Music of Thought in the Poetry of George Oppen and William Bronk Henry Weinfield, 2009-03 George Oppen 1908 1984 born into a prosperous German Jewish family began his career as a prot g of Ezra Pound and a member of the Objectivist circle of poets he eventually broke with Pound and became a member of the Communist party before returning to poetry more than twenty five years later William Bronk 1918 1999 by contrast a descendant of the first European families in New York was influenced by the works of Shakespeare the King James Bible and the work of the New England writers of the American Renaissance Despite differences in background and orientation the two men formed a deep friendship and shared a similar existential outlook As Henry Weinfield demonstrates in this searching and original study Oppen and Bronk are extraordinary thinkers in poetry who struggled with central questions of meaning and value and whose thought acquires the resonance of music in their work These major writers created poetry of enduring value that has exerted an increasing influence on younger generations of poets From his careful readings of Oppen's and Bronk's poetry to his fascinating examination of the letters they exchanged Weinfield provides important aesthetic epistemological and historical insights into their poetry and poetic careers In bringing together for the first time the work of two of the most important poets of the postwar generation The Music of Thought not only illuminates their poetry but also raises important questions about American literary history and the categories in terms of which it has generally been interpreted Flowers of Evil Charles Baudelaire, 2013-02-20 Baudelaire s Fleurs du Mal which in successive editions contained all of his published poems has opened new vistas for man s imagination and quickened the sensibilities of poets everywhere The greatest French poet of the 19th century Baudelaire was also the first truly modem poet and his direct and indirect influence on the literature of our time has been immeasurable Flowers of Evil A Selection contains 53 poems which the editors feel best represent the total work and which in their opinion have been most successfully rendered into English The French texts as established by Yves G rard Le Dantec for the Pl iade edition are printed en face Included are Baudelaire's Three Drafts of a Preface and brief notes on the nineteen translators whose work is represented Earth House Hold Gary Snyder, 2013-07-25 Both Pound and Williams have shown a good poet can revitalize prose style Earth House Hold a play on the root meaning of ecology drawn from Gary Snyder's essays and journals may prove a landmark for the new generation As a poet Snyder tells us I hold the most archaic values on earth They go back to the late Paleolithic the fertility of the soil the magic of animals the power vision in solitude the terrifying intuition and rebirth the love and ecstasy of the dance the common work of the tribe He develops as replacement for shattered social structures a concept of tribal tradition which could lead to growth and enlightenment in self disciplined freedom Whatever it is or ever was in any other culture can be reconstructed from the unconscious through meditation the coming revolution will close the circle and link us in many ways with the most creative aspects of our archaic past The Holy Terrors Iean Cocteau, 2013-05-15 Cocteau s novel Les Enfants Terribles which was first published in 1929 holds an undisputed place among the classics of modern fiction Written in a French style that long defied successful translation Cocteau was always a

poet no matter what we was writing the book came into its own for English language readers in 1955 when this translation was completed by Rosamund Lehmann It is a masterpiece of the art of translation of which the Times Literary Supplement said It has the rare merit of reading as though it were an English original Lehrmann was able to capture the essence of Cocteau s strange necromantic imagination and to bring fully to life in English his story of a brother and sister orphaned in adolescence who build themselves a private world out of one shared room and their own unbridled fantasies What started in games and laughter because for Paul and Elisabeth a drug too magical to resist The crime which finally destroys them has the inevitability of Greek tragedy Illustrated with twenty of Cocteau's own drawings Labyrinths Jorge Luis Borges, 1964 Forty short stories and essays have been selected as representative of the Argentine writer's metaphysical narratives Wagons Full of Cotton and Other Plays Tennessee Williams, 2012-12-15 The thirteen one act plays collected in this volume include some of Tennessee Williams s finest and most powerful work They are full of the perception of life as it is and the passion for life as it ought to be which have made The Glass Menagerie and A Streetcar Named Desire classics of the American theater Only one of these plays The Purification is written in verse but in all of them the approach to character is by way of poetic revelation Whether Williams is writing