Pursuit Of Happiness Family And Values In Jeffersons Virginia

Jan Lewis

Pursuit Of Happiness Family And Values In Jeffersons Virginia:

The Pursuit of Happiness Jan Lewis, 1983 This is an unusual and challenging study of the inner world of the Virginia gentry during Jefferson's lifetime. It argues that in the years after the Revolution the gentry turned away from public life into the privacy of their homes and families. A new sentimental religion agreed that the world was filled with woe and advised detachment from it in preparation for a better one to come. Notions of success likewise offered little cheer as men and women reluctantly accepted the individualistic proposition that their destinies were in their own hands. Neither religion nor success assured earthly happiness. Instead, Virginians sought their salvation in love. There, in the family and in feeling, men and women broke through the eighteenth century's emotional restraint to pursue but not always to find the happiness they believed awaited them.

Jefferson's Secrets Andrew Burstein, 2006-03-21 Thomas Jefferson died on July 4, 1826, leaving behind a series of mysteries that captured the imaginations of historical investigators, an interest rekindled by the recent revelation that he fathered a child by Sally Hemmings, a woman he legally owned. Yet there is still surprisingly little known about him as a man. In *Jefferson's Secrets*, Andrew Burstein focuses on Jefferson's last days to create an emotionally powerful portrait of the uncensored private citizen who was also a giant of a man. Drawing on sources previous biographers have glossed over or missed entirely, Burstein uncovers first and foremost how Jefferson confronted his own mortality and in doing so he reveals how he viewed his sexual choices. Delving into Jefferson's soul, Burstein lays bare the president's thoughts about his own legacy, his predictions for American democracy, and his feelings regarding women and religion. The result is a moving and surprising work of history that sets a new standard post-DNA for the next generation's reassessment of the most evocative and provocative of this country's founders.

Jefferson and Monticello Jack McLaughlin, 2011-04-01 A National Book Award nominee in 1988, Jack McLaughlin's biography tells the life of Thomas Jefferson as seen through the prism of his love affair with Monticello. For over half a century it was his consuming passion, his most serious amusement. With a sure command of sources and skilled intuitive understanding of Jefferson, McLaughlin crafts an uncommon portrait of builder and building alike. En route, he tells us much about life in Virginia, about Monticello's craftsmen and how they worked their materials, about slavery, class, and family, and above all about the multiplicity of domestic concerns that preoccupied this complex man. It is an engaging and incisive look at the eighteenth-century mind, systematic, rational, and curious but also playful, comfort-loving, and amusing. Ultimately, it provides readers with great insight into daily life in Colonial and Federal America.

Jefferson's Daughters Catherine Kerrison, 2019-01-29 The remarkable untold story of Thomas Jefferson's three daughters: two white and free, one black and enslaved, and the divergent paths they forged in a newly independent America. FINALIST FOR THE GEORGE WASHINGTON PRIZE. Beautifully written. To a nuanced study of Jefferson's two white daughters, Martha and Maria, Kerrison innovatively adds a discussion of his only enslaved daughter, Harriet Hemings. The New York Times Book Review: Thomas Jefferson had three daughters: Martha and Maria by his wife Martha Wayles Jefferson, and Harriet by his slave Sally

Hemings Although the three women shared a father the similarities end there Martha and Maria received a fine convent school education while they lived with their father during his diplomatic posting in Paris Once they returned home however the sisters found their options limited by the laws and customs of early America Harriet Hemings followed a different path She escaped slavery apparently with the assistance of Jefferson himself Leaving Monticello behind she boarded a coach and set off for a decidedly uncertain future For this groundbreaking triple biography history scholar Catherine Kerrison has uncovered never before published documents written by the Jefferson sisters as well as letters written by members of the Jefferson and Hemings families The richly interwoven stories of these strong women and their fight to shape their own destinies shed new light on issues of race and gender that are still relevant today and on the legacy of one of our most controversial Founding Fathers Praise for Jefferson's Daughters A fascinating glimpse of where we have been as a nation Catherine Kerrison tells us the stories of three of Thomas Jefferson's children who due to their gender and race lived lives whose most intimate details are lost to time USA Today A valuable addition to the history of Revolutionary era America The Boston Globe A thought provoking nonfiction narrative that reads like a novel BookPage Death and the American South Craig Thompson Friend, Lorri Glover, 2015 Death and the American South is an edited collection of twelve never before published essays featuring leading senior scholars as well as influential up and coming historians The contributors use a variety of methodological approaches for their research and explore different parts of the South and varying themes in history *President without a Party* Christopher J. Leahy, 2020-05-06 Historians have long viewed President John Tyler as one of the nation's least effective heads of state In *President without a Party* the first full scale biography of Tyler in more than fifty years and the first new academic study of him in eight decades Christopher J Leahy explores the life of the tenth chief executive of the United States Born in the Virginia Tidewater into an elite family sympathetic to the ideals of the American Revolution Tyler like his father worked as an attorney before entering politics Leahy uses a wealth of primary source materials to chart Tyler's early political path from his election to the Virginia legislature in 1811 through his stints as a congressman and senator to his vice presidential nomination on the Whig ticket for the campaign of 1840 When William Henry Harrison died unexpectedly a mere month after assuming the presidency Tyler became the first vice president to become president because of the death of the incumbent Leahy traces Tyler's ascent to the highest office in the land and unpacks the fraught dynamics between Tyler and his fellow Whigs who ultimately banished the beleaguered president from their ranks and stymied his election bid three years later Leahy also examines the president's personal life especially his relationships with his wives and children In the end Leahy suggests politics fulfilled Tyler the most often to the detriment of his family Such was true even after his presidency when Virginians elected him to the Confederate Congress in 1861 and northerners and Unionists branded him a traitor president The most complete accounting of Tyler's life and career Leahy's biography makes an original contribution to the fields of politics family life and slavery in the antebellum South Moving

