

But distance may also
mean nothing
To a pair of lover's
hearts
Who may be far apart
But choose the path
That may split into two
But despite the divide
Will still meet together
and intertwine
And thus erase any
feeling of distance.

Arts of Wonder Jeffrey L. Kosky, 2012-12-11 Kosky turns to quiet works by subtle artists for spiritual insight and even wisdom a timely book that suggests different ways of being religious today Mark C Taylor author of After God Best Books of 2012 New Museum The fate of our times is characterized by rationalization and intellectualization and above all by the disenchantment of the world Max Weber's statement remains a dominant interpretation of the modern

condition the increasing capabilities of knowledge and science have banished mysteries leaving a world that can be mastered technically and intellectually And though this idea seems empowering many people have become disenchanted with modern disenchantment Using intimate encounters with works of art to explore disenchantment and the possibilities of re-enchantment Arts of Wonder addresses questions about the nature of humanity the world and God in the wake of Weber's diagnosis of modernity Jeffrey L Kosky focuses on a handful of artists Walter De Maria Diller Scofidio James Turrell and Andy Goldsworthy to show how they introduce spaces hospitable to mystery and wonder redemption and revelation and transcendence and creation What might be thought of as religious longings he argues are crucial aspects of enchanting secularity when developed through encounters with these works of art Developing a model of religion that might be significant to secular culture Kosky shows how this model can be employed to deepen interpretation of the art we usually view as representing secular modernity A thoughtful dialogue between philosophy and art Arts of Wonder will catch the eye of readers of art and religion philosophy of religion and art criticism *Longing Distance* Joanie Puma, 2018-06-15

Christ and Culture Graham Ward, 2015-11-04 Leading theologian Graham Ward presents a stimulating series of reflections on Christ and contemporary culture Takes as its starting point Niebuhr's famous volume on Christ and Culture published in the 1970s Explores representations of Christ from sources as diverse as the New Testament and twentieth century continental philosophy Considers Christ and culture in the light of contemporary categories such as the body gender desire politics and the sublime Develops an original and imaginative Christology rooted in Scriptural exegesis and concerned with today's cultural issues The author has been described as the most visionary theologian of his generation Making Love with Scripture Jacob D. Myers, 2015-11-01 Nothing has been more contentious in the history of Christianity than the meaning of the Bible and that debate continues today Arguments over scripture have divided denominations churches and families and these squabbles have led many to abandon the faith altogether Jacob D Myers a rising young scholar has a solution to the problem with scripture The instability of the Bible's meaning he argues is not a weakness but a strength and it can benefit conservatives and liberals alike In a conversational style peppered with pop culture references Myers provides a variety of tools for readers of the Bible helping the experienced and inexperienced alike appreciate the sacred text in new ways Finally he proposes the intriguing alternative of an erotic interpretation one that makes love with the Bible and opens new vistas of understanding Every Boy's Book Edmund Routledge, 1876 **Every Boy's Book** John George Wood, 1860
