Friendship: Interpreting Christian Love Liz Carmichael,2004-10-01 The love of friendship has at the least established its place as a necessary model of love in Christian tradition This study shows the deep roots it has in Christian thought among both ancient and modern writers and is intended to facilitate further reflection on and exploration of its creative potential now and for the future The Delights of Wisdom Pertaining to Conjugial Love Emanuel Swedenborg,1856 Works of Love Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded **Recovering the Love Feast** Paul Fike Stutzman,2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In Recovering the Love Feast Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation feetwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today s Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that

each celebration serves as an act of worship to God and an authentic expression of Christian discipleship Rhythms of Love - Jasmuheen's Travel Journal Jasmuheen,2012-12-06 As a commitment to witness stimulate and record humanity s co creation of paradise on earth Jasmuheen shares her experiences and insights on this as she travels the globe during 2006 to 2012 From Russia and the Eastern Bloc countries through Europe to the jungles of Colombia and India Jasmuheen reports on her work with many open hearted groups that gather with her In this journal the reader gains insight on what life is like for someone who is in full time service with this paradise co creation agenda Spending nearly half of each year on the road living in hotel rooms airports and seminar halls constantly adjusting to continually changing weather patterns all the while being nourished only by prana Jasmuheen manages to keep herself healthy and happy regardless of the many challenges she faces for despite all of this she grows and learns and thoroughly enjoys meeting with all the beautiful light filled people that she now constantly meets in this world **God Loves You** Thomas Franckowiak,2012-04 Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift Often He has blessed you with many more His gift of love to you however is the most precious of them all If godly love is your one talent it is yours to continually refine throughout your life In order to continually grow in godly love God s Word must be your road map God Loves You Notes of His Love unearths truths about your Heavenly Father s love from Paul s description of godly love in his first letter to the Corinthians In his letter he reveals its seven qualities You will find in God Loves You Notes of His Love that each chapter is dedicated to studying a quality of love As you study each chapter you become a student of God s love You investigate for yourself how to live an entire life of continual growth in ever abounding love for your Heavenly Father God your dear ones and all humanity After you devote your entire life to successfully studying and living godly love you will appear before your Heavenly Father God When He sees your soul beaming the seven qualities of godly love He will tell you Well done good and faithful servant You have been faithful with a few things I will put you in charge of many things Come and share your Master s happiness *Law in the Courts of Love* Peter Goodrich,2002-11 In the wake of current criticisms of the legal profession Peter Goodrich presents us with a radical alternative vision of the law He examines past legal systems offering up the possibility of a more humane system I fell in love with you and I cried Rachel Hill,2022-04-02 I fell in love with you and I cried is a spiritual personal and travel memoir of a year in India and Southeast Asia In April 2017 my husband and I asked ourselves what would we do if we could do anything We decided to sell up leave our jobs and go travelling along the way unpicking the conditioning of property career and security and exploring what a life with less stuff would look like We gave away most of our possessions and in March 2018 we went to India where we spent seven months in all then Thailand Tokyo Nepal Cambodia and Vietnam My book documents the trip through the eyes of a relatively inexperienced traveller The sights sounds and colours of India and Southeast Asia as well as the physical and emotional challenges of a year of travel This was a pre Covid19 trip of a lifetime making connections with local people and fellow travellers and putting beliefs about

minimalism into practice by living out of a small backpack for a year of slow travel *The Prophetic Call to Love and Justice* Arnold H. De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives **Studies in John's Epistles** George Findlay,2024-06-23 Foreword by Cyril J Barber Findlay describes in practical terms how Christians can enter into and remain in the blessings of rest and fellowship *Sad Love* MJ Fields,2024-04-24 The Blue Valley series is not your typical love story It is a journey through one s past maybe even a story resembling someone close to you It s our story Welcome to the college years Love has not been easy for Tessa Ross and Lucas Links but they have managed to overcome situations that so many others in their lives haven t And through all of their difficulties neither have ever denied the love they have for one another But sometimes love isn t enough What new joys pains and decisions will they make as they take their first steps into adulthood This is love not a fairy tale Warning Highly Emotional This book contains volatile characters in real life situations that may be triggering to some readers *The Nature and the Grounds of Love to Christ Considered in a Sermon [on Rom.