beyond the standard often shortsighted studies that describe Tyler as simply a defender of the Old South's dominant ideology of states rights and strict construction of the Constitution Leahy offers a nuanced portrayal of a president who favored a middle of the road bipartisan approach to the nation's problems This strategy did not make Tyler popular with either the Whigs or the opposition Democrats while he was in office or with historians and biographers ever since Moreover his most significant achievement as president the annexation of Texas exacerbated sectional tensions and put the United States on the road to civil war

Thomas Jefferson and American Nationhood Brian Steele, 2012-07-30 This book emphasises the centrality of nationhood to Thomas Jefferson's thought and politics envisioning Jefferson as a cultural nationalist whose political project sought the alignment of the American state system with the will and character of the nation Jefferson believed that America was the one nation on earth able to realise in practice universal ideals to which other peoples could only aspire He appears in the book as the essential narrator of what he once called the American Story as the historian the sociologist and the ethnographer the political theorist of the nation the most successful practitioner of its politics and its most enthusiastic champion The book argues that reorienting Jefferson around the concept of American nationhood recovers an otherwise easily missed coherence to his political career and helps make sense of a number of conundrums in his thought and practice

A Blessed Company John K. Nelson, 2003-01-14 In this book John Nelson reconstructs everyday Anglican religious practice and experience in Virginia from the end of the seventeenth century to the start of the American Revolution Challenging previous characterizations of the colonial Anglican establishment as weak he reveals the fundamental role the church played in the political social and economic as well as the spiritual lives of its parishioners Drawing on extensive research in parish and county records and other primary sources Nelson describes Anglican Virginia's parish system its parsons its rituals of worship and rites of passage and its parishioners varied relationships to the church All colonial Virginians men and women rich and poor young and old planters and merchants servants and slaves dissenters and freethinkers belonged to a parish As such they were subject to its levies its authority over marriage and other social and economic dictates In addition to its religious functions the parish provided essential care for the poor collaborated with the courts to handle civil disputes and exerted its influence over many other aspects of community life **A Blessed Company** demonstrates that by creatively adapting Anglican parish organization and the language forms and modes of Anglican spirituality to the Chesapeake's distinctive environmental and human conditions colonial Virginians sustained a remarkably effective and faithful Anglican church in the Old Dominion

A Companion to the American South John B. Boles, 2004-03-12 *A Companion to the American South* surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women's history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates

future concerns **Domestic Revolutions** Steven Mintz, Susan Kellogg, 1989-04-03 An examination of how the concept of family has been transformed over the last three centuries in the U S from its function as primary social unit to today s still evolving model Based on a wide reading of letters diaries and other contemporary documents Mintz an historian and Kellogg an anthropologist examine the changing definition of family in the United States over the course of the last three centuries beginning with the modified European model of the earliest settlers From there they survey the changes in the families of whites working class immigrants and middle class and blacks slave and free since the Colonial years and identify four deep changes in family structure and ideology the democratic family the companionate family the family of the 1950s and lastly the family of the 80s vulnerable to societal changes but still holding together

Pursuit Of Happiness Family And Values In Jeffersons Virginia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pursuit Of Happiness Family And Values In Jeffersons Virginia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Pursuit Of Happiness Family And Values In Jeffersons Virginia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pursuit Of Happiness Family And Values In Jeffersons Virginia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
