Entangled Edens Candace Slater, 2002 The skill with which Slater combines various levels and modalities of narrative utilizing her personal experience as a colorful unifying thread is truly remarkable Antonio Candido author of Antonio Candido On Literature and Society Howard S Becker editor A very important book that quite gracefully elegantly and persuasively moves beyond the usual myth

and history format to put at its center stories about the Amazon and the people who tell them Entangled Edens persuasively argues that the Amazon can only be grasped understood and come to terms with through its myths and stories It addresses a very real failing of modern environmentalism which for all its virtues tends to dehumanize and metaphorically depopulate when it does not villainize populations that do share its concerns or share them in very different ways Instead of forcing us to choose between land and people Slater uses the stories and the people who tell them to rethink human relations with nature and each other Richard White author of The Organic Machine The Remaking of the Columbia River Elegant erudite profoundly serious Entangled Edens is a source of inspiration and knowledge for the reader interested in the Amazon Without the cultural tradition and the life experience of Amazonia s people any analysis of the Amazon risks becoming inconsequential or opportunistic This is one of the powerful messages of this important reflection on the Amazon whose greatest riches are ultimately its people Candace Slater has written a book that will last Milton Hatoum author of The Tree of the Seventh Heaven 1994 and The Brothers 2002 *The Life-Affirming Magic of Birds* Charlie Bingham, 2025-04-10 Praise for The Life Affirming Magic of Birds This deeply personal book is a delight for those who already value our feathered friends and is a perfect introduction for those who are new to birding CAROLINE QUENTIN ACTOR AUTHOR PRESENTER Moving informative funning evocative Charlie s book will take you on a wonderful journey through the world of birds and the stories of those that live alongside them Through her stories you will be inspired to embark on your own journey and make a deeper connection with the natural world around you An utter delight from start to finish MIRANDA KRESTOVNIKOFF RSPB VICE PRESIDENT BROADCASTER AUTHOR A beautifully written book that connects us to beauty and curiosity It will fill your mind and make your heart sing like a nightingale ROBIN INCE COMEDIAN WRITER BROADCASTER It reads as the instructions for a nature prescription something the world needs more of NICK BAKER NATURALIST TV PRESENTER A fresh funny and deeply personal take on why birds matter from an important new voice in nature writing DR STEPHEN MOSS NATURALIST BESTSELLING AUTHOR This is a book that will make you look up Whether it s a brief encounter with a friendly robin or a curious wood pigeon perched on your windowsill everyone has a bird story Join nature and wildlife enthusiast Charlie Bingham as she travels the length and breadth of the UK searching for oystercatchers on rooftops and peregrines on cathedral spires Get inspired to look up and become part of the awe inspiring world that exists above us In The Life Affirming Magic of Birds writer and conservationist Charlie Bingham opens your eyes to the fascinating and diverse world of birds and nature Have you ever heard an unfamiliar birdsong and asked yourself where it came from Or felt inspired by the stoicism of trees in difficult times If so then this is the book for you Join Charlie on this essential journey of discovery and learn how nature can offer a way to engage with your surroundings for anyone who wants to experience it In this beautiful captivating book you ll discover an alternative way to appreciate nature Through twelve insightful lessons you ll see the power that nature has to help us through turbulent times If you ve ever struggled to find motivation to get through the
