## Self-Neglect and Cognitive Function Among Community-Dwelling Older Persons

The article “Self-neglect and cognitive function among community-dwelling older persons” by Dong, Wilson, Mendes de Leon, and Evans (2010) reports an epidemiological study of associations of self-neglect among the elderly population to a number of factors. To test these associations, a number of linear regressions were conducted. While the choice of the test was appropriate (Forthofer, Lee, & Hernandez, 2007), the article has a number of issues related to reporting the problems. However, the conclusions of the article seem to be appropriate. It is apparent that linear...

**Turning Troubles into Problems** Jaber F. Gubrium, Margaretha Järvinen, 2013-07-24 Human service professionals deal with a wide range of problems from child abuse parenting issues and elderly care to addictions mental illness sexual assault unemployment and criminality These must be constructed as problems for professionals to appropriately respond to them Human service provision starts from there But in the everyday experience of service providers and users alike there is a parallel world of ordinary troubles that remains professionally undefined but real even when troubles are turned into problems This book brings into view the relationship between these worlds as it bears on the process of clientization the transformation of people and troubles into clients and problems Rather than taking the process for granted as many critics do the book examines the instability of the process on several fronts and highlights its surprising local complexity Foregrounding everyday life the leading idea is that the transformation of troubles into problems is not straightforward and that problems are continually subject to alternative understandings This poses new what how and where questions What are ordinary troubles and how do they relate to the construction maintenance or undoing of serviceable problems Where is social policy and how does that figure in the front line work of service provision The questions point to the challenges of clientization at the discretionary border of troubles and problems in everyday service relationships With chapters written by an international group of human service researchers this book is an important contribution to the literature dealing with the construction of personal problems and will be useful to students and academics in sociology human services social work and policy criminal justice and health care

**Elder Abuse and Mistreatment** Joanna Mellor, Patricia Brownell, 2013-04-15 Provide the most effective service possible to help victims of this growing social problem Elder Abuse and Mistreatment is a comprehensive overview of current policy issues new practice models and up to date research on elder abuse and neglect Experts in the field provide insight into elder abuse with newly examined populations to create an understanding of how to design service plans for victims of abuse and family mistreatment The book addresses all forms of abuse and neglect examining the value issues and ethical dilemmas that social workers face in providing service to elderly abuse victims and their families Elder abuse and neglect is a social problem of increasing concern to policymakers practitioners and researchers in the United States and around the world Elder Abuse and Mistreatment incorporates health mental health and social service perspectives that assist social work and health care professionals with interdisciplinary teamwork The book examines the Elder Justice Act the Madrid 2002 International Plan of Action on Ageing new and emerging practice modalities and international models such as shelter programs and support

groups and the latest research on practice methods elder abuse with special populations and interventions with victim abuse dyads Topics examined in Elder Abuse and Mistreatment include abuse reporting statutes the roles of agencies involved in abuse investigations service commonly needed by victims funding sources common impediments to service delivery adult protective services APS local state and federal policies social and economic inclusion self determination long term care and nursing homes consumer fraud and financial abuse dependency and compliance and much more Elder Abuse and Mistreatment Policy Practice and Research is an essential resource for educators and students of social work nursing and public health and for social work practitioners

**Colectivos en situación de vulnerabilidad. Personas con necesidades de oportunidades. Descendiendo a la práctica de la intervención profesional.** Concepción Nieto Morales, María Josefa Vázquez Fernández, 2018-06-06 Este libro descende a distintas causas o factores que pueden llevar a una situación de vulnerabilidad Contiene veintitrés capítulos Cada capítulo analiza a una situación de vulnerabilidad concreta y cómo se está interviniendo desde una realidad profesional Toca casi todos los ámbitos de la intervención social Jvenes mayores mujeres población chabolista acoso violencia salud Y se atreve en otros capítulos a analizar modelos de intervención como el trabajo en Red de las ONGs y Entidades Públicas Escuelas de Segunda Oportunidad que es un tema que me toca más de lleno en mi trabajo diario Es una gran iniciativa llevada por las coordinadoras y profesoras de la Universidad Pablo Olavide La estructura del libro puede parecer desordenada por las distintas temáticas que analiza Estudia desde el asentamiento del Vaci la visita domiciliaria la mujer el adolescente las personas mayores Se hace un barrido por casi toda la intervención social pero esto más allá de ser una dificultad es una riqueza En la lectura valoro los capítulos relacionados con los jóvenes que es mi campo social de actuación pero me ha enriquecido conocer otras situaciones sociales donde no he profundizado en mi trayectoria profesional y que me han abierto nuevas perspectivas Se hace desde el punto de interés de un trabajador social Se analiza la situación de la problemática inicial se profundiza y se reflexiona con una conclusión final Se descende a la práctica de la intervención profesional Extraído de la presentación

