Red Diaper Baby A Memoir:

This American Family Chris Christie, 2010-12 Christine Christie gives a child eye s view of an ordinary family to fell victim to McCarthyism Red Diapers Judy Kaplan, Linn Shapiro, 1998 Red Diapers is the first anthology of autobiographical writings by the children of American communists These memoirs short stories and poems reflect the joys and perils of growing up in a subculture defined by its opposition to some of society s most deeply held values How red diaper babies have come to terms with their political inheritance is the theme of this compelling anthology Some contributors have fond memories of family activism others recall the past with ambivalence or even pain The authors range in age from their twenties to their eighties Some such as Watergate reporter Carl Bernstein and sixties activist Bettina Aptheker are widely known themselves some are the children of well known American leftists including Jeff Lawson son of blacklisted screenwriter John Howard Lawson and Robert Meeropol son of Ethel and Julius Rosenberg In disparate voices the contributors elaborate on how their parents attempted to pass on to them the torch of radical politics *Red Diaper Baby* James Laxer, 2004 **Keeping Family Secrets** Margaret K. Nelson, 2022 Drawing on 160 published memoirs this book explores the costs and benefits in the post WWII period in the United States both for individuals and for families of keeping secrets about homosexuality institutionalization of children with disabilities unwed pregnancy involvement in left wing political activities adoption and Jewish ancestry *Red Diaper Baby* James Laxer, 2019-04-30 The remarkable memoir of growing up in a communist family at the height of the Cold War by the late historian public intellectual and political activist James Laxer Originally published in 2004 Red Diaper Baby is James Laxer s extraordinary memoir of growing up in a communist family during the height of the Cold War When Jim was born his father was in hiding under an assumed name When it came time to begin school Jim was enrolled under a false birth date Throughout his childhood he was repeatedly instructed to tell no one what his father did for work Laxer s parents were members of the Communist Party true believers in an ideology generally reviled and outlawed during much of World War II From an early age Laxer was collecting signatures on ban the bomb petitions delivering Party flyers door to door attending eccentric left wing Camp Naivelt and campaigning for the charismatic J B Salsberg a Communist MPP in the Ontario legislature Dramatic humorous and full of period detail Red Diaper Baby offers a rare look at the McCarthy years through the eyes of a child It also explains a great deal about Laxer s crucial role in the founding of the Waffle faction of the NDP his continued engagement with the left and his evolution into one of Canada s preeminent intellectuals *The Mitford Girls' Guide to Life* Lyndsy Spence, Joseph Dumas, 2013-08-01 Touched with genius The Spectator What s the best way to get the upper hand in an argument solely through letters How should you liven up a dull night at Buckingham Palace When exactly is the best time to run away to the Spanish Civil War The Mitford sisters Nancy Pamela Diana Unity Jessica and Deborah knew the answers to all these questions and more Perhaps the most remarkable family of the mid twentieth century their exciting and varied lives from communist to fascist to aristocrat mean

that there s no problem they can t solve **Memoir of a Race Traitor** Mab Segrest,2019-09-24 Back in print after more than a decade the singular chronicle of life at the forefront of antiracist activism with a new introduction and afterword by the author Mab Segrest s book is extraordinary It is a political memoir but its language is poetic and its tone passionate I started it with caution and finished it with awe and pleasure Howard Zinn In 1994 Mab Segrest first explained how she had become a woman haunted by the dead Against a backdrop of nine generations of her family s history Segrest explored her experiences in the 1980s as a white lesbian organizing against a virulent far right movement in North Carolina *Memoir of a Race Traitor* became a classic text of white antiracist practice bell hooks called it a courageous and daring example of the reality that political solidarity forged in struggle can exist across differences Adrienne Rich wrote that it was a unique document and thoroughly fascinating Juxtaposing childhood memories with contemporary events Segrest described her journey into the heart of her culture finally veering from its trajectory of violence toward hope and renewal Now amid our current national crisis driven by an increasingly apocalyptic white supremacist movement Segrest returns with an updated edition of her classic book With a new introduction and afterword that explore what has transpired with the far right since its publication the book brings us into the age of Trump and to what can and must be done Called a true delight and a must read *Minnesota Review* *Memoir of a Race Traitor* is an inspiring and politically potent book With brand new power and relevance in 2019 this is a book that far transcends its genre **The Feminist Memoir Project** Rachel Blau DuPlessis,Ann Barr

