Looking Glab:

Trial Balance William March, 2011-03-20 The Collected Short Stories of William March **Journals and letters** Hugh Gaine, 1902 **Shattering Elevations** Santhosh Kumar K., 2006-05 Jet Astro is a complicated character in the entire story depicting as a person who has lust for revenge. He is the first officer of a Star ship called Endeavor Jet Astro and a few alien civilizations that are on the verge of intergalactic war. At first he tried to negotiate a settlement between the various civilizations and it proved to some extent successful. Then after many attempts to save the negotiations he ultimately becomes someone who wants to destroy the whole process because he wants to take revenge against his own captain. In this way he loses his most precious possession that is the love of his life. Then out of guilt when he wanted to set the record straight it was too late and he ends up losing his life. After many years an alien called Sanoby brings Jet back to life and as a token of gratitude Jet becomes Sanoby's disciple and as his first mission they went to negotiate with an alien civilization called Ginarog. But it proves to be complicated more or less. So they had to escape and take the queen Kasadina with them. After rescuing queen Kasadina from the evil Ginarog Jet and his master Sanoby stumbled upon a planet of refugees which was revolving a dying star. So Jet and his associates decided to help the refugees after saving the planet. In the end a huge battle took place and Exodorous was killed. It was also at this point of time that Jet rediscovered the love of his life. There after they settled down for a quiet life **Caesar's Wife Must Be Above Suspicion** Bruce D. MacQueen, 2021-09-30 This is a work of alternate history that is it explores what might have happened if Julius Caesar had not died at hands of assassins on the Ides of March 44 BCE. Five of the would be assassins including Brutus and Cassius are put on trial for treason. Although none of the defendants denies participating in the attempted assassination a startling intervention by Caesar himself late in the trial leads to their acquittal. They are immediately attacked and killed however by an angry mob. The story is told from multiple points of view including especially Caesar's wife Calpurnia who turns out to be much more deeply involved in the events of March 15 and the aftermath than her husband had ever supposed. All of the characters in this novel are actual historical persons except for one a British Gaul named Skaiva who becomes entangled in the life of the man who conquered his country **What Is a Quantum Field Theory?** Michel Talagrand, 2022-03-17 A lively and erudite introduction for readers with a background in undergraduate mathematics but no previous knowledge of physics **The Midland** , 1931 **Queer Customers** Bartle O'Barry, 2023-02-20 Reprint of the original first published in 1871. The publishing house Anatiposi publishes historical books as reprints. Due to their age these books may have missing pages or inferior quality.
