ROCK IT TO THE MOON M.J. Schiller, 2023-03-08 While love had come to some of the other members of Just Short Of Chaos Dex Rogan had no interest in getting tangled up in that mess That is until he stumbled upon Tatum backstage Before Tatum I would have told you love was for chumps But I would have been wrong The moment I saw her it was like BAM This driving urge to be with her was more jarring than someone smacking me in the face with my drumsticks would be And every moment since has just

solidified her place in my heart By the time I found out she was off limits it was too late I was all in Tatum Salvetti doesn't have time for love If it can't be color coded or found on the periodic table she doesn't need it But when an ugly incident drives her into Dex's arms she's shaken enough to step out of character for once I wasn't looking for love that night I was looking to escape and Dex was the perfect distraction from my train wreck of a life He was perfect period But I'm in astrophysics I'm not stupid I knew it wasn't going anywhere Even if he wasn't just interested in a one night stand we wouldn't be able to hide a relationship from Zane My brother seemed to still think of me as the ten year old he met when our parents wed Well it wasn't any ten year old girl in Dex Rogan's bed that night and if Zane found out about it he would go apeshit I was trying to get away from chaos not create it Tatum has sacrificed her whole life for others But maybe this time she could think of her own desires Could Dex's brand of chaos be just what she needs

Consumed Rob Cornell, 2025-05-16 On the heels of a brutal loss Detroit sorcerer Sebastian Light has one all consuming goal the complete obliteration of the black witch coven the Maidens of Shadow He does not care how much dark power they yield He does not care what horrors he may face And he does not care that his reckless use of his own magic might destroy him But the Maidens aren't the only evil in the Motor City The Detroit

Ministry has suffered a coup and its new leader threatens to dismantle the political system that maintains balance between the city's natural and supernatural worlds. While Sebastian's quest for vengeance blinds him to this larger threat, he can only ignore it for so long. Like it or not, Detroit will need the Unturned. What If—An Anthology of 13 Short Stories Kerry O'Neal, 2018-04-21. This book asks the simple question of what if. The answer is expressed in thirteen short stories where O'Neal pushes the limits of imagination from a man who wakes up knowing the future date of his death to a little girl's love for her cat that uses each of its nine lives in order to protect her from danger to an evil ghost of a six-year-old girl trying to return to life by stealing the soul and the body of another six-year-old girl. With the combination of fantasy, the paranormal, ghosts, sci-fi, horror, and the unexplained, O'Neal's characteristic dark humor and savory taste for the macabre and the unknown extends the bounds of the predictable and brings the reader to the brink of sanity and insanity, loneliness and friendship, and into the horrors of human and inhuman existence. Fans of Dean Koontz, Stephen King, *Amazing Tales*, and *The Twilight Zone* will thoroughly enjoy this anthology of unique stories that will be sure to leave you breathless. *What If* commemorates the mysteries of the world and the unexplained that encompasses each of us and articulates how fast time flies. Never forget that time is the most valuable thing we can spend, O'Neal says, so spend it wisely and don't throw it away.

Unfinished Business Dex Tooke, 2012-03-23. Where am I? What is going on? Who are all those people outside? Joni replied, "You are in a bicycle race. The race is called RAAM. Baby, you just need to get on your bike and ride." Em screamed, "Oh my God! Oh my God! He's been hit!" There is a dark side to RAAM, a side only those who have been there know exists. My RAAM is over. I have let everyone down. I don't deserve to finish RAAM. What I saw, I still get chill bumps thinking about it because the man took off. I mean, whoosh, he stood up on those pedals and took off. *Ultra Race News Book Review* <http://www.ultraracenews.com> 2012-05-23. *Unfinished Business*: an inspirational story of true grit and determination. **Street Raised** Pearce

When two of their childhood homeboys get wrapped in chains by Nuestra Familia drug dealers and thrown in the American River alive, our heroes somehow get it together enough to plot revenge. Sure, it maybe takes the edge of Speedy's game a little when he starts playing house with beautiful phone psychic Carmel. And it complicates things a bit more when Officer Louis, the same cop who put Speedy in prison, starts dogging their steps like an unwelcome relative. But when a racist coven of skinheads comes howling for Speedy Carmel's blood and a serial killer with a Monster in his head decides that Speedy is the answer to all his unholy prayers, things get REALLY interesting.
