Red Skelton The Comic:

Red Skelton Wes Gehring,2013-09-10 For more than twenty years Hoosier comic Red Skelton entertained millions of viewers who gathered around their television sets to delight in the antics of such notable characters as Freddie the Freeloader Clem Kaddiddlehopper Cauliflower McPugg and Sheriff Deadeye Noted film historian Wes D Gehring examines the man behind the characters someone who never let the facts get in the way of a good story Gehring delves into Skelton's hardscrabble life with a shockingly dysfunctional family in the southern Indiana community of Vincennes his days on the road on the vaudeville circuit the comedian's early success on radio his up and down movie career with Metro Goldwyn Mayer and his sometimes tragic personal life Red Skelton,1996 First tape follows Red's meteoric career from vaudeville hit to movie star and top TV comedian Second tape Red plays bumbling Rusty Morgan a hapless fellow who makes the perfect victim for a couple con men who swindle him out of his money **A Critical History of Television's The Red Skelton Show,**

1951-1971 Wesley Hyatt,2015-05-07 The Red Skelton Show was on the air for 20 years the longest running primetime network comedy variety series on television It was a top 10 series for nine years an accomplishment surpassed only by Gunsmoke and Home Improvement The series has a few unimpressive achievements too such as becoming the first top 10 series to be cancelled by a network Here is the history of The Red Skelton Show beginning with its debut in 1951 one of the top five that year The show then declined in popularity moved from CBS to NBC in 1953 slowly rose back to the top In its glory days of the 1960s it became an hour long show and finished at number two in two different years The cancellation of the show by CBS in 1970 despite its place in the top 10 was a surprise the last season back with NBC was a failure Appendices list cast and crew credits and special guests by season and offer information on the post Red Skelton lives of many of the principal players *Comic Drunks, Crazy Cults, and Lovable Monsters* David Scott Diffrient,2022-12-01 Contradictory to its core the sitcom an ostensibly conservative tranquilizing genre has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of programming But the sitcom also conceals as much as it reveals masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty minute episode Examining a broad range of network and cable TV shows across the history of the medium from classic working class comedies such as The Honeymooners All in the Family and Roseanne to several contemporary cult series animated programs and online hits that have yet to attract much scholarly attention this book explores the ways in which social imaginaries related to bad behavior have been humorously exploited over the years The repeated appearance of socially wayward figures on the small screen from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons has the dual effect of reducing complex individuals to recognizable types while neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural

construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior if only in passing

Television Variety Shows David M. Inman, 2014-12-03 For the few hundred television viewers in 1946 a special treat on

the broadcast schedule was the variety show called Hour Glass It was the first TV program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor Chase and Sanborn coffee Within two years another variety show Texaco Star Theatre became the first true television hit and would be credited with the sales of thousands of television sets The variety show formula was a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio Most of the early television stars including Jackie Gleason Milton Berle Sid Caesar Ed Sullivan Red Skelton Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows In the 1960s major stars such as Jerry Lewis Dean Martin Judy Garland and Danny Kaye were hosting variety shows By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species This book details 57 variety shows from the 1940s through the 1990s A history of each show is first provided followed by a brief look at each episode Air date guest stars sketches performed and a listing of songs featured are included [Movie Comedians of the 1950s](#) Wes D. Gehring,2016-10-27 The 1950s were a transitional period for film comedians The artistic suppression of the McCarthy era and the advent of television often resulted in a dumbing down of motion pictures Cartoonist turned director Frank Tashlin contributed a funny but cartoonish effect through his work with comedians like Jerry Lewis and Bob Hope A new vanguard of comedians appeared without stock comic garb or make up fresh faces not easily pigeonholed as merely comedians such as Tony Randall Jack Lemmon and Tony Curtis Some traditional comedians like Charlie Chaplin Red Skelton and Danny Kaye continued their shtick though with some evident tweaking This book provides insight into a misunderstood decade of film history with an examination of the personality comedians The talents of Dean Martin and Bob Hope are reappraised and the dumb blonde stereotype as applied to Judy Holliday and Marilyn Monroe is deconstructed
