Jet Astro is a complicated character in the entire story depicting as a person who has lust for revenge. He is the first officer of a Star ship called Endeavor Jet Astro and a few alien civilizations that are on the verge of intergalactic war. At first he tried to negotiate a settlement between the various civilizations and it proved to some extent successful. Then after many attempts to save the negotiations he ultimately becomes someone who wants to destroy the whole process because he wants to take revenge against his own captain. In this way he loses his most precious possession that is the love of his life. Then out of guilt when he wanted to set the record straight it was too late and he ends up losing his life. After many years an alien called Sanoby brings Jet back to life and as a token of gratitude Jet becomes Sanoby's disciple and as his first mission they went to negotiate with an alien civilization called Ginarog. But it proves to be complicated more or less. So they had to escape and take the queen Kasadina with them. After rescuing queen Kasadina from the evil Ginarog Jet and his master Sanoby stumbled upon a planet of refugees which was revolving a dying star. So Jet and his associates decided to help the refugees after saving the planet. In the end a huge battle took place and Exodorous was killed. It was also at this point of time that Jet rediscovered the love of his life. There after they settled down for a quiet life.
