Long Way Home A:

A Long Way Home Terence Dillon, 2013-12-11 A Long Way Home is a dramatic and tension filled fictional story that explores the relationship between the English and the Irish in the late nineteenth century It provides a fascinating insight into the issues created when those looking for conciliation come into conflict with those relying on confrontation in the struggle for Irish independence The book traces the experiences of Paul Doherty an Irishman immigrant In a story that raises important issues of race class religion sex violence and secret societies Doherty struggles to look for conciliation rather than confrontation bringing him into conflict with his great friend and fellow Irishman Will who is a member of the Irish Republican Brotherhood The theme of confrontation and conciliation continues through the relationships Doherty has with the English arch racist Maurice Whitehouse and the English philanthropist William Harding The book also draws upon comparisons between life in rural Ireland and the dark streets of an English industrial town of the late nineteenth century as it builds to a powerful conclusion of romance and violence

Long Way Home Cameron Douglas, 2019-10-22. A gripping memoir. Rolling Stone of one man's descent into the depths of addiction and self-destruction and his successful renewal of family ties that had become almost irreparably frayed. On the surface, Cameron Douglas had everything: descended from Hollywood royalty, son of Michael Douglas, grandson of Kirk Douglas, he was born into a life of wealth, privilege, and comfort. But by the age of thirty, he had become a drug addict, a thief, and after a DEA drug bust, a convicted drug dealer sentenced to five years in prison, with another five years added while he was incarcerated. Through supreme willpower, a belief in himself, and a steely desire to alter his life's path, Douglas began to reverse his trajectory, to understand and deal with the psychological turmoil that tormented him for years, and to prepare for what would be a profoundly challenging but successful reentry into society at large.

The Long Way Home Mariah Stewart, 2013-01-29. NEW YORK TIMES BESTSELLER. Mariah Stewart presents a captivating contemporary romance novel in the tradition of Robyn Carr, Susan Mallery, and Barbara Freethy. As the only child of a wealthy investment manager, Ellie Chapman has never known anything besides a life of perfect privilege. But her years of good fortune come to an abrupt end when her father is exposed for swindling billions of dollars from innocent investors in a massive Ponzi scheme. And just like that, Ellie loses everything: money, job, home, even her fiancé, who's jailed as her father's partner in crime. With no job prospects on the horizon, no cash, and her family name in tatters, Ellie has only one place to go: Sleepy St. Dennis, Maryland, is hardly where Ellie intends to stay, however. Keeping her identity a secret, she plans to sell the house her late mother left her in the small town and use the proceeds to move on with her life. Unfortunately, her ticket to a new beginning is in dire need of a laundry list of pricey improvements, many of which she'll have to do herself. And until the house on Bay View Road is fit to be sold, the sole place Ellie will be traveling to is the hardware store. But as the many charms of St. Dennis, not to mention Cameron O'Connor, the handsome local contractor who has secrets of his own, begin to work their magic, what begins as a lesson in do-it-yourself renovations might just end up as Ellie's very own rejuvenation. Includes a preview of the next book in the Chesapeake Diaries series, *At the River's Edge*.
