The Power Of Covenant Prayer Francis Frangipane,2013-01-23 What is the difference between prayer and covenant prayer A covenant with God takes you further into your goal of Christlikeness When you make this commitment to consistently communicate with the

Father above in prayer you will begin to see the power of God's grace actively at work in your life and in the lives of those around you. Through this awesome power of covenant prayer, God creates within you a life that He can use extraordinarily in the process of divine redemption. It's time for you to make this covenant with God as you mature from being simply a believer in prayer to becoming a living sacrifice full of the power of covenant prayer.

Mobilizing Woman-Power Harriot Stanton Blatch, 2019-12-09 In *Mobilizing Woman Power*, Harriot Stanton Blatch intricately weaves together a compelling narrative that explores the intersection of women's suffrage, social activism, and the mobilization of female energy during a pivotal moment in American history. Written with a passionate prose style that resonates with the fervor of early 20th-century reform movements, Blatch's work reflects the broader literary context of the time where voices advocating for gender equality were gaining prominence. Through a blend of personal anecdotes, historical accounts, and calls to action, the book serves as both a chronicle and a manifesto for women's activism, emphasizing the critical role women played in advocating for rights and social justice. Harriot Stanton Blatch, a prominent suffragist and daughter of Elizabeth Cady Stanton, was deeply influenced by her familial legacy of activism and reform. Her own experiences in organizing women for political action, as well as her education in England, shaped her perspective on the necessity of women's involvement in public life. Blatch's passionate commitment to the suffrage movement and her understanding of the barriers women faced provide a robust foundation for her arguments, making the book not merely a historical account but a significant contribution to feminist literature. I highly recommend *Mobilizing Woman Power* to anyone interested in understanding the rich history of women's rights in the United States. Blatch's insightful observations and earnest advocacy challenge readers to reflect on the ongoing struggle for gender equality, making this book a timeless resource for both scholars and activists alike.

God's Weapons of War Dr. Bill Hamon, 2018-10-02 For years we have learned principles of individual spiritual warfare. Yet as the end times are upon us, the forces of darkness are intensifying their attacks around the world. For this next season, says renowned prophetic leader Dr. Bill Hamon, we as the church must up the ante and learn to fight on a higher level than we ever have in corporate spiritual warfare. With wisdom, urgency, and keen prophetic insight, Hamon lays the biblical foundation for this final level of warfare and shows how we as the church can prepare to work in unity to become the army of the Lord. He lays out the weapons available to us in this new battle front and reveals a plan for destroying the works of the devil and advancing God's kingdom on earth. Now is the time to rise up, fight back together, and secure the ultimate victory in Christ.
