Python Killer Stories Of Nzema Life:

The Python Killer Vinigi L. Grottanelli, 1988 **African Witchcraft and Otherness** Elias Kifon Bongmba, 2001-05-16 A bold work of African philosophy and theology that brings together witchcraft and the philosophy of Levinas Perspectives on African Witchcraft Mariano Pavanello, 2016-12-08 This volume draws on a range of ethnographic and historical material to provide insight into witchcraft in sub Saharan Africa The chapters explore a variety of cultural contexts with contributions focusing on Cameroon Central African Republic Ghana Mali Ethiopia and Eritrean diaspora The book considers the concept of witchcraft itself the interrelations with religion and medicine and the theoretical frameworks employed to explain the nature of modern African witchcraft representations **Knowing Women** Serena Owusua Dankwa, 2021-01-21 Knowing Women is a study of same sex desire in West Africa which explores the lives and friendships of working class women in southern Ghana who are intimately involved with each other Based on in depth research of the life histories of women in the region Serena O Dankwa highlights the vibrancy of everyday same sex intimacies that have not been captured in a globally pervasive language of sexual identity Paying close attention to the women s practices of self reference Dankwa refers to them as knowing women in a way that both distinguishes them from and relates them to categories such as lesbian or supi a Ghanaian term for female friend In doing so this study is not only a significant contribution to the field of global queer studies in which both women and Africa have been underrepresented but a starting point to further theorize the relation between gender kinship and sexuality that is key to queer feminist and postcolonial theories This title is also available as Open Access on Cambridge Core **Historical Dictionary of Cote d'Ivoire (The Ivory Coast)** Cyril K. Daddieh, 2016-02-09 Cote d'Ivoire remains one of the most intriguing countries in sub Saharan Africa It appeared well on its way to becoming a model of development under its single political party and charismatic founding father Felix Houphou t Boigny when it fell on hard economic times in the 1980s Poor management of the socio economic challenges by Houphou t Boigny s successors produced disastrous political consequences including unprecedented political violence the first ever successful military coup and two civil wars culminating in former President Laurent Gbagbo being sent to the International Criminal Court ICC in The Hague to stand trial for war crimes This third edition of Historical Dictionary of Cote d'Ivoire The Ivory Coast contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Cote d'Ivoire **Boy-Wives and Female Husbands** Stephen O. Murray, Will Roscoe, 2021-04-01 Among the many myths created about Africa the claim that homosexuality and gender diversity are absent or incidental is one of the oldest and most enduring Historians anthropologists and many contemporary Africans alike have denied or overlooked African same sex patterns or claimed that such patterns were introduced by Europeans or Arabs In fact same sex love and nonbinary genders were and are widespread in Africa Boy Wives

and Female Husbands documents the presence of this diversity in some fifty societies in every region of the continent south of the Sahara Essays by scholars from a variety of disciplines explore institutionalized marriages between women same sex relations between men and boys in colonial work settings mixed gender roles in east and west Africa and the emergence of LGBTQ activism in South Africa which became the first nation in the world to constitutionally ban discrimination based on sexual orientation Also included are oral histories folklore and translations of early ethnographic reports by German and French observers Boy Wives and Female Husbands was the first serious study of same sex sexuality and gender diversity in Africa and this edition includes a new foreword by Marc Epprecht that underscores the significance of the book for a new generation of African scholars as well as reflections on the book s genesis by the late Stephen O Murray This book is freely available in an open access edition thanks to the generous support of the Murray Hong Family Trust Access the book online at the SUNY Open Access Repository at <http://hdl.handle.net/20.500.12648/1714>

Literature, Science, and a New Humanities J. Gottschall, 2008-09-29 Literary studies are at a tipping point There is broad agreement that the discipline is in crisis that it is aimless that its intellectual energy is spent that all of the trends are bad and that fundamental change will be required to set things right But there is little agreement on what those changes should be and no one can predict which way things will ultimately tip Literature Science and a New Humanities represents a bold new response to the crisis in academic literary studies This book presents a total challenge to dominant paradigms of literary analysis and offers a sweeping critique of those paradigms and sketches outlines of a new paradigm inspired by scientific theories methods and attitudes

Independent Africa Emmanuel Kwaku Akyeampong, 2023-07-18 Independent Africa explores Africa s political economy in the first two full decades of independence through the joint projects of nation building economic development and international relations Drawing on the political careers of four heads of states Kwame Nkrumah of Ghana Ahmed S kou Tour

of Guinea L opold S dar Senghor and Julius Kambarage Nyerere of Tanzania Independent Africa engages four major themes what does it mean to construct an African nation state and what should an African nation state look like how does one grow a tropical economy emerging from European colonialism how to explore an indigenous model of economic development a third way in the context of a Cold War that had divided the world into two camps and how to leverage internal resources and external opportunities to diversify agricultural economies and industrialize Combining aspects of history economics and political science Independent Africa examines the important connections between the first generation of African leaders and the shared ideas that informed their endeavors at nation building and worldmaking
