Selected Short Stories Of William Faulkner:

Collected Stories of William Faulkner William Faulkner, 2011-05-18 I'm a failed poet. Maybe every novelist wants to write poetry first, finds he can't, and then tries the short story, which is the most demanding form after poetry. And failing that, only then does he take up novel writing. William Faulkner, Winner of the National Book Award. Forty-two stories make up this magisterial collection by the writer who stands at the pinnacle of modern American fiction. Compressing an epic expanse of vision into hard and wounding narratives, Faulkner's stories evoke the intimate textures of place, the deep strata of history and legend, and all the fear, brutality, and tenderness of the human condition. These tales are set not only in Yoknapatawpha County but in Beverly Hills and in France during World War I. They are populated by such characters as the Faulknerian archetypes Flem Snopes and Quentin Compson, as well as by ordinary men and women who emerge so sharply and indelibly in these pages that they dwarf the protagonists of most novels.

Selected Short Stories William Faulkner, 2011-04-20 From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner, also available are *Snopes*, *As I Lay Dying*, *The Sound and the Fury*, *Light in August*, and *Absalom, Absalom!* William Faulkner was a master of the short story. Most of the pieces in this collection are drawn from the greatest period in his writing life, the fifteen or so years beginning in 1929 when he published *The Sound and the Fury*. They explore many of the themes found in the novels and feature characters of small-town Mississippi life that are uniquely Faulkner's. In *A Rose for Emily*, the first of his stories to appear in a national magazine, a straightforward, neighborly narrator relates a tale of love, betrayal, and murder. The vicious family of the Snopes trilogy turns up in *Barn Burning*, about a son's response to the activities of his arsonist father. And Jason and Caddy Compson, two other inhabitants of Faulkner's mythical Yoknapatawpha County, are witnesses to the terrorizing of a pregnant black laundress in *That Evening Sun*. These and the other stories gathered here attest to the fact that Faulkner is, as Ralph Ellison so aptly noted, the greatest artist the South has produced. Including these stories: *Barn Burning*, *Two Soldiers*, *A Rose for Emily*, *Dry September*, *That Evening Sun*, *Red Leaves*, *Lo, Turnabout*, *Honor*, *There Was a Queen*, *Mountain Victory*, *Beyond Race at Morning*.
