### **Mixed Messages Materiality Textuality Missions:**

Mixed Messages: Materiality, Textuality, Missions J. Scott, G. Griffiths, 2005-05-05 This collection of essays looks at missions their complicity in European colonialism and their postcolonial aftermath It examines the spread of Christianity ranging over the anthropological textual historical and geographical dimensions of mission enterprises with topics as diverse as the influence of mission printing and record keeping on traditional life in Africa to the role of missions in changing styles of dress in India Also uniquely the collection includes essays analyzing the role of proselytizing in Islam Hinduism and Buddhism as well as American liberal democratic capitalism The volume is interdisciplinary focusing on textual and material aspects of missions Like Griffiths earlier ground breaking books in postcolonial studies and Scott's well known interdisciplinary work on missions and postcolonial literatures this collection will be fascinating to scholars in postcolonial cultural and mission studies and be useful as a teaching tool as well Mixed Messages was listed among the 15 best books for 2005 in the Jan 2006 issue of The International Bulletin of Mission Studies

**German Moravian Missionaries in the British Colony of Victoria, Australia, 1848-1908** Felicity Jensz, 2010-01-01 Focusing on the six decades that German Moravian missionaries worked in the British colony of Victoria Australia this book enriches understanding of colonial politics and the role of the non British other in manipulating practice and policy in foreign realms Central to the transnational nature of the book are questions of identity and of how individuals and the organisations they worked for can be seen as both colluders and opposers within nation state borders and politics It analyses the ways in which the Moravian missionaries navigated competing agendas within the colonial setting especially those that impacted on their sense of personal vocation their practices of conversion and their understandings of the indigenous non Christian peoples in the settler society of Victoria

Protestant Missions and Local Encounters in the Nineteenth and Twentieth Centuries Hilde Nielssen, Inger Marie Okkenhaug, Karina Hestad-Skeie, 2011-07-27 This book makes visible an important but neglected aspect of Christian missions its transnational character Missionaries considered themselves global actors yet they operated within a variety of nation states The volume demonstrates how processes on a national level are closely linked to larger transnational processes

**Missionaries, Indigenous Peoples and Cultural Exchange** Patricia Grimshaw, Andrew May, 2009-11-03 Presents fresh insights into the relationships between missions and indigenous peoples and the outcomes of mission activities in the processes of imperial conquest and colonisation This book focuses on missions across the British Empire including India Africa Asia the Pacific within transnational and comparative perspectives

**Evangelists of Empire?** Amanda Barry, 2008 Utilising a range of source material and a variety of theoretical and methodological approaches this ground breaking collection offers the reader new ways of assessing the uneven paths of mission endeavours and examines the ways in which Indigenous peoples responded to and took ownership of aspects of Christian and Western culture and spirituality

**Nellie Arnott's Writings on Angola, 1905-1913** Sarah Robbins, Ann Ellis Pullen, 2010-11-27 Nellie Arnott's Writing on Angola

1905 1913 recovers and interprets the public texts of a teacher serving at a mission station sponsored by the American Board of Commissioners for Foreign Missions in Portuguese West Africa Along with a collection of her magazine narratives mission reports and correspondence Nellie Arnott s Writing on Angola offers a critical analysis of Arnott s writing about her experiences in Africa including interactions with local Umbundu Christians and about her journey home to the U S when she spent time promoting the mission movement before marrying and settling in California *God's Empire* Hilary M.

