Look Me In The Eye Old Women Aging And Ageism:

Look Me in the Eye Barbara Macdonald, Cynthia Rich, 2001 This classic book deals with ageism feminism lesbian relationships and how society treats them It combines personal experience of ageing with groundbreaking feminist theory This new expanded edition includes a tribute to Barbara Macdonald by Lise Weil Barbara died at the age of 86 in June 2000 and LOOK ME IN THE EYE shows the impact her work has had on understanding women and ageing **Look Me in the Eye** Barbara MacDonald, Cynthia Rich, 1984 **Look Me in the Eye** Barbara Macdonald, Cynthia Rich, 1984 *Women & Aging* Helen Rippier Wheeler, 1997 Guide with more than two thousand bibliographic entries and cross references It includes journal articles book chapters essays and doctoral dissertations as well as complete books **From Old Woman to Older Women** Sally Chivers, 2003 Drawing on the perspective of aging bodies in order to approach the study of contemporary Canadian women's fiction the author seeks to understand body criticism in general because elderly physical experiences lay bare crucial assumptions of thinking through the body It also investigates the mechanisms and effects of constructions of aging in order to combat the automatically negative reactions most readers have to the topic of old age Violence Against Older Women, Volume I Hannah Bows, 2019-06-03 This book brings together international research from scholars and activists on the forms of violence that older women experience into a unique comprehensive two volume set This first volume consolidates the research on the forms causes and extent of different forms of violence against older women It considers the theoretical limitations of our understandings and charts the gaps in empirical and theoretical research in this area and how this has hindered effective policy and practice responses to violence against older women Taken together this volume offers an important starting point from which future research can draw to address the gaps in knowledge and evidence It also highlights issues that are particular to older women's experiences of violence compared with younger women It highlights gaps in existing research and suggests a future research agenda and implications for practitioners It will be of interest to researchers in social and health care gerontology sociology and social policy feminist research and criminology **Faces of Women and Aging** Ellen Cole, Esther D Rothblum, Nancy C Davis, 2014-06-03 Discover the diverse ways aging women attempt to deal with the universal challenges of loss sickness and death along with the problems of being old women in a society that values women mainly as sexual partners or producers of children Old women are often seen as poor powerless and pitiful in our sexist and youth oriented society The truth is that women age much more successfully than do men and they are increasingly in the majority as our population ages These truths and others are presented in Faces of Women and Aging a collection written by women a number of whom are themselves older women who bring their unique life experiences and personalities to the topic This uplifting book emphasizes that middle and old age are merely stages of growth and development not just seasons of loss and decline as the end approaches A wealth of topics are covered in Faces of Women and Aging that broaden the reader's awareness of the problems of women and aging including how to maintain self esteem in

the face of sexism ageism and severe illness the problems of being single or divorced in the later years the problems of maintaining a good body image for older women in a society which values the young and the beautiful the additional difficulties of minority women specifically lesbians and native American women increased dependency brought on by illness and loss of partners *Faces of Women and Aging* combines personal narratives that serve as reminders of the human beings behind statistics and case studies with theoretical observations which help therapists assist older women cope with the daily hardships as well as the more catastrophic problems of aging **Learning to Be Old** Margaret Cruikshank, 2013-02-14 This work examines what it means to grow old in America today The book questions social myths and fears about aging sickness and the other social roles of the elderly the over medicalization of many older people and ageism Here the author proposes alternatives to the ways aging is usually understood in both popular culture and mainstream gerontology She does not propose the ideas of successful aging or productive aging but more the idea of learning how to age Featuring new research and analysis the third edition of this text demonstrates more thoroughly than the previous editions that aging is socially constructed The book focuses on the differences in aging for women and men as well as for people in different socioeconomic groups The author is able to put aging in a broad context that not only focuses on how aging affects women but men as well Key updates in the third edition include changes in the health care system changes in how long older Americans are working especially given the impact of the recession and new material on the brain and mind body interconnections The author challenges conventional ideas about aging and brings forth some new ideas surrounding aging in America today

Women and Aging

Ellen Cole, Esther D Rothblum, Ruth R Thone, 2020-03-26 In our youth oriented patriarchal society aging and older women often find themselves either ignored pitied or feared Women and Aging is a valuable guide to help women break through the negative stereotypes of old age and find personal fulfillment through the stages of maturity Full of warmth and support Women and Aging strongly enables women to take and remain in control of their lives instead of passively letting others make life changing and possibly harmful decisions for them This essential guide for aging will help women increase the vitality of their old age as it urges them to continue to plan for the future keep and develop strong relationships increase their overall wellness and not be afraid to take risks Truly a celebration of aging the author s illuminating descriptions of her own aging and how she has overcome society s restrictions are sure to be a source of inspiration for all women no matter what their ages Women and Aging begins by addressing cultural attitudes toward women including appearance language behavior and women s work The middle section encourages women to face their fears and limitations and express their emotions while the concluding chapters are a virtual guide to life showing how to live life to the fullest and find inner fulfillment while aging Along with her own continuing narrative the author includes a multitude of personal glimpses into the aging processes of other women This uplifting helpful book will be of great value not only for aging women but for women of all ages who are interested in taking active control of their own lives Discourses of Ageing in Fiction and Feminism J.

King, 2012-11-13 This book explores the way older women are represented in society Through close readings of novels by major 20th century novelists compared with the more dominant representations of female ageing to be found in popular culture it suggests that they offer a feminist understanding of the invisible woman sometimes lacking in feminism itself

Out of Time Lynne Segal, Elaine Showalter, 2014-07-01 A brave book with a polemical argument on the paradoxes struggles and advantages of aging How old am I Don t ask don t tell As the baby boomers approach their sixth or seventh decade they are faced with new challenges and questions of politics and identity In the footsteps of Simone de Beauvoir *Out of Time* looks at many of the issues facing the aged the war of the generations and baby boomer bashing the politics of desire the diminished situation of the older woman the space on the left for the presence and resistance of the old the problems of dealing with loss and mortality and how to find victory in survival **Routledge Handbook of Cultural Gerontology** Julia

Twigg, Wendy Martin, 2015-06-12 Later years are changing under the impact of demographic social and cultural shifts No longer confined to the sphere of social welfare they are now studied within a wider cultural framework that encompasses new experiences and new modes of being Drawing on influences from the arts and humanities and deploying diverse methodologies visual literary spatial and theoretical perspectives Cultural Gerontology has brought new aspects of later life into view This major new publication draws together these currents including Theory and Methods Embodiment Identities and Social Relationships Consumption and Leisure and Time and Space Based on specially commissioned chapters by leading international authors the Routledge Handbook of Cultural Gerontology will provide concise authoritative reviews of the key

debates and themes shaping this exciting new field Challenging Invisibility: Practices of Care Karen D. Scheib, 2004 **A**
Passion for Friends Janice G. Raymond, 2001 This feminist classic explores the many manifestations of friendship between women and examines the ways women have created their own communities and destinies through friendship
Representing Ageing V. Ylännä, 2012-05-22 This collection critically examines twenty first century representations of ageing focusing on various media images and discourses as well as individuals own experiences and self presentations of ageing drawing on innovative new empirical data
