installed them and how to unwire them It makes people feel better all around It goes beyond just not feeling anxious Practically The Missing Peace will show readers how to cultivate and nurture the core traits mattering most to them They will re parent themselves to well being vibrant energy and emotional stability and be shown there is just as much to nurture as there is to nature It is never too late After reading this book the reader will understand their anxiety learn how to harness it shift focus to what they love and live the life they want **The Missing Peace** Sharon Ralph,2020-08-18 The Missing Peace is a book about a journey to find peace in a chaotic world It is a book about real life situations and hardships that affect our well being and many times keep us from experiencing true peace In this book the author takes us along her life changing journey to finding her ultimate peace while sharing the hopeful and encouraging truth that this peace is available to everyone and can be found if you know where to look Encyclopedic index, L-Z United States.
