In Love with the World

Yongey Mingyur Rinpoche, Helen Tworokov, 2019-05-07 A rare intimate account of a world renowned Buddhist monk s near death experience and the life changing wisdom he gained from it One of the most inspiring books I have ever read Pema Ch dr n author of When Things Fall Apart This book has the potential to change the reader s life forever George Saunders author of Lincoln in the Bardo At thirty six years old Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries Then one night telling no one he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat following the ancient practice of holy mendicants His goal was to throw off his titles and roles in order to explore the deepest aspects of his being He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for In Love with the World Vivid compelling This book is a rarity in spiritual literature Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of Radical Acceptance and True Refuge In Love with the World is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of A Path with Heart This book makes me think enlightenment is possible Russell Brand

Booker,1912 **The Middle English Mystics** Wolfgang Riehle,2019-06-26 Originally published as an English translation in 1981 The Middle English Mystics is a crucial contribution to the study of the literature of English mysticism This book surveys and analyses the language of metaphor in the writings of such mystics as Richard Rolle Walter Hilton Julian of Norwich and in such anonymous works as The Cloud of Unknowing and the Ancrene Wisse The main emphasis of this comparative and stylistic study is not theological but rather the means by which theological concepts are communicated through language The book sets the English mystics in perspective by establishing their place in the European mystical movement of the Middle Ages It shows how intricate the relationship between English and continental mysticism really is The book suggests that there is clear links between English and German female mysticism yet the mysticism is in the main due not so much to specific influences as to the common background of Christian theology and mysticism Nordic Sagas as Children's Literature Velma Bourgeois Richmond,2023-08-23 This book examines translations of Icelandic sagas and the Victorian and Edwardian children s literature they inspired some of which are canonical while others are forgotten It covers authors like William Morris Henry Wadsworth Longfellow Thomas Gray Walter Scott H Rider Haggard W H Auden John Greenleaf Whittier and more In lavish volumes and modest schoolbooks British and American writers claimed Nordic heritage and explored Nordic traditions The sagas offered a rich and wide ranging source for these authors Volsunga saga s Sigurd the dragon slayer King Olaf s saga of opposing Nordic Gods and Christianity Frithiof s model of headstrong youth beset with unfair opposition and lost love Grettir and Njal tell of men who accepted fate and met conflict and enemies unflinchingly Aslaug Gudrida Hallberga and Hervar exerted remarkable influence and Eric the Red and Leif the Lucky provided Americans with a Nordic heritage of discovery A Dictionary of Archaic and Provincial Words, Obsolete Phrases, Proverbs, and Ancient Customs from the Fourteenth Century James Orchard Halliwell,1847 **An Echo in the Mountains** Nicholas Bradley,2020-09-23 From the 1960s until his death in 2000 Al Purdy was one of the most prominent writers in Canada famous for his frank language and his boisterous personality He travelled the country and wrote about its people and places from Newfoundland to Vancouver Island A central figure in the CanLit explosion of the sixties and seventies Purdy has been called the best the most and the last Canadian poet But Purdy s Canada no longer exists A changing country and shifting attitudes toward Canadian literature demand new perspectives on Purdy s impact and accomplishments An Echo in the Mountains reassesses Purdy s works the shape of his career and his literary legacy grappling with the question of how to read Purdy today a century after his birth and in a new era of Canadian literature Contributors to the volume examine Purdy s critical reception explore little known documents and textual problems and analyze his representations of Canadian history and Indigenous peoples and cultures They show that much remains to be discovered and understood about the poet and his immense body of work The first sustained examination of Al Purdy s works in over a decade An Echo in the Mountains showcases the critical challenges and rewards of rereading an iconic and influential Canadian writer **A-I** James Orchard

Catalog of Copyright Entries ,1928 Love and Women in Early Chinese Fiction Daniel Hsieh,2009-03-02 In traditional China upper class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings It was not until the mid Tang a generation or two after the An Lushan rebellion that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of zhiguai and chuanqi fiction The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization This book examines the repertoire of chuanqi and zhiguai written during the Six Dynasties and Tang periods and analyzes the key themes topics and approaches found in these tales which range from expressions of male fantasy sympathy fear and anxiety to philosophical debate on the place of the feminine in patriarchal Chinese society Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen for example in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as The Peony Pavilion and Dream of the Red Chamber *Poetical Works* Francis Adams,1887 **A dictionary of archaic and provincial words : obsolete phrases, proverbs, and ancient customs from the fourteenth century ; in two volumes. 2.
