

Perspectives On Democratic Consolidation In Central And Eastern Europe

Jan Holzer, Miroslav Mareš

Perspectives On Democratic Consolidation In Central And Eastern Europe:

Perspectives on Democratic Consolidation in Central and Eastern Europe Dirk Berg-Schlosser, Raivo Vetik, 2001
This volume consists of twenty studies on problems related to transition to democracy in central and eastern Europe during the decade following the collapse of communist states The book focuses on preconditions and problems of transitions case studies patterns of performance and consolidation and inter regional comparative aspects The State of Democracy in Central and Eastern Europe Ramona Coman, Luca Tomini, 2017-10-02 The State of Democracy in Central and Eastern Europe brings together scholars specialising in the study of Central and Eastern Europe and provides a comprehensive analysis of some of the major issues in the democratic make up of the EU s new member states The book covers the main dimensions of the state and contributors discuss questions about the development of democracy in Central and Eastern Europe over the past twenty years What is the present state of democracy in Central and Eastern Europe more than twenty years since the end of communist regimes What is the actual functioning of the political institutions of these countries How is political participation structured and what role do political parties play in these democracies What guarantees are provided to limit governmental powers and abuse What is the role of the judicial system and the relationship between justice and politics How can we evaluate the EU s influence regarding democratic consolidation What is the role of the public opinion This book was originally published as a special issue of Europe Asia Studies *Central and Eastern European Media in Comparative Perspective* John Downey, Sabina Mihelj, 2016-04-15 Appearing more than twenty years after the revolutions in Central and Eastern Europe this book could not have come at a more appropriate time a time to take stock not only of the changes but also the continuities in media systems of the region since 1989 To what extent are media institutions still controlled by political forces To what extent are media markets operating in Central and Eastern Europe Do media systems in Central and Eastern Europe resemble media systems in other parts of Europe The answers to these questions are not the same for each country in the region Their experience is not homogeneous An international line up of distinguished experts and emerging scholars methodically examine the different economic political cultural and transnational factors affecting developments in media systems across Central and Eastern Europe Whereas earlier works in the media system tradition have in the main adopted the political framework of comparative politics the authors argue that media systems are also cultural and economic institutions and there are other critical variables that might explain certain outcomes better Topics discussed range from political economy to gender inequality to the study of ethno cultural diversity This unmatched volume gives you the unique opportunity to study the growing field of comparative media analysis across Eastern and Western Europe A valuable resource that goes beyond the field of media and cultural analysis which media scholars as well as to area specialists should not go without **Challenges to Democracies in East Central Europe** Jan Holzer, Miroslav Mareš, 2016-05-12 Democratic development in Central and Eastern Europe is not a finished project nor is its progress immune to internal and external

threats The current social economic ethnic and political situation within the region presents new dangers This text identifies and analyses challenges to current East Central European democracies in terms of potential deconsolidation of democracy reflected in the changes in the institutional and procedural framework polity and in the choice of instruments and strategies in the policy area Specifically examining the regimes of the Czech Republic Hungary Poland Slovakia and Slovenia these challenges include political extremism and violence corruption ethnic and religious conflicts Presenting original Central European data and utilising the concept of consolidation of democracy from von Beyme and Merkel s concept the book demonstrates that these challenges are as much influenced by imported phenomena such as immigration organized crime and other potential systemic undemocratic volatilities as the domestic situation This text will be of key interest to scholars and students East European politics post Soviet politics EU Studies security and strategic studies international relations area studies modern history and sociology

Transnationalism in the Balkans Denisa Kostovicova,Vesna Bojicic-Dzelilovic,2013-10-18 After a decade of exclusive nationalism violence and isolation of the 1990s the Balkans has seen the emergence of transnational links between the former ethnic foes Do these new cross border links herald the era of inter ethnic reconciliation in place of the politics of ethnic exclusion Are they a proof of a successful transition from authoritarianism and war to democracy and peace Drawing on substantial empirical research by regional specialists Transnationalism in the Balkans provides a sobering insight into the nature of cross border links in the region and their implications Several of the authors show how transnational connections in the context of weak states and new borders in the region have been used by transnational actors be it in the politics economics and culture to undermine a democratic consolidation and keep the practice of exclusive ethnic politics and identities alive These findings make a strong case to go beyond the region and put forth a critical argument for rethinking the theories of transition to democracy in the post Communist and post conflict setting to incorporate a dimension of globalisation This book was previously published as a special issue of Ethnopolitics

