Evanson N. Wamagatta, 2009 With over four million members the Presbyterian Church of East Africa PCEA is one of the major denominations in Kenya It was established in 1946 after the Gospel Missionary Society GMS from the United States of America and the Church of Scotland Mission CSM from Scotland merged The two missionary societies had been working independently in central Kenya since 1898 Consequently the GMS became the only mission in Kenya that failed to leave behind its own functioning self propagating self governing and self supporting church with links to its American mother church The Presbyterian Church of East Africa is therefore a study of the missionary work of the GMS from its inception in 1895 to 1946 when it merged with the CSM in order to establish why the mission gave up the struggle to establish its own church when victory seemed imminent The book also uses the GMS as a case study to analyze not only how Christian missions in colonial Africa struggled to win souls for Jesus Christ but also some of the major problems that they encountered and how they tried to solve them Ethnic Politics in Kenya and Nigeria Godfrey Mwakikagile, 2001 This book is more than

just a study of ethnic politics in Kenya and Nigeria The two countries are a microcosm of the entire continent the problems it faces its successes and failures and the hope and despair of hundreds of millions of its people whose aspirations have been frustrated by decades of corrupt leadership that has skilfully exploited one of Africa's biggest weaknesses tribalism But the people themselves are also responsible for that They have allowed tribalism to flourish and destroy the countries And they have allowed unscrupulous politicians to use and abuse them without storming the Bastille What they are not responsible for is dictatorship African leaders instituted to perpetuate themselves in office by exploiting tribalism These despots have been so good at it and have done it for so long since independence that many African countries are now on the brink of collapse with the people at war against themselves *The Concise Cinegraph* Hans-Michael Bock, Tim Bergfelder, 2009-09-01 This

Miracle Dog Miracle God John McCreedy,2013-10-14 Im more convinced than ever that if youre going to write a book it must come from deep inside you I believe thats so true regarding the writing of any good book but particularly this volume While my first published work The Seers House arrived in one single vision at 3 oclock in the morning my second endeavour Miracle Dog Miracle God took a lot longer to emerge For over ten years following my first publication I was caught up in the mission field in Romania and literally didnt have time to write a follow up Indeed only after Id returned from Romania and been separated from my best friend Snowbell our Golden Retriever Labrador did I really begin to accept that another book may be about to be birthed I couldnt shake off the writing of this book and so eventually I sat down and wrote it Nevertheless Miracle Dog Miracle God hasnt been the easiest manuscript to create for various reasons Trying to keep to my subject matter what God the Father taught me about Himself through the love of a dog when there was so much more to tell about our Romanian endeavours hasnt been straightforward Writing each chapter as a parable was equally challenging but in the end I think Ive managed to produce what has been within me since 2008 Finally the emotion I experienced writing about this remarkable little dog was quite unexpected On numerous occasions I would have to literally down tools and shed tears while at other times I laughed out loud and so enjoyed reminiscing about happier moments with Snowbell My desire is that Miracle Dog Miracle God will make you laugh and cry yet also instruct you about the amazing unconditional love of God After all thats exactly what happened to me when I was introduced to Snowbell a beautiful gift from God to my life if ever there was one
