## **Mobilization For Evangelism:**

*Mobilization for Evangelism* Mitch Medina, 1995      Transmitting the Spirit in Missions Amos Jimmy Markin, 2019-02-05

*Transmitting the Spirit in Missions* The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity

Kenny Chinn Senior Pastor Northside Church Wilmington NC I have had the privilege of being Kevin and Jan s pastor since 2005 I have journeyed with them from the beginning of their call to missions to today I watched their struggle of coming to terms with what God was asking them to do and the progression from Kevin s initial acceptance and Jan s reluctance to their final acceptance as a couple Through it all they have grown sacrificed learned surrendered and leaped by faith into the arms of God for their future When considering a book of this nature would you rather learn from an academic perspective or from someone who has skin in the game What Kevin has written in these pages is not speculation but rather experience The book is practical easy to read and filled with effective advice for the person who seeks to do more for the Lord I certainly recommend the book but more than that I recommend those who have lived out its pages in real life Don t miss out on the wisdom available to you in these pages It did not take a pen to write them it took a lifetime
