Rediscovering The Soul Of Business A Renaissance Of Values:

Rediscovering the Soul of Business John Renesch,Bill DeFoore,1995 This provocative anthology addresses the plight of the human spirit in modern business *Handbook of Workplace Spirituality and Organizational Performance* Robert A. Giacalone,Carole L. Jurkiewicz,2003 A comprehensive research based interdisciplinary and action oriented approach to spirituality in organizational life It defines workplace spirituality as all aspects of the workplace that promote individual feelings of satisfaction through a sense of connection to a larger force *A Companion to Business Ethics* Robert E. Frederick,2008-04-15 In a series of articles specifically commissioned for this volume some of today s most distinguished business ethicists survey the main areas of interest and concern in the field of business ethics Sections of the book cover topics such as the often easy relation between business ethics and capitalism the link between business ethics and ethical theory how ethics applies to specific problems in the business world the connection between business ethics and related academic disciplines and the practice of business ethics in modern corporations Includes extensive accessible discussion of all of the main areas of interest and debate in business ethics Features all original contributions by distinguished authors in business ethics Includes an annotated table of contents bibliographies of the relevant literature and a list of internet sources of material on business ethics Perfect comprehensive book for use in business ethics courses **Handbook of Workplace Spirituality and Organizational Performance** Giacalone,2015-05-18 An explanation of how and why the economic downturn of 2007 became the Great Recession of 2008 and 2009 It explores the root causes of the cycle of boom and bust of the economy It describes social equity in terms of its arguments and claims in political economic and social circumstances

Organizational Ethics Craig E. Johnson,2011-10-26 Equipping students so they can act as change agents who encourage ethical transformation in corporations small businesses government social service agencies religious groups the military and other organizations this text blends theory and practice as it introduces readers to important ethics theories concepts and skills tools drawn from a variety of academic disciplines and outlines implementation strategies tactics Self assessments case studies and chapter end exercises foster skill development discussion and analysis *Essays in Faith and Learning* Michael Bollenbaugh,Steven N. Goetz,2015-12-07 This book represents the collected thinking of a few people who have had strong personal connections to Dr Song Nai Rhee Because the integration of faith and learning is a core value held by Dr Rhee the various authors have written essays on this topic in honor of his life and work Such a book is typically referred to as a Festschrift a celebratory writing given for a special person Dr Rhee s robust career at Northwest Christian College University is celebrated by the essays brought together in this book All the authors have known Dr Rhee as students or as academic colleagues or both What they write about ranges from topics found in biblical literature to expressly theological ideas to matters that are eminently practical Yet each essay is held in place by its relevancy to the ongoing conversations about how faith and learning are integrated in the context of the Christian liberal arts university More

important each author has a deep and abiding respect for Dr Song Nai Rhee His teaching and mentoring at Northwest Christian College University have left an indelible mark on each of their lives *Getting to the Better Future* John E. Renesch,2001 Renesch puts forth a vision for historic transformation for all humankind as he pictures a global future full of possibilities a much better future than the one that appears most likely if we rely upon forecasts based on existing trends Not only that the author points directly to the business community as the segment of our society that can best lead the rest of the world in such an incredible transition for all humanity **Leadership in a Challenging World** Barbara Shipka,2012-08-06 Leadership in a Challenging World is about a journey to wholeness The whole self is sacred and required in order to lead well in the complex world of today and tomorrow Divided into 3 parts the book begins with the metaphor of the forest for the world with both its demanding challenges and its magnificent possibilities Part 2 uses the metaphor of walking on a path to suggest eight subjective human powers that are essential to leading in business today and tomorrow Finally part 3 describes an ancient basis for the powers and shows how they can serve to bring balance to each other that results in human wholeness **Ha-Tov v'ha-Meitiv: Contemporary Scholarship in Jewish Studies** Simcha Fishbane,Eric M. Levine,Yosef Dov Robinson,2024-06-11 This book presents a group of distinguished scholars who examine key themes in Jewish religious life Their essays revolve around the dimensions of rabbinic intellectual cultural communal educational political and social leadership as well as a reflective look at one of the most tragic events in Jewish experience towards the hope of repairing the world and not repeating such evil The scholarship reproduced in this volume captures the essence of Touro University remembering the past perpetuating the rich historic Jewish tradition of tolerance and dignity and managing the delicate ballet of serving humanity and the Jewish community at the same time These papers are expressive of the Jewish commitment to intellectual inquiry the transmission of knowledge and the pursuit of social justice **Big Heart, Big Profits** Tom McDonald Ph.D.,2013-05-30 Our soul is in trouble at work We are caught up in the relentless search for promotions and bigger pots of money The strategies skills and tools we use are outmoded We need a new understandingone that focuses on human beings and their direct connection to financial success In a remarkably candid way Big Heart Big Profits shows you how to liberate the souls of people and to benefit financially from the effort Written in a unique memo format it offers eleven strategies fifty skills and more than one hundred tools that can guarantee you success at work Yes there is life after this business recession and a great one at that if you learn how to liberate the soul of business These strategies include among other things making work interesting recognizing and rewarding consistently and turning on brain power But theres more For the first time you will hear about what may be the best way to put all these strategies into actionstrategy 11 Use friendship love as your business driver If you want to succeed in this turbulent work world you will need a bold new approach Big Heart Big Profits lays out that journey for you *Servant Leadership, Social Entrepreneurship and the Will to Serve* Luk Bouckaert,Steven C. van den Heuvel,2019-11-28 This book brings together a

