**Mission Stories from Around the World** J. Lawrence Driskill, 1994-01-01 Japan Latin America and Africa are the settings for some of these mission adventures Missionary Stories from Around the World Betty Swinford, 2005 This book has been replaced by a new edition 9781845505646 *Worldwide Mission Stories for Young People* J. Lawrence Driskill, 1996 A collection of stories in which Christian missionaries relate the lessons learned from their experiences working in seventeen countries around the world **More Amazing True Mission Stories from Around the World** J. H. Zachary, Jean Zachary, 2005 **Twenty Missionary Stories from Around the World** Basil Miller, 1950 The Greatest Military Mission Stories Ever Told Tom McCarthy, 2022-11-01 The orders to proceed were nothing more than an invitation to die and usually in unpleasant ways But the soldiers proceeded nonetheless because a higher cause was at stake This stunning collection of stories is a tribute to the courage steely resolve and discipline of men who accomplished daunting missions in the face of almost certain death Nonetheless they stepped into the breach and performed heroically That was their duty and they did not question They had a mission and they accepted Here are ten powerful stories of American soldiers and sailors that span more than 200 years of action with one common theme summed up succinctly a participant who took control of Omaha Beach on D Day 1944 We were doing the very thing that we had trained so long to do and we were fascinated and eagerly excited about it We realized that any number of things might happen to us and knew too that some things we d never dreamed of might very well be waiting for us on the beach From Marines taking Iwo Jima s Mount Suribachi or defending Khe Sanh Navy pilots taking to the air to defend Pearl Harbor or an outnumbered American regiment in Korea defeating the Chinese at the Battle of Chipyong ni courage was the common watchword death the common consequence Such is the lot of soldiers everywhere Here is a not so gentle reminder of the price of freedom paid by American men for more than 200 years of struggle from the Revolutionary War the Spanish American War Civil War World War II Korea and Viet Nam *Guide's Greatest Mission Stories* Lori Peckham, 2009 Machete wielding assassins flee when a horseman rides up but the missionary they had been sent to kill cant find any hoof prints A teenager hurls a rock at the kerosene lantern hanging just above the preachers head and a mysterious hand reaches out to grab the stone Seven dogs show up at a missionaries home and prevent a mob from murdering the family on three separate occasions But God doesnt just protect the ones He sends He floods their hearts with His love too Puringa sold the clothes off his back for the right to continue teaching about Jesus The kindness of young Jume saved the life of a man who mocked him And Pedro an isolated Bible worker devised a plan to share the gospel with thousands of people along the Amazon River whom he could never reach in person Theres nothing like a good mission story to remind you that God is faithful to everyone who is totally committed to Him Missionary Stories from Around the World Basil Miller, 1950 **Missions Disrupted** Larry W. Sharp, 2022-01-01 Most everything in the world has changed since the age of the Greatest Missionary Generation which was an outpouring of

missionaries following World War II that lasted until around 1985 Today however missionaries are no longer welcomed in most of the world and Christian terms like evangelism church planting conversion and missions are considered pejorative outside of the Western world All this demands a reexamination of the theology of Missio Dei for today s world and a theory for change that can be validated with credible research Author and former missionary Larry Sharp believes that the era of professional missions as we ve known it is coming to an end But since God still seeks to redeem his world the future lies now with missional professionals with a new set of rules for how the gospel of Jesus Christ can be proclaimed Near the end of his life Billy Graham said The great work of God in the 21st century will be through everyday believers living out their faith in the workplace Since the first century AD there have been historical events such the persecution of the early church the Edict of Milan and the Protestant Reformation where major disruption resulted in the radical advance of the gospel We are on the cusp of another disruptive innovation Through real life narratives of international workplace professionals who have successfully integrated their faith with their work Missions Disrupted describes how this new work of missions looks today These inspiring stories come from the world of agriculture manufacturing medicine information technology education engineering music and retail It is up to the next generations to continue to share the Good News with the world wherever and however that may be **And a Little Bit Farther** Marj Carpenter,1998-01-01 Marj Carpenter storyteller journalist and former moderator for the Presbyterian Church U S A has traveled the world seeking out Presbyterians doing mission work Now she invites everyone to faraway places like Korea Bolivia and the Ivory Coast stopping along the way to tell stories of mission and faith Her colloquial storytelling style produces both laughter and tears but most of all it creates pride in Presbyterians faithfully working for a better world Missions Howard Benjamin Grose,1927 Religious Education ,1921

Jeanne-Nicole Mellon Saint-Laurent,2015-06-19 Missionary Stories and the Formation of the Syriac Churches analyzes the hagiographic traditions of seven missionary saints in the Syriac heritage during late antiquity Thomas Addai Mari John of Ephesus Simeon of Beth Arsham Jacob Baradaeus and Ahudemme Jeanne Nicole Mellon Saint Laurent studies a body of legends about the missionaries voyages in the Syrian Orient to illustrate their shared symbols and motifs Revealing how these texts encapsulated the concerns of the communities that produced them she draws attention to the role of hagiography as a malleable genre that was well suited for the idealized presentation of the beginnings of Christian communities Hagiographers through their reworking of missionary themes asserted autonomy orthodoxy and apostolicity for their individual civic and monastic communities positioning themselves in relationship to the rulers of their empires and to competing forms of Christianity Saint Laurent argues that missionary hagiography is an important and neglected source for understanding the development of the East and West Syriac ecclesiastical bodies the Syrian Orthodox Church and the Church of the East Given that many of these Syriac speaking churches remain today in the Middle East and India with diaspora communities in Europe and North America this work opens the door for further study of the role of saints and stories as symbolic links between ancient and modern traditions     An Empire Divided James Patrick Daughton,2006 An award winning book An Empire Divided tells the story of how troubled relations between Catholic missionaries and a host of republican critics shaped colonial policies Catholic perspectives and domestic French politics in the tumultuous decades before the First World War     *The Missionary Education of Intermediates* Mrs. Mable Gardner Kerschner,1929