of derelict roomers in a New Orleans boarding house The Lady of Larkspur Lotion or the memories of a venerable traveling salesman The Last of My Solid Gold Watches or of delinquent children This Property is Condemned his insight into human nature is that of the poet He can compress the basic meaning of life its pathos or its tragedy its bravery or the quality of its love into one small scene or a few moments of dialogue Mr Williams s views on the role of the little theater in American culture are contained in a stimulating essay Something wild which serves as an introduction to this collection Mountain Home David Hinton, 2014-10-10 The earliest and most extensive literary engagement with wilderness in human history Mountain Home is vital poetry that feels utterly contemporary China's tradition of rivers and mountains poetry stretches across millennia This is a plain spoken poetry of immediate day to day experience and yet seems most akin to China's grand landscape paintings Although its wisdom is ancient rooted in Taoist and Zen thought the work feels utterly contemporary especially as rendered here in Hinton's rich and accessible translations Mountain Home collects poems from 5th through 13th century China and includes the poets Li Po Po Chu i and Tu Fu The rivers and mountains tradition covers a remarkable range of topics comic domestic scenes social protest travel sage recluses and mountain landscapes shaped into forms of enlightenment And within this range the poems articulate the experience of living as an organic part of the natural world and its processes In an age of global ecological disruption and mass extinction this tradition grows more urgently important every day Mountain Home offers poems that will charm and inform not just readers of poetry but also the large community of readers who are interested in environmental Three Tragedies Federico García Lorca, 1955 Yerma is about a childless married woman who so obsessively awareness wants a child that she will do almost anything Tragedy ensues 27 Wagons Full of Cotton Tennessee Williams, 1966

Collection of thirteen short plays by American playwright Tennesse Williams originally written in the mid 20th century The Asian Journal of Thomas Merton Thomas Merton, 2013-08-20 This is quintessential Merton The Catholic Review The moment of takeoff was ecstatic joy We left the ground I with Christian mantras and a great sense of destiny of being at last on my true way after years of waiting and wondering With these words dated October 15 1968 the late Father Thomas Merton recorded the beginning of his fateful journey to the Orient His travels led him from Bangkok through India to Ceylon and back again to Bangkok for his scheduled talk at a conference of Asian monastic orders There he unequivocally reaffirmed his Christian vocation His last journal entry was made on December 8 1968 two days before his untimely accidental death Amply illustrated with photographs he himself took along the way and fully indexed the book also contains a glossary of Asian religious terms a preface by the Indian scholar Amiya Chakravarty a foreword and postscript by Brother Patrick Hart of the Abbey of Gethsemani as well as several appendices among them the text of Merton s final address **Nightwood** Djuna Barnes, 2014-01-01 The fiery and enigmatic masterpiece one of the greatest novels of the Modernist era Nightwood Djuna Barnes strange and sinuous tour de force belongs to that small class of books that somehow reflect a time or an epoch Times Literary Supplement That time is the period between the two World Wars and Barnes novel unfolds in the decadent shadows of Europe's great cities Paris Berlin and Vienna a world in which the boundaries of class religion and sexuality are bold but surprisingly porous The outsized characters who inhabit this world are some of the most memorable in all of fiction there is Guido Volkbein the Wandering Jew and son of a self proclaimed baron Robin Vote the American expatriate who marries him and then engages in a series of affairs first with Nora Flood and then with Jenny Petherbridge driving all of her lovers to distraction with her passion for wandering alone in the night and there is Dr Matthew Mighty Grain of Salt Dante O Connor a transvestite and ostensible gynecologist whose digressive speeches brim with fury keen insights and surprising allusions Barnes depiction of these characters and their relationships Nora says A man is another persona woman is yourself caught as you turn in panic on her mouth you kiss your own has made the novel a landmark of feminist and lesbian literature Most striking of all is Barnes unparalleled stylistic innovation which led T S Eliot to proclaim the book so good a novel that only sensibilities trained on poetry can wholly appreciate it Now with a new preface by Jeanette Winterson Nightwood still crackles with the same electric charge it had on its first publication in 1936 The Sea and Poison Shūsaku Endō,1992 Dr Suguru a competent physician serves his internship during the war in a hospital where senior staff are more interested in career building than in healing
