Missing Matthew:

Look What's Missing! David W. Daniels, 2009 Publishers are removing things from new Bibles Publishers of modern Bible versions have been removing words phrases and even whole verses but their readers are often unaware of it Few people know the Bible well enough to notice when something has been taken out But the results are hard to believe The removal of one tiny word turns Jesus into a liar Callers into Christian talk shows have even used this to say that it s okay for a Christian to lie After all they say Jesus did it A verse that s completely missing from some of the most popular Bibles available today completely removes one of the basic doctrines found in every evangelical church When David Daniels shows this one to people they just stand with their mouths open and say I can t believe it In another case Jesus own words are removed taking out a famous phrase in which Jesus explains why He came to earth People react with They took out Jesus words How can they do that This information has been right under our noses for years but no one has ever taken the time to cull through this many Bible versions and find the missing parts Author David Daniels did the research and now releases his results for the Christian world to see what is really missing How about your Bible Is it on the list of Bibles with pieces taken out You might be surprised when you look at what s missing

Missing Nicole Morris, 2024-09-04 Missing without a trace into thin air In *Missing* Nicole Morris best selling author of *Vanished* and founder of the Australian Missing Persons Register delves into the chilling world of long term missing persons cases With over 55 000 disappearances annually in Australia each story is a heart wrenching account of unanswered questions and shattered lives From a West Australian man entangled in the dangers of online dating to an Adelaide father possibly linked to Australia s most notorious serial killings Morris uncovers haunting tales of those who vanished without a trace Three mothers leaving behind bewildered children a young hitchhiker lost on a desolate Queensland highway and two Sydney men who lost their way all woven into the fabric of inexplicable disappearances The narrative spans decades from the 1980s to present day mysteries including the puzzling case of a gentle Greenpeace worker vanishing amidst inner city Melbourne the suspicious disappearance of a 21 year old and the grim discovery of scattered remains in Queensland unravelling a harrowing tale of violence and tragedy And then there is the perplexing case of a man who went missing over and over again *Missing* sheds light on the untold stories of those who vanished leaving behind a void of unanswered questions and enduring pain Nicole Morris brings attention to the cold cases from families of missing persons raising awareness and hopefully uncovering new leads for desperate families searching for the truth

addict *Word 2007: The Missing Manual* Chris Grover,2006-12-21 Microsoft Word has grown considerably in power sophistication and capability over the past decade but one thing that hasn't changed since the early 90s is its user interface. The simple toolbar in version 2.0 has been packed with so many features since then that few users know where to find them all. Consequently more and more people are looking for insider tips that will allow them to use these advanced and often hidden features. Microsoft has addressed this problem in Word 2007 by radically redesigning the user interface with a tabbed toolbar that makes every feature easy to locate and use. Unfortunately Microsoft's documentation is as scant as ever so even though you will be able to find advanced features you might not know what to do with them. *Word 2007 The Missing Manual* written specifically for this version of the software explains basics like how to create documents enter and edit text format print and fax. You will also learn how to create sophisticated page layouts insert forms and tables use graphics and create book length documents with outlines and Master Documents. Coverage also includes how to share documents with other people and programs create web pages automate documents with fields and automate tasks with macros and the Visual Basic scripting language. This book shows you how to do it all. *iPad 2: The Missing Manual* J.D. Biersdorfer,2011-04-26 The iPad is an amazing media device once you really know how to use it. life not covered by the Bible The so called missing years of Jesus the 18 years that are unaccounted for in the Bible from when Jesus was a boy of 12 to his sudden reappearance at the age of 30 Archaeologist and classical scholar Dennis Price has investigated the clues in Blake s evocative poem Jerusalem and has paid meticulous attention to the accounts in the ancient Aramaic and Greek versions of the Bible and he s also conducted an exhaustive and unprecedented study into the myths and legends of Christ in Britain With the assistance of specialists in their own fields and by viewing this enthralling subject as a modern missing person s investigation Dennis Price has pieced together the various pieces of the jigsaw and now presents compelling and highly original evidence that Christ did indeed visit Britain in the company of Joseph of Arimathea in ancient times The weight of new material suggests that Christ remained in Britain for several years before eventually returning to his homeland in the east and this truly extraordinary book now provides a wealth of new information for all those who are intensely curious about this otherwise undocumented period in the life of the most famous person the world s ever known

The implications are astonishing and they are presented here in the greatest story never told