Carey,2011-01-06 In *God s Empire* Hilary M Carey charts Britain s nineteenth century transformation from Protestant nation to free Christian empire through the history of the colonial missionary movement This wide ranging reassessment of the religious character of the second British empire provides a clear account of the promotional strategies of the major churches and church parties which worked to plant settler Christianity in British domains Based on extensive use of original archival and rare published sources the author explores major debates such as the relationship between religion and colonization church state relations Irish Catholics in the empire the impact of the Scottish Disruption on colonial Presbyterianism competition between Evangelicals and other Anglicans in the colonies and between British and American strands of Methodism in British North America Gender and Conversion Narratives in the Nineteenth Century Kirsten

Rüther,Angelika Schaser,2016-03-03 Addressing an important social and political issue which is still much debated today this volume explores the connections between religious conversions and gendered identity against the backdrop of a world undergoing significant social transformations Adopting a collaborative approach to their research the authors explore the connections and differences in conversion experiences tracing the local and regional rootedness of individual conversions as reflected in conversion narratives in three different locations Germany and German missions in South Africa and colonial Australia at a time of massive social changes in the 1860s Beginning with the representation of religious experiences in so called conversion narratives the authors explore the social embeddedness of religious conversions and inquire how people related to their social surroundings and in particular to gender order and gender practices before during and after their conversion With a concluding reflective essay on comparative methods of history writing and transnational perspectives on conversion this book offers a fresh perspective on historical debates about religious change gender and social relations

**In Good Faith?** Jessie Mitchell,2011-01-01 In the early decades of the 19th century Indigenous Australians suffered devastating losses at the hands of British colonists who largely ignored their sovereignty and even their humanity At the same time however a new wave of Christian humanitarians were arriving in the colonies troubled by Aboriginal suffering and arguing that colonists had **German Religious Women in Late Ottoman Beirut** Julia Hauser,2015-04-14 In *German Religious Women in Late Ottoman Beirut* Competing Missions Julia Hauser offers a critical analysis of the German Protestant Kaiserswerth deaconesses orphanage and boarding school for girls in late Ottoman Beirut as situated within the larger field of educational development in the city Drawing among other sources on the deaconesses largely unpublished letters home

her study illuminates that the only way missionary organizations like the deaconesses could succeed was by entering into negotiations with their local environment adapting their agenda in the process Mission therefore was shaped not merely at home but by conflictual negotiations on the periphery a perspective quite different from the top down isolationist perspective of earlier research on missions

**Beyond Missio Dei** Sarosh Koshy, 2021-11-24 In this book Sarosh Koshy strives to go beyond the mission model of Christianity that emerged alongside and within the colonial enterprise and ethos since the sixteenth century Rather than denounce the inheritance of the mission movement that transformed both the church and world in innumerable ways it is a simultaneous expression of appreciation for this precious heritage and an attempt to do justice by it through a yearning quest for relevant paradigms of Christian engagement Indeed there is an intense tension within this book and in fact a twin tension at that The tension is between those seeking to keep the current mission paradigm alive out of habit or as a self serving device thus corrupting and withering away a bequeathal that essentially set free the voluntary independent spirit of Christian individuals and their intentional collectives from both the ecclesiastical and political authorities On the other side are those who enlist mission both as a subsequent activity and as a basis to pursue innocuous and at times apparently heroic options that would seemingly satisfy a supposed missional mandatory This work enlists postcolonial and poststructuralist resources pedagogically to teach of mission missiology World Christianity and intercultural theology

*The great diversity* Camilla Brautaset, Christopher M. Dent, 2023-09-04 This book brings together scholars from the universities of Bergen and Leeds who explore how we may understand different trajectories of development in Asia arguably the most dynamic and certainly the most diverse part of our world It asserts that there is no one singular truth on understanding development or universal model on prescribing future paths of development Evidence from Asia reminds us that the importance of locality in shaping development has not diminished despite deepening globalisation in the modern era Furthermore by accepting the prevalence of diversity we are able to learn certain lessons of development from each other both within and across scholarly disciplines The book explores how the concept of development is itself highly contested and there exist multiple narratives and discourses on the subject as demonstrated in this book This book does not seek to define development or prescribe a particular method of understanding it in an Asian context Rather it presents a number of works that in their own way touch on the subject of development and it lays bare the inherent diversity of development as an idea practice and experience It is up to the reader to reflect on how the evidence and arguments presented in each chapter resonates or not on their own understanding of development