Political Parties in Post-Communist Eastern Europe Paul Lewis,2002-01-04 Political Parties in Post Communist Eastern Europe is the first textbook to survey the course of party developments in eastern Europe as a whole in the post Communist period This book relates the specifics of the post communist situation to the broader picture of the early stages of party development in western Europe and also to contemporary models of party organisation in established democracies The book includes a brief historical introduction to the context of post communist change the process of competitive party formation and democratic elections the development of independent parties their ideologies and electoral volatility the structure and level of organisation developed by new parties an analysis of stable party systems which have emerged in eastern Europe and the contribution they make to emerging democracies in the region Party Politics in Post Communist Eastern Europe will be a comprehensive and invaluable resource accessible to undergraduates of politics and European studies as well as the non specialist reader

Elections, Parties and Representation in Post-Communist Europe F.

Millard,2016-01-08 Elections Parties and Representation in Post Communist Europe 1990 2002 stresses the ways in which the development of political parties affected the quality of democracy the nature of political representation and political accountability in the early stages of post communist politics It also analyzes the nature and consequences of the corpus of parliamentary candidates and deputies for the representation of social classes women and minorities In contrast with the wide social profile of communist parliaments politics largely became the playground of new highly educated male elites

Central and East European Politics Sharon L. Wolchik,Jane Leftwich Curry,2014-12-24 Now in a fully updated edition this essential text explores the post communist half of Europe and the problems and potential it brings to the world stage Clear and comprehensive the book offers an authoritative and current analysis of the region s transformations and realities from pre communist history to the victories and reversals in Central and Eastern Europe the Baltics and Ukraine including the Euromaidan and its domestic and international ramifications Divided into two parts the book presents a set of comparative country case studies as well as thematic chapters on key issues including EU and NATO expansion the economic transition and its social ramifications the role of women persistent problems of ethnicity and nationalism legacies of the past and political reform Leading scholars provide the crucial historical context necessary to evaluate the challenges facing the region They explain how communism ended and how democratic politics has developed or is struggling to emerge in its wake how individual countries have transformed their economies how their populations have been affected by rapid and wrenching change and how foreign policy making has evolved They explore the reversals and conflicts that have emerged even in the most successful transitions and their relevance to our understanding of political transitions and democratic consolidation in general For students and specialists alike this book will be an invaluable resource on the politics and economics of Central and Eastern Europe caught between the EU and a resurgent Russia

Rethinking 'Democratic Backsliding' in Central and Eastern Europe Licia Cianetti,James Dawson,Seán Hanley,2020-06-29 This book seeks to inject fresh thinking into the debate on democratic deterioration in Central and Eastern Europe CEE viewing democratic backsliding through the prism of a range of cases beyond Hungary and Poland to redress the imbalance in current scholarship Over the past decade a consensus has emerged that democracy in CEE is sharply deteriorating perhaps even backsliding into new forms of authoritarianism Debate has however so far focused disproportionately on the two most dramatic and surprising cases Hungary and Poland This book reflects on the backsliding debate through the experience of CEE countries such as the Czech Republic Bulgaria Latvia and Estonia as well as neighbouring post communist regions such as the Western Balkans and former Soviet Union cases such as Moldova and Ukraine whose patterns of failing or partial democratisation may be newly instructive for analysing the development of CEE Contributors present less frequently considered perspectives on democratic backsliding in the CEE region such as the role of oligarchisation and wealth concentration the potential of ethnographical approaches to democracy evaluation the trade offs between democratic quality and democratic stability and the long term

interplay between social movements state building and democratisation This book was originally published as a special issue of East European Politics **Democratizing Central and Eastern Europe** Luca Tomini,2015-05-22 At first it was believed that accession to the EU would have a positive effect on the process of democratization in former communist countries However over time it became clear that difficulties with the democratic system endured in a number of these countries This book reconsiders the results of the process of democratization in Central and Eastern Europe and evaluates the nature and effectiveness of the Europeanization process It comparatively explores the process of democratic consolidation and accession to the European Union in Poland Slovakia and Bulgaria Using these case studies the book assesses the impact of the EU on the accountability and integrity of governments in this part of Europe This text will be of key interest to scholars and students of democratization studies European studies EU studies transition studies area studies and international relations

