Longing At Least Is Constant:

Longing at Least is Constant Kathryn Payne, 1998 *Fireweed* , 1998 *A Study Guide for Marie Howe's "What the Living Do"* Gale, Cengage Learning, A Study Guide for Marie Howe's What the Living Do excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs *The Cambridge Review* , 1882 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol **Longing for Nothingness** Andrew Stein, 2010-01-25 In *Longing for Nothingness* Resistance Denial and the Place of Death in the Nursing Home Andrew Stein offers a groundbreaking new psychoanalytic treatment of the depression and other mental conflicts suffered by residents living in nursing homes Freud famously argued that humans had a dual drive toward life and toward death and in this new study Stein shows that residents may suffer because they cannot control one part of that dualism their longing for nothingness Weaving together elements of Freud's life and writings Lacanian and Kleinian notions and clinical material in a new and surprising manner Stein shows that a frightening breakdown of symbolic and imaginary defenses opens nursing home residents to these deeply repressed longings Because they often do not know how to respond the result is an increase in their suffering and tendency to despair *Longing for Nothingness* makes an impassioned plea for all people not only residents of nursing homes to fully acknowledge the role of death in the structures of their desires By doing this they will be spared the unnecessary suffering caused by the struggle to keep their longings for death repressed Stein presents an alternate strategy bringing the longings for death a little more into consciousness where they can be addressed without fueling debilitating symptoms like depression and rage *Our Desire of Unrest* Michael Jacobs, 2018-04-24 Knowledge is never static It is always open to revolutionary thinking or to evolving development Similarly an individual's knowledge is always moving and indeed if the ability to think about ideas is lost an important part of the individual is also lost In this book a collection of some of the papers and lectures written by Michael Jacobs over a period of thirty or more years the author shows his own thinking at work as he challenges himself to look deeper at some important aspects of his discipline principally psychodynamic psychotherapy although always with reference to other forms of discourse such as literature and theology Here the reader will find the writer behind those popular texts such as *The Presenting Past* *Psychodynamic Counselling in Action* and *Shakespeare on the Couch* **Faith, Reason, and Theosis** Aristotle Papanikolaou, George E. Demacopoulos, 2023-10-03 Theosis shapes contemporary Orthodox theology in two ways positively and negatively In the positive sense contemporary Orthodox theologians made theosis the thread that bound together the various aspects of theology in a coherent whole and also interpreted patristic texts which experienced a renaissance in the twentieth century even in Orthodox theology In the negative sense contemporary theologians used theosis as a triumphalistic club to beat down Catholic and Protestant

Christians claiming that they rejected theosis in favor of either a rationalistic or fideistic approach to Christian life The essays collected in this volume move beyond this East West divide by examining the relation between faith reason and theosis from Orthodox Catholic and Protestant perspectives A variety of themes are addressed such as the nature grace debate and the relation of philosophy to theology through engagement with such diverse thinkers as Thomas Aquinas John Wesley Meister Eckhart Dionysius the Areopagite Symeon the New Theologian Panayiotis Nellas Vladimir Lossky Martin Luther Martin Heidegger Sergius Bulgakov John of the Cross Delores Williams Evagrius of Pontus and Hans Urs von Balthasar The essays in this book are situated within a current thinking on theosis that consists of a common albeit minimalist affirmation amidst the flow of differences The authors in this volume contribute to the historical theological task of complicating the contemporary Orthodox narrative but they also continue the theological achievement of thinking about theosis so that all Christian traditions may be challenged to stretch and shift their understanding of theosis even amidst an ecumenical celebration of the gift of participation in the life of God