number of important essays on the intersection of servant leadership and social entrepreneurship examining them through a shared focus on the will to serve This combination bears out the insight that inspiring social and economic leaders are able to transform a conflictual human settlement into a collaborative and caring human community The book seeks to answer the question of whether we can induce from their way of doing things a model of civic entrepreneurship and leadership that can inspire people in profit non profit and public organizations It also examines the extent to which the will to serve is compatible with the will to maximize profit or the will to gain economic political or religious power Furthermore it asks how far different spiritual traditions create different models and examples of servant leadership and social entrepreneurship This book will be of interest to researchers working in the fields of business ethics business spirituality and corporate social responsibility

Creating Enlightened Organizations J. Neal,2013-12-05 There is a growing movement to incorporate faith and spirituality in the workplace to do things better to utilize all the human capabilities of employees and to truly revolutionize the role of business in the world Creating Enlightened Organizations is the first book to provide a truly comprehensive approach to creating an organization designed to unleash full human potential in the workplace Businesses have learned how to involve employees in problem solving improve the emotional intelligence of their leaders reengineer the business processes and create customer delight but they have left out one essential ingredient that makes all the difference the human spirit There is a hunger for meaning and purpose in our workplaces and in our institutions This book simplifies and organizes the best of what is going on in organizations at the individual team and systems levels and provides guidance for putting it to practical use It also offers a radically new view of the purpose of business in society and provides examples of leading edge organizations that make a positive difference in the world Spirituality is the new competitive edge and enlightened organizations know how to integrate the human spirit and spiritual values into their business practices **Real Leadership**

Gilbert W. Fairholm,2011-01-04 This text explains why values based spiritual leadership that coalesces employees into a harmonious group is the only way to successfully manage increasingly diverse workers in the 21st century A person s values are the most powerful factor defining his or her actions everyone has a value system or a spiritual component that triggers their behavior Our personal values are a more powerful force upon individual action than corporate policy procedures tradition or peer pressure Since the work environment is where the typical worker will spend the most time more than at home with family with friends or at church it is reasonable that workers will have spiritual demands as well as economic needs from their work lives Unfortunately this is a task managers are not prepared to meet Real Leadership How Spiritual Values Give Leadership Meaning argues that values based i e spiritual leadership is the only way to do leadership in today s globalized multi differentiated world The author traces the development of real leadership through five generations of theory then builds a strong case for the values leadership strategy because of its ability to unify workers and because it allows them to find personal meaning in the workplace task at hand *Prisoners of Our Thoughts* Alex Pattakos,Elaine

Dundon, 2017-01-09 *7 Principles for Finding Meaning in Life Work World* renowned psychiatrist Viktor Frankl's *Man's Search for Meaning* is one of the most important books of modern times Frankl's extraordinary personal story of finding meaning amid the horrors of the Nazi concentration camps has inspired millions Frankl vividly showed that you always have the ultimate freedom to choose your attitude you don't have to be a prisoner of your thoughts Dr Alex Pattakos who was urged by Frankl to write *Prisoners of Our Thoughts* and Elaine Dundon a personal and organizational innovation thought leader show how Frankl's wisdom can help readers find meaning in every moment of their lives Drawing on the entire body of Frankl's work they identify seven core principles and demonstrate how they can be applied to everyday life and work This revised and expanded third edition features new stories practical exercises applications and insights from the authors new work in MEANINGology Three new chapters outline how we all can benefit by putting meaning at the core of our lives work and society And a new chapter on Viktor Frankl's legacy illustrates how his work continues to influence so many around the world

