And the Weak Suffer What They Must? Yanis Varoufakis, 2016-04-12 A 1 Sunday Times bestseller UK A titanic battle is being waged for Europe's integrity and soul with the forces of reason and humanism losing out to growing irrationality authoritarianism and malice promoting inequality and austerity The whole world has a stake in a victory for rationality liberty democracy and humanism In January 2015 Yanis Varoufakis an economics professor teaching in Austin Texas was elected to the Greek parliament with more votes than any other member of parliament He was appointed finance minister and in the whirlwind five months that followed everything he had warned

about the perils of the euro's faulty design the European Union's shortsighted austerity policies financialized crony capitalism American complicity and rising authoritarianism was confirmed as the troika the European Central Bank International Monetary Fund and European Commission stonewalled his efforts to resolve Greece's economic crisis Here Varoufakis delivers a fresh look at the history of Europe's crisis and America's central role in it He presents the ultimate case against austerity proposing concrete policies for Europe that are necessary to address its crisis and avert contagion to America China and the rest of the world With passionate informative and at times humorous prose he warns that the implosion of an admittedly crisis ridden and deeply irrational European monetary union should and can be avoided at all cost
