could use in civilian life As Rutenberg shows manpower policies between World War II and the Vietnam War had unintended consequences While some men resisted military service in Vietnam for reasons of political conscience most did so because manpower policies made it possible By shielding middle class breadwinners in the name of national security policymakers militarized certain civilian roles a move that ironically separated military service from the obligations of masculine citizenship and ultimately helped kill the draft in the United States **Conscription and Democracy** George Q. Flynn, 2001-12-30 Finding the manpower to defend democracy has been a recurring problem Russell Weigley writes The historic preoccupation of the Army s thought in peacetime has been the manpower question how in an unmilitary nation to muster adequate numbers of capable soldiers quickly should war occur When the nature of modern warfare made an all volunteer army inadequate the major Western democracies confronted the dilemma of involuntary military service in a free society The core of this manuscript concerns methods by which France Great Britain and the United States solved the

problem and why some solutions were more lasting and effective than others Flynn challenges conventional wisdom that suggests that conscription was inefficient and that it promoted inequality of sacrifice Sharing similar but not identical diplomatic outlooks the three countries discussed here were allies in world wars and in the Cold War and they also confronted the problem of using conscripts to defend colonial interests in an age of decolonization These societies rest upon democratic principles and operating a draft in a democracy raises several unique problems A particular tension develops as a result of adopting forced military service in a polity based on concepts of individual rights and freedoms Despite the protest and inconsistencies the criticism and waste Flynn reveals that conscription served the three Western democracies well in an historical context proving effective in gathering fighting men and allowing a flexibility to cope and change as problems arose

Unveiling the Magic of Words: A Overview of "**Selective Service Conflict And Compromise**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Selective Service Conflict And Compromise**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