Central and Eastern Europe in the EU Christian Schweiger,Anna Visvizi,2018-05-15 Since the onset of the global financial crisis in 2008 the EU has been in almost permanent crisis mode It is witnessing new dimensions of internal differentiation among its member states and the migration crisis has shown that the Central and Eastern European countries CEEs in particular are slowly but certainly transforming themselves from predominantly passive policy takers towards becoming more active players in the process of shaping the EU s governance agenda This edited volume offers the first comprehensive and critical insight into how the CEEs position themselves in the EU s changing internal and external environment their stance towards the European integration process under current crisis conditions and what political and economic strategies they prioritize Federalism and Decentralisation in Eastern Europe Miodrag Jovanović,Slobodan Samardžić,2007 **Racist Extremism in Central & Eastern Europe** Cas Mudde,2005-10-09 This handbook on racist extremism in Central and Eastern Europe is the result of a unique collaborative research project of experts from the ten new and future post communist EU member states All chapters are written to a common framework making it easier to compare individual countries and include sections on racist extremist organizations political parties organizations and subcultures the domestic and international legal framework members and types of racist extremist incidents state and civic responses to the threat Mudde s conclusion examines the region as a whole and compares it with Western Europe The State of Democracy in Central and Eastern Europe Ramona Coman,Luca Tomini,2017-10-02 The State of Democracy in Central and Eastern Europe brings together scholars specialising in the study of Central and Eastern Europe and provides a comprehensive analysis of some of the major issues in the democratic make up of the EU s new member states The book covers the main dimensions of the state and contributors discuss questions about the development of democracy in Central and Eastern Europe over the past twenty years What is the present state of democracy in Central and Eastern Europe more than twenty years since the end of communist regimes What is the actual functioning of the political institutions of these countries How is political participation structured and what role do political parties play in these democracies What guarantees are provided

to limit governmental powers and abuse What is the role of the judicial system and the relationship between justice and politics How can we evaluate the EU s influence regarding democratic consolidation What is the role of the public opinion This book was originally published as a special issue of Europe Asia Studies **Multiple Democracies in Europe** Paul Blokker,2009-12-04 This book provides an in depth discussion and analysis of democracy in Europe with a focus on the new EU member states and makes an important and original contribution to the debate on the future of European democracy Author Paul Blokker seeks to provide a critical reconceptualization of the notion of democratic political culture by developing a multiple democracies theoretical approach He draws on debates in democratization theory and normative political theory and presents a cultural sociological approach for the analysis of democratization and democratic regimes This approach emphasizes the historical and cultural embedment of democracy identifies a potential variety of ethics of democracy that underpin democratic political cultures and points to the significance of democratic imagination in the interpretation and recombination of such ethics The book explores the relevance of this approach by analysing multiple political cultures and their role in the emergence of democratic regimes in three new member states Hungary Poland and Romania providing a detailed description and analysis of political cultures by means of the analysis of constitutional politics constitutional texts and political elite discourses and the identification of distinct politico cultural elements that distinguish these societies from each other It will be of interest to students and scholars of democracy European studies post communist studies political theory and comparative politics **Post-Communist and Post-Soviet Parliaments** Philip Norton,David M. Olson,2013-09-13 The sudden collapse of communism stimulated both the rapid emergence of fledgling democracies and scholarly attention to the post communist transition These newly democratized parliaments have been described as parliaments in adolescence This book identifies six parliaments which exemplify the wide range of developments in the new post communist political systems from the stable consolidated democracies to the less stable and more authoritarian states within which their respective parliaments function Finally the post communist parliaments are compared with the presumptively more established west European parliaments This book bridges the usual gap in research between the post communist parliaments and more normal democratic parliaments to develop a common legislative research perspective on both new and established parliaments This book was previously published as a special issue of the Journal of Legislative Studies *Democracy in Turkey* Ali Resul Usul,2010-09-13 This book examines the impact of European political conditionality on the process of democratization in Turkey over a twenty year period Employing theoretical and conceptual approaches to the issue of EU conditionality the author compares the case of Turkey to that of other European nations Arguing that Turkey became vulnerable to the European conditionality when it applied for membership in 1987 he shows how the political reforms demanded of Turkey were not fully carried out as the EU had not in essence accepted Turkey as an official candidate during this period The EU has started to exert real active leverage since Turkey was declared an official