**The Clinical Management of Elder Abuse** Georgia J Anetzberger, 2012-12-06 Learn to detect elder abuse and provide the help that your neglected or abused elderly clients need Even to clinicians experienced in managing difficult client situations elder abuse is perplexing complex and ethically charged This kind of abuse can be hard to detect with its subtle manifestations and indicators that could just as easily reflect other problems or illnesses It can seem impossible to control particularly when the victim refuses help or denies the seriousness of mistreatment Moreover decision making when dealing with interventions for elder abuse is rarely easy and is frequently clouded by ethical dilemmas The Clinical Management of Elder Abuse can help This essential guide for present and future clinicians provides you with multidisciplinary perspectives on detecting elder abuse situations and interventions that can make a real difference in the lives of clients Three case studies are presented and then examined from the professional perspectives of an attorney a physician a nurse and a social worker What these professionals have to say will

leave you better informed about the dynamics and complexities of elder abuse about important steps that must be taken in the clinical management of elder abuse and about the importance and application of multidisciplinary teams in elder abuse work The handy figures lists of definitions and tables you ll find in this well referenced book make important concepts and complex information easy to access and understand The Clinical Management of Elder Abuse shows how professionals in the above disciplines can address the effects of elder abuse which may manifest as physical effects including pain and injury sleep disturbances eating problems and headaches behavioral effects including anger helplessness reduced coping abilities and suicidal actions psychological effects which can be wide ranging and include denial fear anxiety and depression social effects such as increased dependence withdrawal and lessened contact with the outside world As the baby boom generation ages incidents of elder abuse are certain to continue to increase Whether you are a student an educator an experienced clinician or a novice in the field The Clinical Management of Elder Abuse is a resource that you ll return to again and again as you work to improve the lives of this important growing population

**Implementing Transference-Focused Psychotherapy Principles** Richard G. Hersh, Chiara De Panfilis, 2025-01-01 This book focuses on the practical utility of key precepts of Transference Focused Psychotherapy TFP in contemporary psychiatry This volume actively addresses the pressing public health crisis related to high numbers of patients with personality disorder pathology often with significantly compromised functioning associated with marked social burdens related to health costs and lost productivity TFP is one of the empirically validated treatments for patients with borderline personality disorder BPD Building on this evidence base the contributors to this volume describe their work in multiple clinical situations utilizing these principles with varying patient populations in different treatment settings These settings include the adult and adolescent day hospital short term and extended inpatient hospitalizations group therapy and a range of outpatient services Each chapter follows a consistent format to cover patient population nature of treatment setting overview of financial support training of clinicians treatment targets elements of TFP employed measurement of effectiveness case study examples and future research goals Contributors from different backgrounds describe active use of TFP principles in their work with adjustments from standard TFP protocol made accordingly Implementing Transference Focused Psychotherapy Principles builds on the growing literature about TFP by expanding the focus beyond the extended individual psychotherapy format The text will resonate with psychiatrists psychologists social workers and mental health counselors among others Clinicians involved in public health systems will find the material outlined of particular value in our evolving world of mental health services

**Handbook of Social Work in Health and Aging** Barbara Berkman, 2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social

workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today     **American Doctoral Dissertations** ,1998     *Age Diversity in the Workplace* Silvia Profili,Alessia Sammarra,Laura Innocenti,2017-08-17 The volume is divided into two parts Contributions in the first section raise questions about the meanings of age and age diversity as well as how and when age matters in organisations The second part of the book examines the role and contribution of HR practices in forging an age inclusive workplace

As recognized, adventure as skillfully as experience just about lesson, amusement, as competently as conformity can be gotten by just checking out a book **Self Neglect Among The Elderly Maintaining Continuity Of Self** as well as it is not directly done, you could bow to even more almost this life, not far off from the world.

We manage to pay for you this proper as with ease as easy mannerism to get those all. We provide Self Neglect Among The Elderly Maintaining Continuity Of Self and numerous book collections from fictions to scientific research in any way. along with them is this Self Neglect Among The Elderly Maintaining Continuity Of Self that can be your partner.