Snitow,2007 The women of *The Feminist Memoir Project* give voice to the spirit the drive and the claims of the Women s Liberation Movement they helped shape beginning in the late 1960s These thirty two writers were among the thousands to jump start feminism in the late twentieth century Here in pieces that are passionate personal critical and witty they describe what it felt like to make history to live through and contribute to the massive social movement that transformed the nation What made these particular women rebel And what experiences ideas feelings and beliefs shaped their activism How did they maintain the will and energy to keep such a struggle going for so long and continuing still *Memoirs and responses* by Kate Millett Vivian Gornick Michele Wallace Alix Kates Shulman Joan Nestle Jo Freeman Yvonne Rainer Barbara Smith Ellen Willis Eve Ensler Shirley Geok lin Lim Roxanne Dunbar Naomi Weisstein Alice Wolfson and many more embody the excitement that fueled the movement and the conflicts that threatened it from within Their stories trace the ways the world has changed

Howard Fast Gerald Sorin,2021-12-22 A biography of the Jewish American left wing author of *Spartacus* that explores his identity his work and his politics Howard Fast s life from a rough and tumble Jewish New York street kid to the rich and famous author of close to one hundred books rivals the Horatio Alger myth Author of bestsellers such as *Citizen Tom Paine* *Freedom Road* *My Glorious Brothers* and *Spartacus* Fast joined the American Communist Party in 1943 and remained a loyal member until 1957 despite being imprisoned for contempt of Congress Gerald Sorin illuminates the connections among Fast s Jewishness his writings and his left wing politics and explains Fast s attraction to the Party and the reasons he stayed in it

as long as he did Recounting the story of his private and public life with its adventure and risk love and pain struggle failure and success Sorin also addresses questions such as the relationship between modern Jewish identity and radical movements the consequences of political myopia and the complex interaction of art popular culture and politics in twentieth century America A notable study of a thorny protagonist whose life has much to reveal about the times in which he lived and about the interplay of political belief personal identity art and ambition Publishers Weekly Sorin has written a heavily researched critical biography of Fast The volume s strength is its explication and analysis of the complex social and political context of Fast s activism and creative work Sorin s lengthy critique of Fast s adherence to Communism long after most American writers and intellectuals had abandoned the party and his shameful public silence on Stalin s crimes and Soviet anti-Semitism are of significant import Recommended Choice An intriguing biography not least for its examination of how Fast interwove his political activism his Jewishness and his art during the heyday of McCarthyism Recommended Recorder Melbourne

The Memoirs of John Conde Genaro J. Pérez, 2000 Thousands of years in the future the Felinians are about to be exterminated by Humans However their scientists discover time travel and embark on a change of humankind s history This is an account of the process by an eye witness one of the half million exterminating angels as were called those humans who collaborated with the Felinians Red Feminism Kate Weigand, 2002-11-07 Drawing on substantial new research Red Feminism traces the development of a distinctive Communist strain of American feminism from its troubled beginnings in the 1930s through its rapid growth in the Congress of American Women during the early years of the Cold War to its culmination in Communist Party circles of the late 1940s and early 1950s The author argues persuasively that despite the devastating effects of anti Communism and Stalinism on the progressive Left of the 1950s Communist feminists such as Susan B Anthony II Betty Millard and Eleanor Flexner managed to sustain many important elements of their work into the 1960s when a new generation took up their cause and built an effective movement for women s liberation Red Feminism provides a more complex view of the history of the modern women s movement showing how key Communist activists came to understand gender sexism and race as central components of culture economics and politics in American society Flight Risk James Nolan, 2017-03-02 James Nolan looks back unsparingly on a time few writers have faced with such clarity and compassion There s suspense and beauty on every page Andrei Codrescu Flight Risk takes off as a page turning narrative with deep roots and a wide wingspan James Nolan a fifth generation New Orleans native offers up an intimate portrait both of his insular hometown and his generation s counterculture Flight runs as a theme throughout the book which begins with Nolan s escape from the gothic mental hospital to which his parents committed the teenaged poet during the tumult of 1968 This breakout is followed by the self styled revolutionary s hair raising flight from a Guatemalan jail and years later by the author s bolt from China where he ditched his teaching position and collectivist ideals These Houdini like feats foreshadow a more recent one how he dodged biblical floods in a stolen school bus three days after Hurricane Katrina hit New Orleans Nolan traces these

