Puttin On Ole Massa The Slave Narratives Of Henry Bibb William Wells Brown:

Puttin' on Ole Massa Bibb Henry, Northup Solomon, William Wells, 2022-07-15 In Puttin on Ole Massa the noted historian Gilbert Osofsky has edited the autobiographies of Henry Bibb William Wells Brown and Solomon Northup that tell of their time as slaves before the Civil War His superb introduction is a great help for understanding how these narratives were written Together they help us see how the slavery culture in America continues to affect us all today Puttin' One Ole Massa Gilbert Osofsky, Stolen Childhood Wilma King, 1995 King provides a jarring snapshot of children living in bondage This compellingly written work is a testament to the strength and resilience of the children and their parents Booklist King's deeply researched well written passionate study places children and young adults at center stage in the North American slave experience Choice 16 photos **Understanding 19th-Century Slave Narratives** Sterling Lecater Bland Jr., 2016-06-13 African American slave narratives of the 19th century recorded the grim realities of the antebellum South they also provide the foundation for this compelling and revealing work on African American history and experiences Naturally it is not possible to really know what being a slave during the antebellum period in America was like without living the experience But students CAN get eye opening insight into what it was like through the gripping stories of bravery courage persistence and resiliency in this collection of annotated slave narratives from the period Each of the collected narratives includes an introduction that provides readers with key historical context on the particular life examined Moreover each narrative is accompanied by annotations that broaden the reader's comprehension of that primary document The primary source documents in this volume tell enthralling stories such as how slave woman Ellen Craft utilized her particularly pale complexion to pose as a free white man overseeing his slaves to free herself and her husband and how Henry Brown successfully shipped himself to freedom in a box measuring scarcely 3 feet by 2 feet by 6 inches deep despite being more than 6 feet tall **Puttin'on Ole Massa** Henry Bibb, William Wells Brown, Solomon Northup, 1969 Race and Secularism in America Jonathon S. Kahn, Vincent W. Lloyd, 2016-03-01 This anthology draws bold comparisons between secularist strategies to contain privatize and discipline religion and the treatment of racialized subjects by the American state Specializing in history literature anthropology theology religious studies and political theory contributors expose secularism's prohibitive practices in all facets of American society and suggest opportunities for change Black Litigants in the Antebellum American South Kimberly M. Welch, 2018-01-02 In the antebellum Natchez district in the heart of slave country black people sued white people in all white courtrooms They sued to enforce the terms of their contracts recover unpaid debts recuperate back wages and claim damages for assault They sued in conflicts over property and personal status And they often won Based on new research conducted in courthouse basements and storage sheds in rural Mississippi and Louisiana Kimberly Welch draws on over 1 000 examples of free and enslaved black litigants who used the courts to protect their interests and reconfigure their place in a tense society To understand their success Welch argues that we must

understand the language that they used the language of property in particular to make their claims recognizable and persuasive to others and to link their status as owner to the ideal of a free autonomous citizen In telling their stories Welch reveals a previously unknown world of black legal activity one that is consequential for understanding the long history of race rights and civic inclusion in America

Contact Points Andrew Cayton, Fredrika J. Teute, 2012-12-01 The eleven essays in this volume probe multicultural interactions between Indians Europeans and Africans in eastern North America's frontier zones from the late colonial era to the end of the early republic Focusing on contact points between these groups they construct frontiers as creative arenas that produced new forms of social and political organization Contributors to the volume offer fresh perspectives on a succession of frontier encounters from the era of the Seven Years War in Pennsylvania New York and South Carolina to the Revolutionary period in the Ohio Valley to the Mississippi basin in the early national era Drawing on ethnography cultural and literary criticism border studies gender theory and African American studies they open new ways of looking at intercultural contact in creating American identities Collectively the essays in *Contact Points* challenge ideas of either acculturation or conquest highlighting instead the complexity of various frontiers while demonstrating their formative influence in American history The contributors are Stephen Aron Andrew R L Cayton Gregory E Dowd John Mack Faragher William B Hart Jill Lepore James H Merrell Jane T Merritt Lucy Eldersveld Murphy Elizabeth A Perkins Claudio Saunt and Fredrika J Teute

African American Authors, 1745-1945 Emmanuel S. Nelson, 2000-01-30 There has been a dramatic resurgence of interest in early African American writing Since the accidental rediscovery and republication of Harriet Wilson's *Our Nig* in 1983 the works of dozens of 19th and early 20th century black writers have been recovered and reprinted There is now a significant revival of interest in the Harlem Renaissance of the 1920s and in the last decade alone several major assessments of 18th and 19th century African American literature have been published Early African American literature builds on a strong oral tradition of songs folktales and sermons Slave narratives began to appear during the late 18th and early 19th century and later writers began to engage a variety of themes in diverse genres A central objective of this reference book is to provide a wide ranging introduction to the first 200 years of African American literature Included are alphabetically arranged entries for 78 black writers active between 1745 and 1945 Among these writers are essayists novelists short story writers poets playwrights and autobiographers Each entry is written by an expert contributor and provides a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies The volume concludes with a selected general bibliography

Black Women's Activism Rita B. Dandridge, 2004 *Black Women's Activism* is the first book length study of African American women's historical romances This book examines romances written from 1989 to the present and discusses their black heroines' resistance at particular moments in history from the colonization movement to the Texas oil boom Socio historical perspectives a womanist agenda and an African centered outlook inform the readings of female characters in the narratives of Francine Craft Gay G Gunn

