Selling Your Services Robert W. Bly, 1991 **Selling Your Services** Robert W. Bly, 2025-08-22 From the author of the Copywriter's Handbook comes Robert W. Bly's **Selling Your Services Proven Strategies for Getting Clients to Hire You Or Your Firm**. If you sell any kind of service whether professional, personal or technical, this book will give you the information you need to bring in large numbers of sales at the fees you want. **Start Your Own Home Business After 50** Robert W. Bly, 2013-05-01 Written for people who are old enough to know who they are, what they want, and what skills they are best at, this guide shows exactly how to build a successful and profitable business. Older people are among the world's most successful entrepreneurs with a wealth of in-depth experience, education, and mature judgment that younger people can't match. They also care more about creating financial security and doing what they want. Business consultant and serial entrepreneur Robert Bly teaches how to find the right home business opportunity, determine the target market for that business, sell the right product to the market at a profit, manage the business without wasting time, effectively market the business, comply with all laws, regulations, and taxes for the business, and generate enough income for retirement. Covering every aspect of building a successful business, not just the broad outlines, this book also provides senior-oriented information on computer equipment, the internet, and social media marketing. **Public Relations For Dummies** Eric Yaverbaum, 2025-01-31 Understand what it takes to develop successful public relations campaigns. Effective public relations (PR) can help level the playing field between you and your competitors. You don't necessarily need a big budget to establish brand awareness and a positive reputation. With enough practice, anyone can learn to think like a PR specialist. **Public Relations For Dummies** helps you understand the mechanics of PR and gives you all the tools you need to succeed. This friendly guide gives you practical insights on using the many components of PR to create successful campaigns. You'll learn how to assemble a PR plan, create a budget, develop winning ideas, cultivate media contacts, create pitches, leverage social media, and podcasts, secure public speaking engagements, and beyond. Plus, this new edition covers the latest technology for reaching more people and analyzing your results. No business jargon in this book, just clear, simple information and advice on making PR work for you. Understand the purpose and process of public relations management. Choose the right PR tactics to meet your specific goals. Use social media, including TikTok, to your advantage. Connect with people who can help you build your brand's reputation. This **Dummies** guide is great for small business owners and people who want to learn more about doing PR for larger companies. Nonprofit organizations and influencers will also love these tips on getting noticed. ***Getting Started in Speaking, Training, or Seminar Consulting*** Robert W.