*Hindu-Christian Dual Belonging* Daniel J. Soars, Nadya Pohran, 2022-03-03 This book focuses on dual belonging within Hindu Christian contexts Written by experts in a variety of fields the chapters explore the theological philosophical and cultural anthropological debates relating to religious pluralism religious language and social identity while addressing the fact that both Hindu and Christian forms of self understandings have been significantly moulded through their interactions in South Asia and across certain Euro American horizons The

limits of the definition of dual belonging are tested via case studies and contributors address the question of whether there is anything distinctive about dual belonging across Christianity and Hinduism specifically A timely contribution to the emerging subject of dual religious belonging this book will be of interest to academics in the fields of Hindu studies and Christian theology Hindu Christian comparative theology religious pluralism interreligious relations the sociology and anthropology of religion and comparative theology and philosophy

*The Rise and Fall of British Crusader Medievalism, c.1825-1945* Mike Horswell, 2018-01-29 This book investigates the uses of crusader medievalism the memory of the crusades and crusading rhetoric and imagery in Britain from Walter Scott's *The Talisman* 1825 to the end of the Second World War It seeks to understand why and when the crusades and crusading were popular how they fitted with other cultural trends of the Victorian and Edwardian eras how their use was affected by the turmoil of the First World War and whether they were differently employed in the interwar years and in the 1939-45 conflict Building on existing studies and contributing the fruits of fresh research it brings together examples of the uses of the crusades from disparate contexts and integrates them into the story of the rise and fall crusader medievalism in Britain

**Religion in Global Health and Development** Benjamin Bronnert Walker, 2022-04-20 The COVID 19 pandemic has made evident that the field of global health its practices norms and failures has the power to shape the lives of billions Global health perspectives on the role of religion however are strikingly limited Uncovering the points where religion and global health have connected across the twentieth century focusing on Ghana provides an opportunity to challenge narrow approaches In *Religion in Global Health and Development* Benjamin Walker shows that the religious features of colonial state architecture were still operating by the turn of the twenty first century Walker surveys the establishment of colonial development projects in the twentieth century with a focus on the period between 1940 and 1990 Crossing the colonial postcolonial divide analyzing local contexts in conjunction with the many layers of international organizations and identifying surprisingly neglected streams of personnel and funding particularly from Dutch and West German Catholics this in depth history offers new ways of conceptualizing global health Patchworks of international humanitarian intervention fragmented government services local communities and the actions of many foreign powers combined to create health services and the state in Ghana *Religion in Global Health and Development* shows that religion and religious actors were critical to this process socially culturally and politically

Proselytization Revisited Rosalind I. J. Hackett, 2014-12-05 The act of converting people to certain beliefs or values is highly controversial in today's postcolonial multicultural world Proselytization has been viewed by some as an aggressive act of political domination *Proselytization Revisited* offers a comprehensive overview of the many arguments for and against proselytization in different regions and contexts Proselytization is examined in the context of rights talk globalisation and culture wars The volume brings together essays demonstrating the global significance of proselytization ranging from Christians in India to Turkish Islamic Movements and the Wiccan use of modern media technologies The cross cultural and multidisciplinary nature of this

collection of essays provides a fresh perspective and the book will be of value to readers interested in the dynamic interaction of beliefs ideas and cultures World Christianity ,2020-12-15 World Christianity publications proliferate but the issue of methodology has received little attention World Christianity Methodological Considerations addresses this lacuna and explores the methodological ramifications of the World Christianity turn In twelve chapters scholars from various academic backgrounds anthropology religious studies history missiology intercultural studies theology and patristics as well as of multiple cultural and national belongings investigate methodological issues e g methods use of sources choosing a unit of analysis terminology conceptual categories relevant to World Christianity debates In a closing chapter the editors Frederiks and Nagy converge the findings and sketch the outlines of what they coin as a World Christianity approach a multidisciplinary and multiple perspective approach to study Christianity ies plurality and diversity in past and present
