Matthews, 2010-01-19 A little about me I am just an ordinary woman who did an extraordinary thing I accepted Jesus Christ as my personal Savior in 1986 I am a woman who has had the opportunity to sit back and think of all the times God has blessed me and sent angels to intercede guide and protect me I am a very quiet person and a bit shy and only shared my stories with a few of my closet friends But always with my daughter I had no one else there with me through these trials and dilemmas just my daughter and years later my son which are what I know now as my testimonies trials and triumphs

Morning Magnified William McLeod, 2021-12-15 When I look back over my life I see nothing but the hand of God on my family I was gifted with the ministry of encouraging and lifting people I made a promise to God many years ago I promised

that every day that he wakes me up and put a word or song on my heart that I would write it and sing a joyful song unto the Lord The people of the world have been experiencing depression sickness loss of hope looking for someone or something to lift them and rescue them from the evilness of this dark world My thoughts for each day are if I can help someone along the way as I journey through this world then my living is not in vain I have a testimony of the goodness of Jesus Christ and I have to share it with the world God is good to me and I know it God is good to you but do you know it I pray that you will seek God and his righteousness and not the world s unrighteousness I pray that this book will be a blessing to you Step out on faith in the Son of God and watch how he will pour out his blessing on you Behind the Lights Helen Smallbone,Lisa

My First Steps in the Ministry Leverna Williams,2008-09-28 Today there are so many distractions that turn us away from what we are called to do We willingly indulge in the pleasures of life instead of following the perfect plan that God already has for each of our lives If we look honestly at our own lives we will see that we are turning to so many different things and people to help solve the problems we face in life My First Steps in the Ministry looks into the life of an ordinary man to see how one can choose to answer the greatest call in life doing the work of the Lord By submitting your plans and will to the will of God one will come to realize that the only way to make it through the vicissitudes of life is to go the way that is ordered by Jesus Christ our Lord My First Steps in the Ministry shares with all how to step into their destiny through experiences that will help them find their way to a fulfilled life with Christ Isn't it time you let go of your past and let God walk you into your future Psalm 51 10 12 Just realize that it's not too late to turn your life around

Toolbox of Life Toshya L Isom,2012-05-07 We spend 90% of our adult life getting over our childhood experiences This book is about my experience in life how I was misled bound controlled spiritually damaged mentally broken and physically abused all while trying to find my way through life ripped from the path of righteousness and thrust into the clutches of sin having a desire to do right in the midst of everything wrong fighting to be freed from the generational curse of a strange people with no fear of God and no reverence to man a blood line of alcoholism addictions perversion gambling adultery and seduction I never stopped praying and never stopped believing for I knew God would hear my cries and except for God's grace and mercy I would have been destroyed and sent to HELL

and Sidelined Mary E. Stuckey, 2025-08-19 Since it was published in 1776 the Declaration of Independence has been used to advocate for social justice and to maintain inequitable social hierarchies it has served as a model for justifying revolutions in other nations and for the Confederacy's secession from the US federal government But as we approach its 250th anniversary this book asks Does the Declaration still matter In this volume leading scholars explore how this remarkably pliable document has been used for progressive and regressive politics alike and track its impact on independence movements across the globe The essays begin with the Declaration's immediate reception and masculine style of prose and then move on to its central role in interpreting civic action between state and federal governments most notably secession in the Antebellum era questions of sovereignty between Indigenous nations in the United States and the United States relationship with Latin America The next section focuses on the ways the Declaration was called upon to urge imperative moral action especially in terms of human rights in the US Civil Rights Movement and the Velvet Revolution in Czechoslovakia and in contrast how it was cast aside in the Syrian Revolution The final section teases out the tension between the needs reflected in the original document and the needs of the contemporary political world *Used Abused and Sidelined* demonstrates how this foundational document prepares us to tolerate and to resist and it points to how we might leverage the Declaration to create a different kind of political future
