The Optimist's Guide to Divorce Suzanne

Riss, Jill Sockwell, 2016-12-27 Like having a heart to heart with a compassionate no nonsense best friend It's chock full of wisdom practical advice encouragement and what every woman in the midst of a divorce needs the most hope Cynthia L Copeland author of *Good Riddance An Illustrated Memoir of Divorce* Shortly after their marriages ended Suzanne Riss and Jill Sockwell realized that the best way through divorce is with the support of other women who understand what it's like who know the practical issues as well as the emotional ones and who can help you keep a sense of hope and a sense of humor Brimming with stories and insights from the trenches tips and sanity saving takeaways this girlfriend to girlfriend guide prepares you for each phase of divorce from the talk to figuring out where to live to co parenting with an ex to rebounding and rebooting your life Covering the process from start to finish this comforting and uplifting book makes it easy to jump in no matter where you are in your journey And even better to make the choices that will ultimately help you develop a better relationship with the one person you'll be with for the rest of your life yourself **A Parent-Partner Status for American**

Family Law Merle H. Weiner, 2015-09-17 Despite the fact that becoming a parent is a pivotal event the birth or adoption of a child has little significance for parents legal relationship to each other Instead the law relies upon marriage domestic partnerships and contracts to set the parameters of parents legal relationship With over forty percent of American children born to unwed mothers and consistently high rates of divorce this book argues that the law's current approach to regulating parental relationships is outdated A new legal and social structure is needed to guide parents so they act as supportive partners and to deter uncommitted couples from having children This book is the first of its kind to propose a new parent partner status within family law Included are a detailed discussion of the benefits of the status as well as specific recommendations for legal obligations **Nolo's Essential Guide to Child Custody and Support** Emily

Doskow, 2020-11-30 Custody and Support Get the Answers You Need When you're getting divorced you can make a tough time easier for yourself and your children if you work with the other parent to agree on a custody plan and child support If you can't resolve these issues you'll have to head to court and ask a judge to decide for you Either way Nolo's Essential Guide to Child Custody Support can help You'll learn how negotiation and mediation can keep costs down and improve future dealings with your ex where to find your state's child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work how Covid 19 is affecting custody arrangements and family court hearings and when you need a lawyer and how to work with one You'll also find specifics about each state's laws including what factors courts consider when they rule on custody arrangements and what happens when one parent wants to move away with the children *Divorce and Loss* Joshua Ehrlich, 2014-05-15 Divorce and Loss Helping Adults and Children Mourn When a Marriage Comes Apart places loss and mourning at the center of the divorce experience and details how therapists can facilitate mourning through individual therapy and through interventions with parents The book offers detailed clinical vignettes to illuminate family members reactions to divorce and to highlight interventions Ehrlich also

explores how failures of mourning in response to divorce create difficulties for people including bitter high conflict divorces He examines how therapists can intervene more effectively with difficult divorces and avoid ethical and clinical pitfalls In addition the book examines the very strong feelings that divorce elicits in therapists and how to deal with these constructively A Better Way of Dealing with Divorce Diana Jordan LLB,2017-07-11 The traditional way of divorcing is both divisive and expensive and the conflict generated by it is damaging to children This book is for parents who want to avoid these aspects of a divorce it shows them how to have an amicable divorce and protect their children from the worst of the harm that separation can cause It offers guidance for parents wanting to explain what s happening to their children as well as how to communicate and co parent better with their ex partner An overview of how the whole divorce process works is set out in an easy to understand format and language A break up can be overwhelming so there is guidance on planning a divorce and where to start The book empowers people to take control of their own futures rather than being swept along by our adversarial legal system which often leads couples to bitter and costly court battles that they neither wanted nor needed For those wanting to save thousands of pounds in legal fees the parts of their divorce which are easy to do themselves are set out together with clarification on when they really do need a lawyer The book is also a guide to the emotional journey and it dispels some common myths about separation and divorce Although the emphasis is on amicable divorces the book does include a chapter on how to tackle less friendly scenarios such as narcissistic personality disorder coercive control parental alienation and breaching contact orders Suggestions are offered for the different approach required in such circumstances
