Fighting on the Brink Unzl W. Ent, 1997-06-15 This book chronicles the Pusan Perimeter campaign providing clear insight into occupation in Korea Japan and Okinawa prior to the Korean War With an historical text written by General Unzl Ent Ret a rifle platoon veteran of the Perimeter this book details the strategies tactics and actions of the troops yet includes the personal accounts of hundreds of soldiers and marines who were there This book is the definitive history of the Pusan Perimeter with hundreds of photos maps and an index and is a must for any Korean War history buff *Pusan Perimeter* Edwin P. Hoyt, 1986-04 *The Pusan Perimeter* Edwin P. Hoyt, 1992 When the North Korean People's Army swept across the 38th parallel they cut through South Korean and U S forces like a hot knife through butter until they reached the port city of Pusan There U S forces dug in for a courageous last stand against the enemy and triumphed in the face of overwhelming odds Photographs **The 5th Rct in Korea** Albert J. Mcadoo, 2012-08-18 The 5th RCT in Korea The Pusan Perimeter Battles 1950 documents the combat operations of the US Army's 5th Infantry Regimental Combat Team from its deployment to the frontlines of the Korean War's Pusan Perimeter Campaign The 5th RCT reached Korea at the close of July 1950 just as UN forces were prepared to make their last ditch stand against the Communist invasion of South around the port of Pusan The 5th was immediately engaged in defensive operations near Masan engaging in the battle for Fox Hill through the first week of August Thereafter the RCT participated in the ill fated Task Force Kean counteroffensive culminating in the disastrous action at Bloody Gulch in which the RCT's trains and attached artillery were overrun The 5th RCT was subsequently reorganized and with new leadership conducted a successful defense of positions on Sobuk San Mountain the Battle Mountain from which they repelled the last efforts of the North Koreans to overwhelm the southern portion of the UN Perimeter This work is based on the regimental war diary of the 5th RCT long thought lost by official historians and contributions by veterans of the actions of this period The actions of the 5th RCT demonstrate the successful though difficult and at times bloody transition of a peacetime military unit into one hardened for combat **The Secret Sentry** Matthew M. Korean Battle Chronology Richard E. Ecker,2015-05-07 On June 28 1950 five U S airmen died

when their aircraft were shot down over Korea They became the first U S casualties in a war that started three days earlier when the North Korean People s Army crossed the 38th parallel and invaded the Republic of South Korea The losses of U S military personnel that began with those five airmen would continue for 37 months and would ultimately total 33 985 American fatalities and more than 100 000 other American casualties This is a history of U S involvement in the Korean War as told through those casualties by the dates they occurred their causes their numbers and the units in which they served and through all Medal of Honor citations given in full The work is subdivided into three units The Peninsular War Active Defense and The War of the Hills *A Layman'S View of Seventy Years of America'S Foreign Policy* Ben A.