flight patterns to those of his French ancestors who fled to New Orleans in the mid nineteenth century established a tobacco business in the French Quarter and kept the old country alive in their Creole demimonde The writer describes the eccentric Seventh Ward menagerie of the extended family in which he grew up his early flirtation with extremist politics and a strong bond with his freewheeling grandfather a gentleman from the Gilded Age Nolan s quest for his own freedom takes him to the flower powered gender bending San Francisco of the sixties and seventies as well as to an expatriate life in Spain during the heady years of that nation s transition to democracy Like the prodigal son he eventually returns home to live in the French Quarter around the corner from where his grandmother grew up only to struggle through the aftermath of Katrina and the city s resurrection Many of these stories are entwined with the commentaries of a wry flaneur addressing such subjects as the nuances of race in New Orleans the Disneyfication of the French Quarter the numbing anomie of digital technology and globalization the challenges of caring for aging parents Creole funeral traditions how to make a soul searing gumbo and what it really means to belong

Caring for Red Mindy Fried, 2016-09-13 Eric Hoffer Book Award Finalist 2018 Caring for Red is Mindy Fried s moving and colorful account of caring for her ninety seven year old father Manny an actor writer and labor organizer in the final year of his life This memoir chronicles the actions of two sisters as they discover concentric circles of support for their father and attempt to provide him with an experience of engaged aging in an assisted living facility The story is also that of a daughter of a powerful and outspoken man who took risks throughout his life and whose political beliefs had an enduring impact on his family After Manny was called before the House Un American Activities Committee he was blacklisted and his family was shunned As an actor Manny was affiliated with Elia Kazan s Group Theatre and the Federal Theatre Project He did Shakespeare Chekhov and Ibsen and played everything from the tormented father in Arthur Miller s All My Sons to an infant in a baby carriage in Thornton Wilder s Infancy from the Rabbi in Fiddler on the Roof to poignantly for this book the role of Morrie in Tuesdays with Morrie As she devotes herself to caring for her dying father Mindy grapples anew with the complexity of their relationship She questions whether she can be there for him and how to assert her own voice as her father s caregiver in his last days

Communists in Closets Bettina Aptheker, 2022-09-09 Communists in Closets Queering the History 1930s 1990s explores the history of gay lesbian and non heterosexual people in the Communist Party in the United States The Communist Party banned lesbian gay bisexual and transgender LGBT people from membership beginning in 1938 when it cast them off as degenerates It persisted in this policy until 1991 During this 60 year ban gays and lesbians who did join the Communist Party were deeply closeted within it as well as in their public lives as both queer and Communist By the late 1930s the Communist Party had a membership approaching 100 000 and tens of thousands more people moved in its orbit through the Popular Front against fascism anti racist organizing especially in the south and its widely read cultural magazine The New Masses Based on a decade of archival research correspondence and interviews Bettina Aptheker explores this history also pulling from her own experience as a closeted lesbian in the Communist Party in