candidate in 1999 and the author explores how these conditions have exerted a positive influence on democratic consolidation in Turkey. However, its effectiveness in this regard has diminished to a significant extent due to a number of problems that have continued to remain central in EU-Turkey relations. This comprehensive analysis of Turkey-EU political relations and democratization places the case of Turkey within an international context. As such, it will be of interest not only to those studying Turkish politics, government, and democracy, but anyone working in the area of international relations and the EU.

Mass Politics and Culture in Democratizing Korea To-ch'öl Sin, 1999-05-13 This pioneering book offers a dynamic and global account of Korea's place in the current third wave of democratization. Drawing on a unique sample of six national surveys conducted in Korea since 1988 and richly comparative, the book carefully examines the evolution, contours, and consequences of Korean democratization from the perspective of Korean people themselves and their experiences throughout the entire course of democratic change. Notably, the book characterizes and distinguishes Korea as a non-Western and Confucian model of democratization.

Encyclopedia of Social Theory Austin Harrington, Barbara L. Marshall, Hans-Peter Müller, 2006 The Encyclopedia of Social Theory contains over 500 entries, varying from concise definitions of key terms and short biographies of key theorists to comprehensive surveys of leading concepts, debates, themes, and schools. The object of the Encyclopedia has been to give thorough coverage of the central topics in theoretical sociology, as well as terms and concepts in the methodology and philosophy of social science. Although 106 theorists are given entries, the emphasis of the work is on the elucidation of ideas rather than intellectual biography. The Encyclopedia covers the leading contemporary domains of debate on social theory and the classical legacies of social thinkers from the nineteenth and early twentieth centuries, giving proper balance to both the European and North American traditions and to important new developments in the global self-understanding of sociology. Social theory has become one of the most vigorous specialisms of sociology in recent years. This is in part due to the considerable overlaps of social theory with other disciplinary areas such as cultural and media studies, anthropology, and political theory, and to the cross-disciplinary nature of theoretical approaches such as feminism and psychoanalysis, and new fields such as postcolonial studies. The editors have therefore worked to produce in the Encyclopedia of Social Theory a first-call reference for students and researchers across the social sciences and humanities, with an interest in contemporary theory and the modern history of ideas. The Encyclopedia has been authored by leading international specialists in the field, under the direction of a well-balanced editorial team. It is comprehensively cross-referenced, and all larger entries carry bibliographies. There is a full index.

The Politics of Contemporary Spain Sebastian Balfour, 2005-07-08 While Spain is now a well-established democracy, closely integrated into the European Union, it has suffered from a number of severe internal problems, such as corruption, discord between state and regional nationalism, and separatist terrorism. The Politics of Contemporary Spain charts the trajectory of Spanish politics from the transition to democracy through to the present day, including the aftermath of the Madrid bombings of March 2004 and the elections that

followed three days later It offers new insights on the main political parties and the political system on the monarchy corruption terrorism regional and conservative nationalism and on Spain s policies in the Mediterranean and the EU It challenges many existing assumptions about politics in Spain reaching beyond systems and practices to look at identities political cultures and mentalities It brings to bear on the analysis the latest empirical data and theoretical perspectives

Perspectives On Democratic Consolidation In Central And Eastern Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Perspectives On Democratic Consolidation In Central And Eastern Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Perspectives On Democratic Consolidation In Central And Eastern Europe has opened up a world of possibilities. Downloading Perspectives On Democratic Consolidation In Central And Eastern Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Perspectives On Democratic Consolidation In Central And Eastern Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Perspectives On Democratic Consolidation In Central And Eastern Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Perspectives On Democratic

Consolidation In Central And Eastern Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Perspectives On Democratic Consolidation In Central And Eastern Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Perspectives On Democratic Consolidation In Central And Eastern Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Perspectives On Democratic Consolidation In Central And Eastern Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.
