## **Quadripartite Structures Categories Relations And Homologies In Bush Mekeo Culture:**

**Quadripartite Structures** Mark S. Mosko,1985-06-30 This book was the first detailed comprehensive study of Bush Mekeo culture and society     The Double Twist Pierre Maranda,2001-01-01 The essays in this intriguing collection all discuss Claude Lévi Strauss Canonical Formula The purpose of the work is to test the significance of the Formula which is controversial and for some worthless     **The Scope of Anthropology** Laurent Dousset,Serge Tcherkézoff,2012-04-01 Some of the most prominent social and cultural anthropologists have come together in this volume to discuss Maurice Godelier's work They explore and revisit some of the highly complex practices and structures social scientists encounter in their fieldwork From the nature culture debate to the fabrication of hereditary political systems from transforming gender relations to the problems of the Christianization of indigenous peoples these chapters demonstrate both the diversity of anthropological topics and the opportunity for constructive dialogue around shared methodological and theoretical models

Knowledge and Ethics in Anthropology Lisette Josephides,2020-05-26 Inspired by the work of world renowned anthropologist Marilyn Strathern this collection of essays features contributions from a range of internationally recognized scholars including Strathern herself which examine a range of methodologies and approaches to the anthropology of knowledge The book investigates the production of knowledge through a variety of themes centered on the question of the researcher's obligations and the requirements of knowledge These range from the obligation to connect with local culture and existing anthropological knowledge to the need to draw conclusions and circulate what has been learned Taking up themes that are relevant for anthropology as a whole particularly the topic of knowledge and the ethics of knowing others as well as the notion of the local in a global world Knowledge and Ethics in Anthropology is key reading for students and scholars alike A thorough introduction to the key concepts and terms used in Strathern's work is provided making this a fantastic resource for anyone encountering her work for the first time     **Mangrove Man** David Lipset,1997-11-13 The first modern ethnography of the Murik a relatively large and important community settled on the Sepik River estuary in Papua New Guinea     The Magical Body Richard Eves,2014-01-09 An intriguing exploration of the role and significance of the body in the world of a Pacific Islands People the Lelet of New Ireland Papua New Guinea In vivid ethnographic detail the monograph captures the fluidity and complexity of Lelet conceptions of corporeality and their significance to identity as they encounter the influences of modernity in the form of colonialism Christianity and cash cropping The author examines the importance of the body to constructions of identity and difference and its role in the constitution of place and space The book provides a richly detailed ethnographic study of magical belief and the body whilst paying particular attention to the polyvalent meanings of bodily images and metaphors as they are used in numerous contexts of magic     Comparative Austronesian Dictionary Darrell T. Tryon,2011-06-01 No detailed description available for Comparative Austronesian Dictionary     *Law and Anthropology* Michael D. A. Freeman,David Napier,2009-11-19 Law and Anthropology the latest

volume in the Current Legal Issues series offers an insight into the state of law and anthropology scholarship today Focussing on the inter connections between the two disciplines it also includes case studies from around the world

**Saltwater Sociality** Katharina Schneider,2012 The inhabitants of Pororan Island a small group of saltwater people in Papua New Guinea are intensely interested in the movements of persons across the island and across the sea both in their everyday lives as fishing people and on ritual occasions From their observations of human movements they take their cues about the current state of social relations Based on detailed ethnography this study engages current Melanesian anthropological theory and argues that movements are the Pororans predominant mode of objectifying relations Movements on Pororan Island are to its inhabitants what roads are to mainlanders on the nearby larger island and what material objects and images are to others elsewhere in Melanesia *Framing Indonesian Realities* Peter J.M. Nas,G.A. Persoon,2021-10-01 Ritual language wild and domestic animals and objects of material culture like houses palaces and works of art are often loaded with symbolic meaning Reading the landscape or giving meaning to the natural environment is a cultural act as well and one must discover what mountains coastlines and islands mean to different groups of people In this book written on the occasion of Professor Reimar Schefold s retirement from the Department of Cultural Anthropology at Leiden University colleagues and former students from the Netherlands and abroad demonstrate the variety and wealth of the field of symbolic anthropology The regional focus of the book is Indonesia The studies presented range from small island communities in western northern and eastern Indonesia to urban settlements in Java and Sumatra All the contributions are in one way or another related to Reimar Schefold s work over the past thirty five years work that includes extensive studies on material culture rituals and the use of symbols in the expression of ethnicity among the various cultural groups of Indonesia
