Mission with Mountbatten. [With Plates, Including Portraits.]. Alan Campbell JOHNSON,1951      *Mission with Mountbatten, by Alan Campbell-Johnson,...* Alan Campbell-Johnson,1952      **Mission with Mountbatten** Alan Campbell-Johnson,1985      **Mission with Mountbatten** Alan Campbell-Johnson,1972      *The Partition of India and Mountbatten* Latif Ahmed Sherwani,1984      Indian Summer Alex Von Tunzelmann,2008-09-30 An extraordinary story of romance history and divided loyalties set against the backdrop of one of the most dramatic events of the 20th century Indian Summer reveals how Britain ceased to be a superpower after it lost India as a colony      Mountbatten, Cold War and Empire, 1945-79 Adrian Smith,2022-11-17 Mountbatten Cold War and Empire 1945 79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill s wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten s record in Southern Asia in 1943 6 and 1947 8 Additional chapters focus on Mountbatten s position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten s relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten s achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten s centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith s scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten s personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten s career from 1943 to the mid sixties      Conquering the maharajas Harrison Akins,2023-06-06 Conquering the maharajas demonstrates that the political and military clashes between the Indian and Pakistani governments and the princely states a legacy of the layered sovereignty of British indirect rule in India was a product of the competing ideas of state sovereignty leading up to and following the transfer of power in 1947      Golwalkar Dharendra K Jha,2024-10-10 FROM THE AUTHOR OF GANDHI S ASSASSIN A compelling portrait of M S Golwalkar Thomas Blom Hansen biography of one of the most secretive public figures of post independence India Chistophe Jaffrelot A disturbing book because of its revelations on the inner working of the RSS Mridula Mukherjee Madhav Sadashiv Golwalkar or Guruji as he is reverentially referred to by his followers is regarded as the demi god of Hindutva politics and often accorded a status higher than even the founder of the Rashtriya Swayamsevak Sangh K B Hedgewar In 1940 when 34 year old Golwalkar

unexpectedly assumed charge of the RSS on Hedgewar's death the Hindu militia was still in its nascent stage with pockets of influence mainly in Maharashtra Under Golwalkar's leadership over the next three decades the RSS and its allied organizations known as the Sangh Parivar extended its network across the entire country and penetrated almost every aspect of Indian society Golwalkar's ideological influence was enormous and it did not end with his death Golwalkar's prescriptions in his incendiary book *We or Our Nationhood Defined* published in 1939 now became central to the ideological training and radicalization of youth dedicated to the idea of a Hindu Rashtra Here Golwalkar prescribed a solution to India's minority problem based on the Nazi treatment of Jews in the Third Reich As Dharendra K Jha conclusively establishes in this book this would eventually provide the core of the Sangh's credo and as events in the recent past have borne out have a lasting influence on Indian politics Drawing from a wealth of original archival material and interviews the deeply researched and scholarly Golwalkar *The Myth Behind the Man* the Man Behind the Machine pierces through the many legends built around the man in the biographies written by his loyalists during his own lifetime Jha traces Golwalkar's path from a directionless youth to a demagogue who plotted to capture political power by countering the secularist vision of nationalist leaders from Nehru to Gandhi Ambitious insecure tactical and secretive Jha draws a compelling and sinister portrait of one of the most prominent Hindutva leaders and of the RSS and its worldview that evolved under him

**Mainsprings of Indian and Pakistani Foreign Policies** S. M. Burke, 1974 [The breakup of India and Palestine](#) Victor Kattan, Amit Ranjan, 2023-08-15 This book is the first study of political and legal thinking about the partitions of India and Palestine in 1947 The chapters in the volume authored by leading scholars of partition draw attention to the pathways of peoples geographic spaces colonial policies laws and institutions that connect them from the vantage point of those most engaged by the process political actors party activists jurists diplomats philosophers and international representatives from the Middle East South Asia and beyond Additionally the volume investigates some of the underlying causes of partition in both places such as the hardening of religious fault lines majoritarian politics and the failure to construct viable forms of government in deeply divided societies

[The Partition of India](#) C. H. Philips, Mary Doreen Wainwright, 2025-06-02 The partition of India in 1947 was an outstanding event in world history It formed a major turning point in the modern history of the sub continent and of the Commonwealth Originally published in 1970 after more than twenty years had passed this title brought together the evidence and put into perspective the course of events which had led to the transfer of power in India from Britain to two successor states rather than to one In 1937 the Muslims in India were thought to be politically weak and disorganized yet ten years later they were able to put forward a convincing claim for a separate state How did this come about The lack of any sense of urgency in making a constitutional settlement between the wars Congress miscalculations during the war and the political exploitation of Muslim nationalism all played a part but the interpretation of the events leading to partition tends to vary with the preconceptions and outlook of the various contributors to the debate at the time The enquiry which led to this

volume began as a simple attempt to collect evidence from those still alive From this grew a regular series of meetings between participants and historians of the three countries culminating in a conference The material presented here discusses the more important aspects of the partite from the different viewpoints It is arranged in two sections first hand accounts by those who took part and an analysis by leading specialists In his Introduction Professor Philips points to the main historical problems which had emerged and suggests areas of study which would repay early investigation The time was not yet ripe for a wholly definitive account but this book suggests a framework within which this could be done and brought together raw material for future historians before the generation of eye witnesses passed away The resources of the School of Oriental and African Studies enabled an enterprise to be mounted which would have been beyond the capacity of any one individual This book is a re issue originally published in 1970 The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication **The Army Historian** ,1993 **Merrill's**
