Looking For Peyton Place A Novel

Grace Metalious

Looking For Peyton Place A Novel:

Looking for Peyton Place Barbara Delinsky, 2005-07-12 For Annie Barnes going home to Middle River means dealing with truths long hidden some of which she buried there herself But it is a journey she knows she must take if she is to put to rest once and for all her misgivings about her mother's recent death To an outsider Middle River is a picture perfect New Hampshire town But Annie grew up there and she knows all its secrets as did her idol Grace Metalious author of the infamous novel *Peyton Place* which laid a small town's sexual secrets bare for all the world to see Though Grace actually lived in a nearby town the residents of Middle River have always believed she used them as the model for her revolutionary novel and some even insist Annie's grandmother was the model for one of Grace's most scandalous characters With these rumors and whispers about *Peyton Place* haunting her childhood Annie came to identify so closely with the author that it was Grace and her bold rebellion against 1950s conformity that inspired Annie to get out of Middle River and make a life for herself in Washington D C It's been a good life too Annie Barnes is now a bestselling author reaching that level with only her third novel Success has given her a confidence she never had as a young girl in Middle River and it has given the residents of that town something new to worry about When they hear Annie is returning for a lengthy visit everyone including Annie's two sisters believes she's coming home to write about them Though amused by the discomfort she causes in Middle River Annie has no intention of writing a novel about the town or its people It is her mother's death under circumstances that don't quite add up that has brought her back and soon her probing questions start to make people nervous When she discovers evidence of dangerous pollutants emanating from the local paper mill poisons that she comes to believe contributed to her mother's fatal illness Annie finds herself at odds with most of the town's inhabitants including her sisters both of whom are seemingly unfazed by the incriminating evidence she uncovers Because the mill is the town's main employer everyone is afraid of what might happen if Annie digs deeper and their fears soon start to turn ugly For Annie though there is no turning back as passion and rage propel her forward in a determined quest Coming face to face with decades of secrets and lies she knows she must find the strength to move beyond the legacy of Grace Metalious defying her past to heal the wounds of the town and her own family

Looking for Peyton Place Barbara Delinsky, Read by Karen Ziemba, 2005 The death of her mother brings writer Annie Barnes back to the New Hampshire mill town of her youth to investigate the pollution caused by the local paper mill a contamination that may have been the cause of her mother's fatal illness *Peyton Place* Grace Metalious, 2011-03-15

A new paperback edition of the infamous novel that shocked the nation **Return to Peyton Place** Grace

Metalious, 2007-05-31 The continuing story of *Peyton Place* is once again available in paperback **The Summer I Dared**

Barbara Delinsky, 2007-05-22 The only survivors of a devastating boating accident off the coast of Maine Julia Noah and Kim struggle with their brush with death their feelings of guilt and their changed perspectives on their lives **Peyton Place**

and Return to Peyton Place Grace Metalious, 1999 Now available in a boxed set at an affordable price Tame by today's

standards Peyton Place and its sequel stirred controversy when first published in the 1950s by depicting sex and sin in a small New England town **An Accidental Woman** Barbara Delinsky,2008-08-12 When a close friend is charged with a fifteen year old murder wheelchair bound Poppy Blake at first refuses to believe the charges but then wonders if her friend may have justifiably changed her identity in order to survive **A Novel Marketplace** Evan Brier,2012-02-25 As television transformed American culture in the 1950s critics feared the influence of this newly pervasive mass medium on the nation s literature While many studies have addressed the rhetorical response of artists and intellectuals to mid twentieth century mass culture the relationship between the emergence of this culture and the production of novels has gone largely unexamined In A Novel Marketplace Evan Brier illuminates the complex ties between postwar mass culture and the making marketing and reception of American fiction Between 1948 when television began its ascendancy and 1959 when Random House became a publicly owned corporation the way American novels were produced and distributed changed considerably Analyzing a range of mid century novels including Paul Bowles s The Sheltering Sky Ray Bradbury s Fahrenheit 451 Sloan Wilson s The Man in the Gray Flannel Suit and Grace Metalious s Peyton Place Brier reveals the specific strategies used to carve out cultural and economic space for the American novel just as it seemed most under threat During this anxious historical moment the book business underwent an improbable expansion by capitalizing on an economic boom and a rising population of educated consumers and by forming institutional alliances with educators and cold warriors to promote reading as both a cultural and political good A Novel Marketplace tells how the book trade and the novelists themselves successfully positioned their works as embattled holdouts against an oppressive mass culture even as publishers formed partnerships with mass culture institutions that foreshadowed the multimedia mergers to come in the 1960s As a foil for and a partner to literary institutions mass media corporations assisted in fostering the novel s development as both culture and commodity

Romance Fiction Kristin Ramsdell,2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of Romance Fiction A Guide to the Genre published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have *Literary Afterlife* Bernard A. Drew,2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary

pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer s real or pen name undisguised offshoots issued under the new writer s name posthumous collaborations in which a deceased author s unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author s characters
