Selected Poems Of Jacob Glatstein:

The Selected Poems of Jacob Glatstein Jacob Glatstein, 1972 **Selected Poems of Jacob Glatstein** Jacob Glatstein, 1973-01-01 The Selected Poems of Jacob Glatstein. Translated from the Yiddish and with an Introduction by Ruth Whitman Jacob GLATSTEIN, Ruth WHITMAN, 1972 **Selected Poems of Yankev Glatshteyn** Jacob Glatstein, 1987

Selected Poems of Yankev Glatshteyn; Translated by ... Richard J. Fein Jacob Glatstein, 1987 Jewish Poetry Series Yiddish and English Bibliography p 213 215 **Selected Poems of Solomon Ibn Gabirol** Solomon Ibn Gabirol, 2016-06-30 Poet philosopher and sensitive misanthrope a spectacular fly in the ointment of the refined eleventh century Andalusian Jewish elite Solomon Ibn Gabirol comes down to us as one of the most complicated intellectual figures in the history of post biblical Judaism Unlike his worldly predecessor Shmuel HaNagid the first important poet of the period Ibn Gabirol was a reclusive mystically inclined figure whose modern sounding medieval poems range from sublime descriptions of the heavenly spheres to poisonous jabs at court life and its pretenders His verse which demonstrates complete mastery of the classicizing avant garde poetics of the day grafted an Arabic aesthetic onto a biblical vocabulary and Jewish setting taking Hebrew poetry to a level of metaphysical sophistication and devotional power it has not achieved since Peter Cole s selection includes poems from nearly all of Ibn Gabirol s secular and liturgical lyric genres as well as a complete translation of the poet s long masterwork Kingdom s Crown Cole s rich inventive introduction places the poetry in historical context and charts its influence through the centuries Extensive annotations accompany the poems This companion volume to Peter Cole s critically acclaimed *Selected Poems of Shmuel HaNagid* presents the first comprehensive selection of Ibn Gabirol s verse to be published in English and brings to life an astonishing body of poetry by one of the greatest Jewish writers of all time

Holocaust Literature: Agosín to Lentin S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004 **An Anthology of Modern Yiddish Poetry. Bilingual Edition. Third Edition, Revised and Enlarged** Ruth Whitman, 1995 Originally published in 1966 An Anthology of Modern Yiddish Poetry was the first bilingual anthology to feature the rich spirited and passionate Yiddish poetry of the twentieth century Nearly thirty years after the original publication the interest in Yiddish studies continues to grow making this definitive collection all the more Significant as a study of influences and developments in Yiddish poetry Ruth Whitman has skillfully translated the diverse lyric poetry of fourteen Eastern European born poets most of whom came to live in the United States Of the twenty new poems included in the book two are by Rachel Korn three by Kadya Molodowsky four by Anna

Margolin and four by Celia Dropkin These additions increase considerably the work of the women poets represented fulfilling an earlier omission The anthology also highlights the genius and invention of poets Jacob Glatstein M L Halpern Moyshe Kulbak Zisha Landau H Leivick Itzik Manger Leyb Naydus Melech Ravitch Abraham Sutzkever and Aaron Zeitlin With a new preface and a revised introduction that provides a short history of the development of Yiddish poetry the third edition presents seventy two poems in their original Yiddish and in English translation These poems reflect the chaos and confusion integral to immigrant culture and the fragmentation of living during two world wars and the Holocaust In addition the poems reflect the influences of American poetry from the Imagists to Robert Lowell as well as the influence of German French and Russian poetry

Arguing with God Anson Laytner, 1998 As an old proverb puts it Two Jews three opinions In the long rich tumultuous history of the Jewish people this characteristic contentiousness has often been extended even unto Heaven Arguing with God is a highly original and utterly absorbing study that skates along the edge of this theological thin ice at times verging dangerously close to blasphemy yet also a source of some of the most poignant and deeply soulful expressions of human anguish and yearning The name Israel literally denotes one who wrestles with God And from Jacob s battle with the angel to Elie Wiesel s haunting questions about the Holocaust that hang in the air like still smoke over our own age Rabbi Laytner admirably details Judaism s rich and pervasive tradition of calling God to task over human suffering and experienced injustice It is a tradition that originated in the biblical period itself Abraham Moses Elijah and others all petitioned for divine intervention in their lives or appealed forcefully to God to alter His proposed decree Other biblical arguments focused on personal or communal suffering and anger Jeremiah Job and certain Psalms and Lamentations Rabbi Laytner delves beneath the surface of these blasphemies and reveals how they implicitly helped to refute the claims of opponent religions and advance Jewish doctrines and teachings