Shirley Hailstock Beverly Jenkins and Anita Richmond Bunkley Broadening the scope of the historical romance genre and expanding the canon of African American literature this book provides a more comprehensive image of the black female character and addresses gender issues previously unexplored in black fiction This text should be used by librarians historians literary critics writers college and graduate level students teachers and romance readers **Working Cures** Sharla M. Fett,2002 *Working Cures* explores black health under slavery showing how herbalism conjuring midwifery and other African American healing practices became arts of resistance in the antebellum South and invoked conflicts *The Unvarnished Truth* Ann Fabian,2000 A study of the plain unvarnished tales of unschooled beggars criminals prisoners and ex slaves in the 19th century Fabian shows how these works illuminate debates over who had the cultural authority to tell and sell their own stories She gives us the origins of that curious American genre of selling one s tale of woe to make a buck ala Oprah et al

Soul by Soul Walter JOHNSON,2009-06-30 *Soul by Soul* tells the story of slavery in antebellum America by moving away from the cotton plantations and into the slave market itself the heart of the domestic slave trade Taking us inside the New Orleans slave market the largest in the nation where 100 000 men women and children were packaged priced and sold Walter Johnson transforms the statistics of this chilling trade into the human drama of traders buyers and slaves negotiating sales that would alter the life of each What emerges is not only the brutal economics of trading but the vast and surprising interdependencies among the actors involved *Slavery, Surveillance and Genre in Antebellum United States Literature* Kelly Ross,2023-01-23 This book argues for the existence of deep often unexamined interconnections between genre and race by tracing how surveillance migrates from the literature of slavery to crime gothic and detective fiction not only through the traditional concept of surveillance top down but also the tactics of sousveillance watching from below **Children and Globalization** Hoda Mahmoudi,Steven Mintz,2019-04-08 Globalization has carried vast consequences for the lives of children It has spurred unprecedented waves of immigration contributed to far reaching transformations in the organization structure and dynamics of family life and profoundly altered trajectories of growing up Equally important globalization has contributed to the world wide dissemination of a set of international norms about children s welfare and heightened public awareness of disparities in the lives of children around the world This book s contributors leading historians literary scholars psychologists social geographers and others provide fresh perspectives on the transformations that globalization has produced in children s lives **Black Cultures and Race Relations** James L. Conyers,2002 The essays in this book examine black cultural issues from the inside out rather than from a majority perspective Topics are grouped into four categories historical studies on race policy economics and race educational studies and race and social and cultural studies on race Readers of this volume will gain a deeper understanding of the past and present realities experienced by black people in the United States Sweeping changes have taken place in American society but much work remains to be done before black Americans will no longer face the daily challenges created by racist stereotyping and assumptions This book will

furnish absorbing reading for anyone who seeks a better understanding of black white relations in the United States from the mid nineteenth century to the present A Burnham Publishers book **The Frederick Douglass Papers** Frederick Douglass,2018-01-01 A second volume of the collected correspondence of the great African American reformer and abolitionist features correspondence written during the Civil War years The second collection of meticulously edited correspondence with abolitionist author statesman and former slave Frederick Douglass covers the years leading up to the Civil War through the close of the conflict offering readers an illuminating portrait of an extraordinary American and the turbulent times in which he lived An important contribution to historical scholarship the documents offer fascinating insights into the abolitionist movement during wartime and the author s relationship to Abraham Lincoln and other prominent figures of the era *Music in Black American Life, 1600-1945* ,2022-08-23 This first volume of *Music in Black American Life* collects research and analysis that originally appeared in the journals *American Music* and the *Black Music Research Journal* and in the University of Illinois Press s acclaimed book series *Music in American Life* In these selections experts from a cross section of disciplines engage with fundamental issues in ways that changed our perceptions of Black music The topics includes the culturally and musically complex Black music making of colonial America string bands and other lesser known genres practiced by Black artists the jubilee industry and its audiences and innovators in jazz blues and Black gospel Eclectic and essential *Music in Black American Life 1600 1945* offers specialists and students alike a gateway to the history and impact of Black music in the United States Contributors R Reid Badger Rae Linda Brown Samuel A Floyd Jr Sandra Jean Graham Jeffrey Magee Robert M Marovich Harriet Ottenheimer Eileen Southern Katrina Dyonne Thompson Stephen Wade and Charles Wolfe **Jolly Fellows** Richard Stott,2009-09-21 Jolly fellows a term that gained currency in the nineteenth century referred to those men whose more colorful antics included brawling heavy drinking gambling and playing pranks Reforms especially the temperance movement stigmatized such behavior but pockets of jolly fellowship continued to flourish throughout the country Richard Stott scrutinizes and analyzes this behavior to appreciate its origins and meaning Stott finds that male behavior could be strikingly similar in diverse locales from taverns and boardinghouses to college campuses and sporting events He explores the permissive attitudes that thrived in such male domains as the streets of New York City California during the gold rush and the Pennsylvania oil fields arguing that such places had an important influence on American society and culture Stott recounts how the cattle and mining towns of the American West emerged as centers of resistance to Victorian propriety It was here that unrestrained male behavior lasted the longest before being replaced with a new convention that equated manliness with sobriety and self control Even as the number of jolly fellows dwindled jolly themes flowed into American popular culture through minstrelsy dime novels and comic strips Jolly Fellows proposes a new interpretation of nineteenth century American culture and society and will inform future work on masculinity during this period The Discourse of Slavery Carla Plasa,Betty J. Ring,2013-12-19 First published in 1994 The Discourse of Slavery is

an innovative collection of fascinating essays addressing the problematic of slavery within literary cultural and political writings For the first time slavery is examined critically within both the British and the American context and related to contemporary concerns around race and gender Writers discussed include Aphra Behn William Blake Mary Wollstonecraft Charlotte Bronte Elizabeth Gaskell Toni Morrison William Faulkner Harriet Jacobs Harriet Beecher Stowe Frederick Douglass The Discourse of Slavery will be an invaluable and intriguing volume for students of literature gender race and ethnicity