Liquid Organization Jerzy Kociatkiewicz, Monika Kostera, 2014-03-14 Widely known as a leading intellectual Zygmunt Bauman's thinking is often categorized as sociology or philosophy But his work has been hugely influential in other fields as well not least within organization studies From increasing management control and growing standardization of work activities to the increase in uncertainty and insecurity experienced by contemporary workers organizations themselves are becoming ever more ephemeral entities Bauman's themes globalization liquid modernity and postmodern ethics are arguably fundamental to contemporary notions of organization and management and his thinking has never been more relevant However despite the obvious and continuing influence of Bauman's ideas on business studies there has been no comprehensive attempt to chart his impact on organization theory In this innovative and insightful collection an international selection of leading management scholars explore key topics in current organizational discourse including networked organizations control and ambiguity technologies work and responsibility extending Bauman's liquid modernity to the liquid organization The book will be essential reading for scholars and academics and students in management and organizational theory and also sociology managing culture and organizational ethnography

Anger William Gray DeFoore, 2010-01-01 William DeFoore provides practical solutions to one of society's most pressing concerns anger and rage His practical ten step approach offers a way to reach a new level of psychological and physical health by learning to deal with anger in healthy ways Through gripping stories research and narrative DeFoore explores the many faces of anger including passive anger anger during the grief process anger among males and anger that can actually help us connect with our spirituality and life purpose This edition has added new chapters that cover anger in women anger in children in school in the workplace and domestic violence

Marketing Communication Richard Varey, 2002-09-11 Providing a fresh and innovative framework for the management of marketing communication processes this textbook uses references to communication studies cultural studies and critical management studies to shift the focus from message making to relationship building Providing a

contemporary examination of marketing as a social process author Varey focuses on a planned integrated marketing communication programme He combines a managerial perspective with current communication and marketing theory to develop a contemporary set of principles incorporating such recent developments as e communication and new media It investigates the issues of organizing and locating marketing in a business corporation management responsibility for planning and decision making the role of the marketing communication manager in contemporary society With a good balance of theory and practice and UK and European case studies this noteworthy book covers a range of issues of significance to both the public and private sectors and large medium and small businesses Spirituality and Corporate Social Responsibility David Bubna-Litic, 2016-04-01 Religion and spirituality have often been treated with a secular disdain by management theorists Recently the tide has begun to turn and there is a growing openness to cite spirituality in academic analysis and debate and when considering issues of practical concern to those engaged in the actual business of management This provocative book brings together a range of leading thinkers to consider the relationship between spirituality and corporate social responsibility The book's contributors examine spirituality as an inherent dimension of corporate life even if it is only known through its absence and through the negative consequences of this absence on people and the planet With contributors from four continents David Bubna Litic has assembled a range of fascinating perspectives having their origins in traditions that include Christianity Process Theology Hinduism Contemporary Buddhism Deep Ecology Humanism Post Modern and Post Romantic Spirituality Spirituality and Corporate Social Responsibility is a fascinating read for anyone with an interest in ways in which spirituality relates to what is or what should be driving businesses and organizations to more responsible behaviour The Journal for Quality and Participation , 2001 **International Encyclopedia of Organization Studies** Stewart Clegg, James R. Bailey, 2007-08-28 Organization studies although a relatively recent notion has roots that go back at least to the early days of the twentieth century The study of how people construct organizations how they use the structures processes and practices that they have designed and how these in turn use people organize social relations construct institutions organize them and consecutively enable them to organize us has matured along multiple fronts Over the last two decades more diverse approaches drawing on more qualitative and ethnographic styles of research have predominated This Encyclopedia represents both the older and the newer styles of work with their respective concerns The International Encyclopedia of Organization Studies is the definitive description of the field spanning individual organizational societal and cultural perspective in a cross disciplinary manner The old model of a North American core exporting its domain assumptions to the rest of the world while by no means absent is less marked than it used to be Thus editors Stewart R Clegg and James R Bailey have sought to capture much of the cutting edge thinking that characterizes the best scholarship in the United States and elsewhere The Encyclopedia is thoroughly cross referenced and entries are based around a series of broad themes Key Features Offers a comprehensive overview of many of the major ideas concepts terms and approaches that
