Apparitions and Cures Few men witness the history of Philosophy have the mental power to find Truth by themselves Fewer
still have time and opportunity to do so and yet men crave for Truth as for the very food of their souls In the days of our
Saviour men looked and craved for signs for visible and tangible proofs of His Divinity and He gave them what they asked for
He gave them His miracles as an irrefragable proof of His Divine Nature and Mission If I do not the works of my Father
believe me not but if I do though you will not believe me believe the works Throughout the ages He has set the seal of Divine
approval on the teaching of the Catholic Church by miracles and now in these days He offers among others the continual
miracles at Lourdes Two thousand years ago nearly men of goodwill saw rejoiced and believed Others doubted disbelieved
and denied not the facts no one could deny them but their Divine origin Not to God but to the Devil these men attributed the
miracles they witnessed In our own times when Materialism denies the very existence of a Creator and of all supernatural
agencies and powers the miracles at Lourdes are either set aside as a priori impossible or if the facts are admitted they are
ascribed to suggestion or to the unknown forces of Nature A moment s thought will show that both methods of attack are
equally unscientific and futile About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic
