Pyramid Energy The Philosophy Of God The Science Of Man:

Pyramid Energy Dean Hardy,1987 John E. Fetzer and the Quest for the New Age Brian C. Wilson,2018-08-06 John E Fetzer and the Quest for the New Age is the remarkable story of the spiritual search of one of Michigan s most successful entrepreneurs a search that culminated in the Fetzer Institute whose ambitious mission is nothing less than the spiritual transformation of the world John E Fetzer and the Quest for the New Age follows the spiritual sojourn of John E Fetzer a Michigan business tycoon Born in 1901 and living most of his life in Kalamazoo Fetzer parlayed his first radio station into extensive holdings in broadcasting and other enterprises leading to his sole ownership of the Detroit Tigers in 1961 By the time he died in 1991 Fetzer had been listed in Forbes magazine as one of the four hundred wealthiest people in America And yet business success was never enough for Fetzer his deep spiritual yearnings led him from the Christianity of his youth to a restless exploration of metaphysical religions and movements ranging from Spiritualism Theosophy Freemasonry UFOology and parapsychology all the way to the New Age as it blossomed in the 1980s Author Brian C Wilson demonstrates how Fetzer s quest mirrored those of thousands of Americans who sought new ways of thinking and being in the ever changing spiritual movements of the twentieth century Over his lifetime Fetzer s worldview continuously evolved combining and recombining elements from dozens of traditions in a process he called freedom of the spirit Unlike most others who engaged in a similar process Fetzer s synthesis can be documented step by step using extensive archival materials providing readers with a remarkably rich and detailed roadmap through metaphysical America The book also documents how Fetzer s wealth allowed him to institutionalize his spiritual vision into a thriving foundation the Fetzer Institute which was designed to carry his insights into the future in hopes that it would help catalyze a global spiritual transformation John E Fetzer and the Quest for the New Age offers a window into the rich and complex history of metaphysical religions in the Midwest and the United States at large It will be read with interest by those wishing to learn more about this enigmatic Michigan figure as well as those looking for an engaging introduction into America s rapidly shifting spiritual landscape **Pyramid Quest** Robert M. Schoch,Robert Aquinas McNally,2005-06-02 The Egyptologist acclaimed for re dating the Great Sphinx at Giza sets his sights on one of the true mysteries of antiquity the Great Pyramid of Giza What is the Great Pyramid of Giza Ask that basic question of a traditional Egyptologist and you get the basic traditional answer a fancy tombstone for a self important pharaoh of the Old Kingdom This Egyptologists argue is the sole finding based on the data and the only deduction supported by science By implication anyone who dissents from this point of view is unscientific and woolly minded a believer in magic and ghosts Indeed some of the unconventional ideas about the Great Pyramid do have a spectacularly fabulous ring to them Yet from beneath the obvious terms of this controversy a deeper more significant question arises how is it that the Great Pyramid exercises such a gripping hold on the human psyche adding cryptic grace to the back of the one dollar bill and framing myriad claims of New Age pyramid power In Pyramid Quest Robert M Schoch and Robert Aquinas McNally use the rigorous

intellectual analysis of scientific inquiry to investigate what we know about the Great Pyramid and develop a stunning hypothesis This ancient monument is the strongest proof yet that civilization began thousands of years earlier than is generally thought extending far back into a little known time In tracing that story we come to understand not only the Great Pyramid but also our own origins as civilized beings **Pyramid And Temple Vaastu** Bhojarāja Dvivedī,2001 The History of the Ancient World Susan Wise Bauer,2007-03-17 A lively and engaging narrative history showing the common threads in the cultures that gave birth to our own This is the first volume in a bold series that tells the stories of all peoples connecting historical events from Europe to the Middle East to the far coast of China while still giving weight to the characteristics of each country Susan Wise Bauer provides both sweeping scope and vivid attention to the individual lives that give flesh to abstract assertions about human history Dozens of maps provide a clear geography of great events while timelines give the reader an ongoing sense of the passage of years and cultural interconnection This old fashioned narrative history employs the methods of history from beneath literature epic traditions private letters and accounts to connect kings and leaders with the lives of those they ruled The result is an engrossing tapestry of human behavior from which we may draw conclusions about the direction of world events and the causes behind them The Healing Art of Pet Parenthood Nadine M. Rosin,2008-04 The Healing Art of Pet Parenthood is a true story about the human animal bond healing cancer holistically senior canine care and an empowering new take on the grieving process when a beloved animal passes away Buttons was a happy kooky cockapoo terrier When she was eight she was diagnosed with a virulent form of cancer and given six weeks to live unless she underwent amputation chemotherapy and radiation Instead her pet parent Nadine launched a holistic regimen which included clearing Buttons s inner and outer environment of all toxins cleansing her body of all residual toxins and giving her body the nutritional support it needed to heal itself Four months later Buttons was vibrantly alive and cancer free She thrived for an additional eleven years The Healing Art of Pet Parenthood will take you on a journey into the unlimited love and joy at the heart of all true relationships At the same time it will lead you deeply into yourself This is the story of how Nadine and Buttons saved each other s lives It is only one version of a story shared by millions of pet parents About the Author Nadine M Rosin has been a student of alternative healing for over thirty years and is a certified holistic pets toxic free living consultant pet bereavement facilitator and public speaker She is also a Society of Southwestern Authors 2005 contest winner and a gallery signed artist Her commissioned works include four paintings for the University of Arizona Above all she considers her most rewarding experience to be that of pet parent *El Misterio de la Pirámide de Keops* Robert M.
