Carson, Kathleen Nielson, 2015-04-16 With contributions from popular Bible teachers including Tim Keller Kevin DeYoung John Piper D A Carson Crawford Loritts Gary Millar and Stephen Um this collection of eight biblical expositions looks to the Gospel of Luke and its unique portrait of our Savior Whether exploring the nature of Jesus s divine sonship his rejection by the religious and political rulers of his day or his important teaching on the dangers of money this volume will help readers grasp the overarching message of the book of Luke as they grow more familiar with its main focus the blameless life atoning death and vindicating resurrection of Jesus Christ

Peter's Last Sermon James M. Dawsey, 2010 What Christian would not want to hear Mark s gospel as the first believers heard it Using the tools of modern scholarship Peter s Last Sermon takes seriously Mark s audience The community would have heard rather than read the gospel It would have encountered the story as a whole instead of piecemeal in short texts for sermons Missing would have been the static of Matthew Luke and John As for the speaker While most modern scholars table the question of authorship the post apostolic writers of the second and third centuries claim with one voice that though penned by Mark the gospel actually went back to Peter So to hear the gospel as did those early Christians was to hear it as if coming from him Does it make a difference to our understanding of Mark s message if from Peter Yes And the result is surprising Peter s Last Sermon takes us on a journey through Roman and Jewish texts to meet the Jesus not of the modern Church but of Peter s proclamation in Rome Nero s persecution had left the community in crisis What was Peter s message for his time Christ was different from expected he said but how James Dawsey shows that Christ broke the messianic

expectations of his Galilean followers and the Jerusalem religious elite of his day And as the reader of Peter's Last Sermon will see he surprised Mark's hearers a generation later The Gospel of Mark still confronts us in new ways **The Misunderstanding of the Church** Emil Brunner, 2002 Brunner sees St Paul's Epistle to the Romans as the chapter of destiny of the Christian Church Here in Luther's words is the purest gospel upon which the very existence of the Christian faith depends and from which it draws its life Concentrated decisive and instructive nothing within the New Testament is more closely argued both theological and personal Out of his years of scholarly wisdom Brunner meditates on the great Question What is wrong with the Churches Brunner finds an answer in the contrast between the virile Spirit-filled fellowship of the New Testament and the institutions which are now called churches He writes in his preface The title of the book The Misunderstanding of the Church is equivocal Is it a question of a misunderstanding of which the Church is guilty or of a misunderstanding of which it is the victim Or is it that the Church itself as such is perhaps the product of a misunderstanding The author is not responsible for this ambiguity it is intrinsic in the theme itself *Where Jesus Walked* Ken Duncan, 2006 Photographs of Israeli and Palestinian landscapes and other sites complemented by inspirational quotes **The International Critical Commentary on the Holy Scriptures of the Old and New Testaments**, 1925 Preacher's Outline & Sermon Bible-KJV-John Leadership Ministries Worldwide, 2017-04-06 What if you could study John with your favorite Bible scholars from across the ages With The Preacher's Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher's Outline Sermon Bible you'll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry John MacArthur Charles Spurgeon and many more Thoughts designed to provide practical application of Scripture for your congregation Deeper studies that expand on original Greek sources provide historical background and explain key points An Outline Subject Index designed for topical study perfect for quickly creating messages on a particular theme There's a volume of The Preacher's Outline Sermon Bible series for nearly any sermon you can imagine Explore the full series on our website at outlinebible.org

Assembly, Comm. on Sabbath Schools, 1890 *How God Became King* Tom Wright, 2012-04-12 It has been slowly dawning on me over many years that there is a fundamental problem deep at the heart of Christian faith and practice as I have known them we have all forgotten what the four Gospels are about With that surprising assertion Tom Wright launches this ground-breaking work in which he helps us to see the gospel story in radically a new light and to acknowledge that for many generations the Church has been avoiding its full impact and holding back from proclaiming its full meaning Classic Wright clear accessible robust engaging and challenging Paula Gooder in Third Way Scholarly accessible insightful

and provocative Christianity Wright argues compellingly that the twin themes of kingdom and cross are inseparably linked This is a much needed reorientation The book makes its case for rethinking cogently and deserves widespread attention

Following the Human One Robert L. Montgomery,2017-10-03 Jesus Christ is the most famous person in human history His favorite name for himself was the Son of Man or the the Human One Rarely did his followers call him that but it must have had great significance for him This book describes why this name was so important and what it means for us now Along with this favorite name this book shows how Jesus Christ fulfills human longing but at the same time is resisted by his own followers to this day Nevertheless his call to follow him has sounded down the centuries and been heeded by millions The book leads to an exploration of the Way that is found in Jesus Christ who called himself the Human One *The Life of Jesus Christ in Its Historical Connexion and Historical Development* August Neander,1848 *Jesus the Miracle Worker* Graham H.
