Patrick O'Brian:

Patrick O'Brian A. E. Cunningham, 1994 *Patrick O'Brian Box Set* Patrick O'Brian, 2003-10-15 Patrick O'Brian Dean King, 2012-03-20 DIVA revealing and insightful look at one of the modern world's most acclaimed historical novelists div
DIV Patrick O'Brian was well into his seventies when the world fell in love with his greatest creation the maritime adventures of Royal Navy Captain Jack Aubrey and ship's surgeon Stephen Maturin But despite his fame little detail was available about the life of the reclusive author whose mysterious past King uncovers in this groundbreaking biography divDIV divDIV King traces O'Brian's personal history beginning as a London born Protestant named Richard Patrick Russ to his tortured relationship with his first wife and child to his emergence from World War II with the entirely new identity under which he would publish twenty volumes in the Aubrey Maturin series What King unearths is a life no less thrilling than the seafaring world of O'Brian's imagination div Master and Commander Patrick O'Brian, 1990-08-17 The beginning of the sweeping Aubrey Maturin series The best sea story I have ever read Sir Francis Chichester This the first in the splendid series of Jack Aubrey novels establishes the friendship between Captain Aubrey R N and Stephen Maturin ship's surgeon and intelligence agent against a thrilling backdrop of the Napoleonic wars Details of a life aboard a man of war in Nelson's navy are faultlessly rendered the conversational idiom of the officers in the ward room and the men on the lower deck the food the floggings the mysteries of the wind and the rigging and the roar of broadsides as the great ships close in battle **H.M.S. Surprise** Patrick O'Brian, 1996 Patrick O'Brian's Aubrey Maturin tales are widely acknowledged to be the greatest series of historical novels ever written H M S Surprise follows the variable fortunes of Captain Jack Aubrey's career in Nelson's navy as he attempts to hold his ground against admirals colleagues and the enemy accepting a mission to convey a British ambassador to the East Indies The voyage takes him and his friend Stephen Maturin to the strange sights and smells of the Indian sub continent and through the archipelago of spice islands where the French have a near overwhelming superiority Rarely has a novel managed to convey more vividly the fragility of a sailing ship in a wild sea Rarely has a historical novelist combined action and lyricism of style in the way that O'Brian does His superb sense of place brilliant characterisation and a vigour and joy of writing lift O'Brian above any but the most exalted of comparisons *Patrick O'Brian's Navy* Richard O'Neill, 2003 From the moment that Master and Commander the first of O'Brian's 20 novels about the 19th century British Royal Navy was published critics hailed his work as a masterpiece This first full color illustrated companion to the series is timed to benefit from the release of the Twentieth Century Fox film adaptation starring Russell Crowe **The Mauritius Command (Aubrey-Maturin, Book 4)** Patrick O'Brian, 2011-12-19 Can Captain Jack Aubrey and his crew defy the odds and outmanoeuvre the French to take two small but vital islands in the Indian Ocean **The World of Patrick O'Brian** Patrick O'Brian, 1998-01-01 You will meet nothing like O'Brian in all literature and the sooner you make his acquaintance the better for all of us He is one of the very few writers ever who not only entertain us vastly but alter us morally Chicago Sun Times

Patrick O'Brian Nikolai Tolstoy, 2005 Tolstoy accumulated a vast collection of his stepfather's papers correspondence and notebooks many of which are reproduced here to present a complex portrait of the man considered by many to be the greatest British novelist of the 20th century Patrick O'Brian: a Very Private Life Nikolai Tolstoy, 2019-10-21 An intimate portrait of the reclusive and brilliant author written by his step son Nikolai Tolstoy The English novelist Patrick O Brian is much admired for his best selling Aubrey Maturin series of sea novels the unexpected success of the series secured his place in literary history Far less is known about O Brian's personal life largely because he preferred to keep it that way In *A Very Private Life* O Brian's step son Nikolai Tolstoy draws upon his step father's archives and papers to faithfully capture a life dedicated to the written word This biography covers the latter part of O Brian's life from the moment of his arrival at Collioure in the south of France in 1949 where he wrote all his major works to his death in 2000 Throughout his career O Brian's writing was supplemented by his translation work which saw him translate the likes of Simone de Beauvoir and Henri Charriere Tolstoy also captures O Brian as he conducted research for the biography of his close friend and neighbour Pablo Picasso Tolstoy maps his step father's literary career from its poverty stricken beginnings to the remarkable success O Brian enjoyed later in life He notes how through a cruel irony of fate just as his step father's literary career attained greater acclaim O Brian's pleasure in his achievement began to diminish This truthful warm and insightful biography is a testimony to Tolstoy's respect and admiration for his step father one of Britain's most loved literary figures **Testimonies:** **A Novel** Patrick O'Brian, 1952 Having given up his Oxford teaching position to live in a secluded Welsh valley Joseph Pugh finds himself falling in love with the young wife of a neighboring farmer and she eventually returns his love Picasso: A Biography Patrick O'Brian, 1994-03-17 The best biography of Picasso Kenneth Clark Patrick O Brian's outstanding biography of Picasso is here available in paperback for the first time It is the most comprehensive yet written and the only biography fully to appreciate the distinctly Mediterranean origins of Picasso's character and art Everything about Picasso except his physical stature was on an enormous scale No painter of the first rank has been so awe inspiringly productive No painter of any rank has made so much money A few painters have rivaled his life span of ninety years but none has attracted so avid so insatiable a public interest Patrick O Brian knew Picasso sufficiently well to have a strong sense of his personality The man that emerges from this scholarly passionate and brilliantly written biography is one of many contradictions hard and tender mean and generous affectionate and cold private despite the relish of his fame In his later years he professed communism yet in O Brian's view retained to the end of his life a residual Catholic outlook Not that such matters were allowed to interfere with his vigorous sensuality Sex and money eating and drinking friends and quarrels comedies and tragedies suicides and wars tumble one another in the vast chaos of his experience he was a man almost as lonely as the sun but one who glowed with much the same fierce burning life It is with that impression of its subject that this book leaves its readers Patrick O'Brian Dean King, 2004-02-01 Published on the first anniversary of his death this meticulously researched biography delves

into the secrecy and confusion surrounding Patrick O Brian author of the Aubrey Maturin series of novels O Brian devotees should rejoice in this account of his life written with appreciative balance rich with literary insight Los Angeles Times 16 page photo insert *The O'Brian Family* American Baptist Publication Society,1855 *Post Captain (Vol. Book 2)* (Aubrey/Maturin Novels) Patrick O'Brian,1990-08-17 If Jane Austen had written rousing sea yarns she would have produced something very close to the prose of Patrick O Brian Time It s 1802 The Treaty of Amiens has brought an end to the hostilities between Great Britain and France Captain Jack Aubrey and his friend naval surgeon Stephen Maturin are enjoying the respite in the English countryside besotted with two beautiful cousins Sophie Williams and Diana Villiers until Aubrey loses his fortune and they flee to France to escape his creditors While in France Napoleon smashes the Peace of Amiens and war begins anew Aubrey and Maturin now finding themselves behind enemy lines make their way back to England Maturin is sent to Spain on an intelligence gathering mission and the now solvent Aubrey assumes command of a strange warship pursuing his quarry straight into the mouth of a French held harbor Amidst the rollicking adventures at sea and mishaps on land Aubrey and Maturin s friendship is tested by their romantic entanglements with the cousins in this brilliant second installment of the epic series
