Handbook of Latin American Studies, 1995 Castaways Alvar Núñez Cabeza de Vaca, 2023-04-28 This enthralling story of survival is the first major narrative of the exploration of North America by Europeans 1528-36 The author of Castaways Naufragios Alvar N ez Cabeza de Vaca was a fortune seeking nobleman and the treasurer of an expedition to claim for Spain a vast area that includes today's Florida Louisiana and Texas A shipwreck forced him and a handful of men to make the long westward journey on foot to meet up with Hern n Cort s In order to survive Cabeza de Vaca joined native peoples along the way learning their languages and practices and serving them

as a slave and later as a physician When after eight years he finally reached the West he was not recognized by his compatriots In his writing Cabeza de Vaca displays great interest in the cultures of the native peoples he encountered on his odyssey As he forged intimate bonds with some of them sharing their brutal living conditions and curing their sick he found himself on a voyage of self discovery that was to make his reunion with his fellow Spaniards less joyful than expected Cabeza de Vaca s gripping narrative is a trove of ethnographic information with descriptions and interpretations of native cultures that make it a powerful precursor to modern anthropology Frances M L pez Morillas s translation beautifully captures the sixteenth century original Based as it is on Enrique Pupo Walker s definitive critical edition it promises to become the authoritative English translation This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 This enthralling story of survival is the first major narrative of the exploration of North America by Europeans 1528-36 The author of *Castaways Naufragios* Alvar N ez Cabeza de Vaca was a fortune seeking nobleman and the treasurer of **Canto General** Pablo Neruda, 2011-04-17 The *Canto General* thought by many of Neruda s most prominent critics to be the poet s masterpiece is the stunning epic of an entire continent and its people *Facundo* Domingo Faustino Sarmiento, 2003 An educator and writer Sarmiento was President of Argentina from 1868 to 1874 His *Facundo* is a study of the Argentine character a prescription for the modernization of Latin America and a protest against the tyranny of the government of Juan Manuel de Rosas 1835-1852 The book brings nineteenth century Latin American history to life even as it raises questions still being debated today questions regarding the civilized city versus the barbaric countryside the treatment of indigenous and African populations and the classically liberal plan of modernization

Public Library Catalog, 1999 **Public Library Catalog** Juliette Yaakov, 1999 In librarian s office **Eva the Fugitive** Rosamel del Valle, 1990-07-23 An early cameo of Latin American surrealism Rosamel del Valle s erotic narrative of ecstasy and perdition creates the rhythm of the dream and the tempo of madness Intermittently a waiflike young woman Eva intrudes into the daily routine of the writer Her appearances are marked by a circle of red and the vision of a deep well with a star hanging over it A tone poem of surrealist encounter pursuit and loss *Eva y la Fuga* was written in 1930 and finally published posthumously in 1970 by Monte Avila Press in Venezuela Anna Balakian offers here the first translation of the work into any other language She brilliantly conveys in English the author s highly metaphoric language and the immediacy of surrealist experience signaled in the narrative by frequent lapses into a haunting present tense On their walks through the streets of Santiago Eva and the narrator mingle in the fiesta atmosphere of the Chilean Amusement Park with its gigantic Ferris Wheel Bits of real life dialogue float through the air But the couple move on different wavelengths from the crowd and often from each other Passing in and out of his life Eva exercises a hypnotic fascination over the writer and makes an equally

profound impression on the reader This narrative is in the same genre as Gerard de Nerval's *Aurélia* André Breton's *Nadja* and Michel Leiris's *Aurora* and should be counted among the most compelling works of twentieth century surrealist literature

Forthcoming Books Rose Arny, 2000 **Poverty and Antitheatricity** Stephen Buttes, 2025-06-17 *Poverty and Antitheatricity* argues that many major analytical approaches today misunderstand the problem of poverty by emphasizing its status as an experience These experiential models transform poverty from a specific socioeconomic status lived in a particular historical sequence into a transhistorical presence of marginality that is not only inevitable but necessary Embedded in capitalist socialist and populist forms of socioeconomic organization these models paradoxically suggest that if we want to have a world free of poverty we must always have the poor and their experience of formlessness Taking up the paired terms form and formlessness Stephen Buttes demonstrates how they sustain not only debates about poverty and its political role within modernity but also the idea of the work of art within the history of modernism Offering critiques of critical theory alongside new readings of both canonical and little studied Latin American authors and artists *Poverty and Antitheatricity* makes a compelling case that understanding the kind of problem the work of art is opens up overlooked but essential pathways to understanding poverty and the kind of problem it is

The Riddle of Cantinflas Ilan Stavans, 2012-12 Ilan Stavans's collection of essays on kitsch and high art in the Americas makes a return with thirteen new colorful conversations that deliver Stavans's trademark wit and provocative analysis *A Dream Act Deferred* discusses an issue that is at once and always topical in the dialogue of Hispanic popular culture immigration This essay generated a vociferous response when first published in *The Chronicle of Higher Education* as the issue of immigration was contested in states like Arizona and is included here as a new addition that adds a rich layer to Stavans's vibrant discourse Fitting in this reconfiguration of his analytical conversations on Hispanic popular culture is Stavans's *Arrival Notes from an Interloper* which recounts his origins as a social critic and

provides the reader with interactive insight into the mind behind the matter Once again delightfully humorous and perceptive Stavans delivers an expanded collection that has the power to go even further beyond common assumptions and helps us understand Mexican popular culture and its counterparts in the United States