The State of the Jews Edward Alexander, 2017-07-28 The State of the Jews examines the current predicament of the Jewish people and the land of Israel both of which still stand at the storm center of history because Jews can never take the right to live as a natural right The volume comprises celebrations and attacks Edward Alexander celebrates writers like Abba Kovner Cynthia Ozick Ruth Wisse and Hillel Halkin who recognized in the foundation of Israel shortly after the destruction of European Jewry one of the few redeeming events in a century of blood and shame He attacks Israel s external enemies busy planners of boycotts brazen advocates of politicide professorial apologists for suicide bombing and also its internal enemies These are anti Zionist Jews devotees of lost causes willfully blind to the fact that Israel s creation was an event of biblical magnitude Indifference to Jewish survival during World War II was the admitted moral failure of earlier American Jewish intellectuals but today s progressives and New Diasporists call indifference virtue and mistake cowardice for courage Because the new anti Semitism tightening the noose around Israel s throat emanates mainly from liberals Alexander analyzes both antisemitic and philosemitic strains in three prominent Victorian liberals Thomas Arnold his son Matthew and John Stuart Mill The main body of Alexander s book is divided

generically into history politics and literature At a deeper level its chapters are integrated by the book s pervasive concern the interconnectedness between the state of Israel and the spiritual state of contemporary Jewry **The Collected Poems of Miriam Waddington** Miriam Waddington,2014-05-08 This anthology brings together for the first time the complete published works of Jewish Canadian poet Miriam Waddington and features a rare selection of previously unpublished poems

Modernism and Cultural Transfer Yael S. Feldman,1986-12-31 It was twentieth century Modernism that introduced bilingualism into the literary arena Used as a means for the contradictory aims of universalizing or individualizing the literary idiom this practice was clearly part of the revolt against nineteenth century Romanticism and nationalism In contrast Jewish bilingualism is rooted in the long history of exilic existence its modern phase moreover is intimately related to the national revival of the Jewish people As such it fulfilled a unique role time and again literary experiments were conducted first in Yiddish the spoken language and later transferred to Hebrew the romantic classical language of the national renaissance The significance these transfers had for the historical poetics of Hebrew cannot be overestimated They were instrumental in making what was a scriptural literature only a century ago into the modernized lively literature we know today Yet Hebrew did not give in easily It was not until the 1950s for instance that Israeli poetry caught up with the poetic understatement of Western Modernism Two decades earlier however Hebrew Modernism did make a breakthrough in America It was Gabriel Preil a Lithuanian born resident of New York who helped modernize Hebrew verse without so much as visiting the Land of Israel The emergence of his imagistic free verse in the thirties and forties constituted a bold departure from the classical romantic norms of Hebrew at the time Thereafter Israeli modernists adopted him as a precursor naturally attributing his innovations to the influence of Anglo American imagism But there is more to it than that For Preil who is currently approaching his 75th birthday is in fact the latest link in the Jewish tradition of intracultural transfer As this study shows he absorbed his poetic modernism from the New York Yiddish Modernists thereafter transferring it to Hebrew via his autotranslation and dual compositions Yael Feldman here sheds light on this particular and possibly last instance in the history of Jewish bilingualism Yet the significance of her work extends beyond the poetics of Hebrew literature For it offers unique insights into both the mechanism of literary transfer and the constraints operative within it In addition it follows Preil s recent metapoetic journey to the borders of imagism and back thereby illuminating the risks of limitation and dehumanization that have always plagued pure imagism Finally it shows how Preil s life work recapitulates the complex evolution of Western poetic Modernism with all its inherent paradoxes Writing in Tongues Anita Norich,2014-02-01 Writing in Tongues examines the complexities of translating Yiddish literature at a time when the Yiddish language is in decline After the Holocaust Soviet repression and American assimilation the survival of traditional Yiddish literature depends on translation yet a few Yiddish classics have been translated repeatedly while many others have been ignored Anita Norich traces historical and aesthetic shifts through versions of these canonical texts and she argues that these works and their

translations form an enlightening conversation about Jewish history and identity **Truth and Lamentation** Milton Teichman, Sharon Leder, 1994 The stories and poems in Truth and Lamentation written during and after the Holocaust reveal the human faces hidden behind the all too familiar statistics of the event International in scope this volume brings together 20 short stories and 90 poems commenting on the essentially incomprehensible nature of the Holocaust Milton Teichman and Sharon Leder have drawn from a remarkably varied range of writers representing nine languages and including both Jews and Gentiles The contributors include the well known and the as yet unknown A critical introduction places the selections within two broad categories of literary response to the Holocaust truth telling and lamentation The first reflects the desire of writers to transmit multiple truths the second expresses sorrow and loss **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1974 **Holocaust Literature: Lerner to Zychlinsky, index** S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004

Re-examining the Holocaust through Literature Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context *The Routledge Encyclopedia of Jewish Writers of the Twentieth Century* Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of

selected publications a scholarly essay on their work and suggestions for further reading *Contemporary East European Poetry* Emery Edward George, 1993 An anthology featuring 160 poets writing in 15 languages By the standards of Western Europe the subjects are heavy on social and political issues which only reflects the difference between the two Europes

Writing and Rewriting the Holocaust James Edward Young, 1988-10-22 A carefully prepared historiographical work interprets the meaning of Holocaust literature as it examines the perpetuation of Holocaust memory and understanding in several forms of media studied Includes an extensive bibliography of works