the 1960s and 70s Ironically and in spite of this homophobia individual Communists laid some of the political and theoretical foundations for lesbian and gay liberation and women s liberation and contributed significantly to peace social justice civil rights and Black and Latinx liberation movements This book will be of interest to students scholars and general readers in political history gender studies and the history of sexuality Dylan Dennis McDougal,2014-05-13 The ultimate biography of the musical icon A groundbreaking and vibrant look at the music hero to generations DYLAN The Biography digs deep into Bob Dylan lore including subjects Dylan himself left out of Chronicles Volume One DYLAN The Biography focuses on why this beloved artist has touched so many souls and on how both Dylan and his audience have changed along the way Bob Dylan is an international bestselling artist a Pulitzer Prize winning author and an Oscar winner for Things Have Changed His career is stronger and more influential than ever How did this happen given the road to oblivion he seemed to choose more than two decades ago What transformed a heroin addict into one of the most astonishing literary and musical icons in American history Dylan s final act of his career is more intriguing than ever and classic biographies like Bob Dylan Behind the Shades 2003 and even his own Chronicles Volume One 2005 came too soon to cover this remarkable new chapter in Dylan s life Through extensive interviews and conversations with Dylan s friends family sidemen and fans Los Angeles Times journalist Dennis McDougal crafts an unprecedented understanding of Dylan and the intricate story behind the myths Was his romantic life especially with Sara Dylan much more complicated than it appears Was his motorcycle accident a cover for drug rehab What really happened to Dylan when his career crumbled and how did he find his way back To what does he attribute his astonishing success McDougal s meticulous research and comprehensive interviews offer a revealing new understanding of these long standing questions and of the current chapter Dylan continually writes in his life and career **Many Are the Crimes** Ellen Schrecker,1998 Offers an analysis of the McCarthy phenomenon tracing the machinations of anticommunism in creating a culture of fear and suspicion **Red Scare Racism and Cold War Black Radicalism** James Zeigler,2015-08-14 During the early years of the Cold War racial segregation in the American South became an embarrassing liability to the international reputation of the United States For America to present itself as a model of democracy in contrast to the Soviet Union s totalitarianism Jim Crow needed to end While the discourse of anticommunism added the leverage of national security to the moral claims of the civil rights movement the proliferation of Red Scare rhetoric also imposed limits on the socioeconomic changes necessary for real equality Describing the ways anticommunism impaired the struggle for civil rights James Zeigler reconstructs how Red Scare rhetoric during the Cold War assisted the black freedom struggle s demands for equal rights but labeled un American calls for reparations To track the power of this volatile discourse Zeigler investigates how radical black artists and intellectuals managed to answer anticommunism with critiques of Cold War culture Stubbornly addressed to an American public schooled in Red Scare hyperbole black radicalism insisted that antiracist politics require a leftist critique of capitalism Zeigler examines publicity campaigns against Dr Martin Luther King Jr s alleged Communist

Party loyalties and the import of the Cold War in his oratory He documents a Central Intelligence Agency sponsored anthology of ex Communist testimonials He takes on the protest essays of Richard Wright and C L R James as well as Frank Marshall Davis s leftist journalism The uncanny return of Red Scare invective in reaction to President Obama s election further substantiates anticommunism s lasting rhetorical power as Zeigler discusses conspiracy theories that claim Davis groomed President Obama to become a secret Communist Long after playing a role in the demise of Jim Crow the Cold War Red Scare still contributes to the persistence of racism in America *New York Magazine* ,1989-02-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Irish Writers and the Thirties**

Katrina Goldstone,2020-12-29 This original study focusing on four Irish writers Leslie Daiken Charles Donnelly Ewart Milne and Michael Sayers retrieves a hitherto neglected episode of Thirties literary history which highlights the local and global aspects of Popular Front cultural movements From interwar London to the Spanish Civil War and the USSR the book examines the lives and work of Irish writers through their writings their witness texts and their political activism The relationships of these writers to George Orwell Samuel Beckett T S Eliot Nancy Cunard William Carlos Williams and other figures of cultural significance within the interwar period sheds new light on the internationalist aspects of a Leftist cultural history The book also explores how Irish literary women on the Left defied marginalization The impetus of the book is not merely to perform an act of literary salvage but to find new ways of re imagining what might be said to constitute Irish literature mid twentieth century and to illustrate how Irish writers played a role in a transforming political moment of the twentieth century It will be of interest to scholars and students of cultural history and literature Irish diaspora studies Jewish studies and the social and literary history of the Thirties **The ^AHistory of Neuroscience in Autobiography Volume**

6 Larry R Squire,2008-12-12 The sixth volume of The History of Neuroscience in Autobiography is a collection of a autobiographical essays by notable senior scientists who discuss the major events that shaped their discoveries and their influences as well as people that inspired them and help shape their careers as neuroscientists Each entry also includes a complete CV so that the interested reader may see their rise through the ranks as they achieved some of the highest honors in neuroscience
