Whidden, 2011-02 src http://www.youtube.com/v/WCj_wojf4SQ rel 0 Many people are tormented by a lack of genuine Christian assurance simply because of theological and practical misunderstandings Woodrow W Whidden II addresses common questions and misunderstandings as he explores the Seventh day Adventist doctrines of grace law salvation judgment and final events His findings reveal biblical teachings that will inspire a deep refreshing sense of the assurance of salvation as he explores such issues as How can believers know with certainty that they are saved Does the Bible teach a cosmic pre Advent investigative judgment based on works Who will survive the latter rain the close of probation and the time of trouble What do believers do with failure backsliding and the fear of judgment Are Ellen G White s writings a help or a stumbling block when understanding salvation This powerful and comprehensive book will help believers become assured and balanced Christians able to understand and explain the biblical teachings on judgment and assurance *The Redeemed Good Defense* Anthony MacPherson, 2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and

evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it seeks to further the conversation and articulates a new alternative redeemed good defense **The Ellen G.
