price Many of these narratives tend to perpetuate the gendered and racialized stereotypes that have been part of jazz's history In the end the ideas that encompass jazz and death help audiences find meaning in a complex musical practice and come to grips with the passing of their revered musical heroes and possibly with their own mortality The Narrows Michael Connelly,2004-05-03 In the depths of the Nevada desert FBI agent Rachel Walling and former LAPD Detective Harry Bosch must confront The Poet a terrifying serial killer who leads them down a dark and twisted path FBI agent Rachel Walling finally gets the call she's dreaded for years the one that tells her the Poet has surfaced She has never forgotten the serial killer who wove lines of poetry in his hideous crimes and apparently he has not forgotten her Former LAPD detective Harry Bosch gets a call too from the widow of an old friend Her husband's death seems natural but his ties to the hunt for the Poet make Bosch dig deep Arriving at a derelict spot in the California desert where the feds are unearthing bodies Bosch joins forces with Rachel Now the two are at odds with the FBI and squarely in the path of the Poet who will lead them on a wicked ride out of the heat through the narrows of evil and into a darkness all his own **Chet Baker: As Though I Had Wings** Chet Baker,1998-12-15 Told by the legendary trumpeter and singer himself these memoirs launch wholeheartedly into the full bodied and lush jazz driven life that he led for more than 30 years Book Lust Nancy Pearl,2009-09-29 What to read next is every book lover's greatest dilemma Nancy Pearl comes to the rescue with this wide ranging and fun guide to the best reading new and old Pearl who inspired legions of literateurs with What If All name the city Read the Same Book has devised reading lists that cater to every mood occasion and personality These annotated lists cover such topics as mother daughter relationships science for nonscientists mysteries of all stripes African American fiction from a female point of view must reads for kids books on bicycling chick lit and many more Pearl's enthusiasm and taste shine throughout Music, Movies, Meanings, and Markets Morris Holbrook,2012-01-25 Music Movies Meanings and Markets Cinemajazzamatazz focuses on macro marketing related aspects of film music in general and on the cinemusical role of jazz in particular After a review of other work on music in motion pictures the book explores and illustrates the ways in which on screen jazz performances contribute to the development of dramatic meanings in various films many of which address the art versus commerce theme as a central concern **Sequels** Janet G.
