Rediscovery Of Jesus Eschatological Discourse:

The rediscovery of Jesus eschatological discourse : studies in the history of gospel traditions David Wenham, 1984

The Rediscovery of Jesus' Eschatological Discourse David Wenham, 1984 **Gospel Perspectives: The rediscovery of Jesus' eschatological discourse** R. T. France, David Wenham, 1980 *Christ and the Future in New Testament History* E. Earle Ellis, 2014-04-09 Christology and eschatology form a double core conception in the New Testament that enables one to understand other themes radiating out from it The present volume addresses fifteen topics within this central core seven on the person of Jesus and eight on this age and the age to come The essays interact with and further discussion on disputed topics in contemporary New Testament Studies including the historical Jesus and the Gospels deity christology in the Synoptics and in the Pauline writings the meaning of resurrection in the teaching of Jesus the Sadducees and Qumran eschatology in Luke's writings and the structure of Pauline eschatology New Testament teaching on hell and other christological and eschatological motifs Three concluding pieces provide the historical and hermeneutical framework from which the theological studies proceed This publication has also been published in paperback please click here for details **Jesus Remembered** James D. G. Dunn, 2003-07-29 In *Christianity in the making* James D G Dunn examines in depth the major factors that shaped first generation Christianity and beyond exploring the parting of the ways between Christianity and Judaism the Hellenization of Christianity and responses to Gnosticism He mines all the first and second century sources including the New Testament Gospels New Testament apocrypha and such church fathers as Ignatius Justin Martyr and Irenaeus showing how the Jesus tradition and the figures of James Paul Peter and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity **Jesus' Exposition of the Old Testament in Luke's Gospel** Charles Kimball, 1994-03-01 This work presents an inductive exegetical analysis of Jesus' exegetical methods and expositions in Luke's Gospel in light of first century Jewish exegetical methods via an examination of the eight Lukan pericopes in which Jesus expounds explicit Old Testament quotations This study offers the following conclusions In Luke's Gospel Jesus expounded Scripture as the basis for understanding his person and ministry teaching his followers and inquirers and debating his religious opponents He employed many of the exegetical methods of ancient Judaism Yet he frequently offered interpretations of Scripture that were radically different from other Jewish teachers because of his superior understanding of Scripture and his application of Scripture to himself In turn he influenced the early church's biblical expositions in considerable measure Jesus expounded Scripture for Christological and doctrinal lessons In his Christological expositions he made an eschatological application of certain biblical texts to himself claiming to be the fulfillment of Old Testament messianic prophecies In his doctrinal expositions he corrected traditional Jewish interpretation claiming a superior exegesis of Scripture The Christological expositions employed pesher fulfillment motifs and several midrashic techniques to show that the **The Historical Reliability of the Gospels** Craig L.

Blomberg,2014-05-06 For over twenty years Craig Blomberg's *The Historical Reliability of the Gospels* has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels. He offers an overview of the history of Gospel criticism. Thoroughly updated edition with added footnotes and two new appendixes. **The Use of Daniel in Jewish Apocalyptic Literature and in the Revelation of St. John** G. K. Beale,2010-04-01 **Studies in Hermeneutics, Christology and Discipleship** Richard N. Longenecker,2004 *NIVAC Bundle 6: Gospels, Acts* Michael J. Wilkins,David E. Garland,Darrell L. Bock,Gary M. Burge,Ajith Fernando,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. A Theology of Mark's Gospel David E. Garland,2015-10-06 A Theology of Mark's Gospel is the fourth volume in the BTNT series. This landmark textbook written by leading New Testament scholar David E. Garland thoroughly explores the theology of Mark's Gospel. It both covers major Markan themes and also sets forth the distinctive contribution of Mark to the New Testament and the canon of Scripture, providing readers with an in-depth and holistic grasp of Markan theology in the larger context of the Bible. This substantive evangelical treatment of Markan theology makes an ideal college or seminary level text. **Contours of Christology in the New Testament** Richard N. Longenecker,2005-07-06 *Contours of Christology in the New Testament* features first-class biblical scholars who steep readers in the biblical texts about Jesus. These essays focus on the New Testament writers' various understandings of Jesus, their differing emphases seen as contours in the common landscape of New Testament Christology. Sweeping in scope, the volume begins with a look at early Christology and covers the whole of the New Testament from the Gospels to Revelation. Interpreting the Parables Craig L. Blomberg,2012-07-03 Craig Blomberg surveys the contemporary critical approaches to the parables, including those that have emerged in the twenty years since the first edition. This widely used text has taken a minority perspective and made it mainstream, with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables. *The Cambridge History of Judaism* William Horbury,1984 This third volume of *The Cambridge History of Judaism* focuses on the early Roman period. *"And Scripture Cannot Be Broken"* Martin C. Albl,2014-04-09 This work argues that many early Christian quotations of the Old Testament derive not from scriptural

manuscripts but rather from authoritative written testimonia collections developed to support basic Christian beliefs Combining recent patristic studies notably on Justin and Barnabas and evidence from Qumran with detailed examination of quotations in the New Testament the book builds a fresh case for a neglected scholarly hypothesis After reviewing the scholarly literature and analogous Jewish and Greco Roman literary collections the book presents a comprehensive overview of extant testimonia traditions from the second to the fourth century C E The final chapters argue for the use of written testimonia collections in the New Testament This study offers solid evidence for a remarkably unified early Christian scriptural tradition that extended throughout the Mediterranean world

Jesus, Paul and the End of the World Ben Witherington III, 1992-04-13 Ben Witherington III offers a comparison and a critical assessment of the end times teachings of Jesus and Paul

Matthew's Transfiguration Story and Jewish-Christian Controversy A. D. A. Moses, 1996-01-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew's Gospel It demonstrates that Matthew's account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses' greatness and Matthew portraying the transfiguration within Moses' Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents' emphasis on the law and Peter's witness to Jesus' transfiguration

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify, defend, and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham

1.1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long-awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel: history, theology, and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology, the kingdom of heaven, discipleship, the Church, church, Israel, past, present, and future, the death and resurrection of Jesus, mission, commission, and eschatology, eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the

significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

When Paul Met Jesus Stanley E. Porter, 2016-02-24. Did Paul ever meet Jesus and hear him teach? A century ago a curious assortment of scholars William Ramsay, Johannes Weiss, and James Hope Moulton thought that he had. Since then their idea has virtually disappeared from New Testament scholarship, to be revived in this monograph. *When Paul Met Jesus* is an exercise in both biblical exegesis and intellectual history. After examining the positive arguments raised, it considers the negative influence of Ferdinand Christian Baur, William Wrede, and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul. In response, Stanley E. Porter analyzes three passages in the New Testament: Acts 9:1-9 and its parallels 1 Corinthians 9:1 and 2 Corinthians 5:16, to confirm that there is New Testament evidence that Paul encountered Jesus. The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again.

The Reader Must Understand Kent E. Brower, Mark W. Elliott, 2013-11-05. *The reader must understand* is a more forceful translation of the words usually rendered *let the reader understand* in Mark 13:14. Translated this way, this volume's title stresses the importance of eschatology for Bible readers and theologians. Eschatology, the study of the last things, is central to New Testament studies and indeed is not without importance for the Old Testament. The Bible's eschatology and its place in Christian theology must therefore be taken very seriously. The essays in this volume, most of which were presented at the Tyndale Fellowship Triennial Conference 1997, offer new and important ideas and analysis. They cover five main areas: biblical theology, Old Testament, New Testament, Christian doctrine, and practical theology, and significant contributions are made in each area.
