## **Selected Poems Of John Dryden:**

*Selected Poems* John Dryden, 2001-08-30 A new and comprehensive selection of Dryden's poetry revealing him as a master of theatricality ventriloquism and unmistakable originality Brought together here are many of the poems from his time as Poet Laureate and loyal servant of the crown including the Biblical allegory Absalom and Achitophel in which the poet attacked those who intrigued against the King and earned himself a reputation for menace and a number of powerful enemies His Works of Virgil set the standard for the translation of Latin poetry His last work Fables Ancient and Modern combined original verse and new translations showing how he transformed the idioms and gestures of other voices and made them his own Dryden: Selected Poems Paul Hammond, David Hopkins, 2020-08-17

Dryden Selected Poems is drawn from Paul Hammond and David Hopkins's remarkable five volume *The Poems of John Dryden* and includes a generous selection of his most important work The great satires *MacFlecknoe* and *Absalom and Achitophel* are included in full as are his religious poems *Religio Laici* and *The Hind and the Panther* along with a number of Dryden's translations from Horace Ovid Homer and Chaucer Each poem is accompanied by a headnote which gives details of composition publication and reception The first rate annotations provide information on matters of interpretation and give details of allusions that might prove baffling to contemporary readers Some 300 years after his death Dryden Selected Poems will enable new generations of readers to discover the poet of whom Eliot wrote we cannot fully enjoy or rightly estimate a hundred years of English poetry unless we fully enjoy Dryden
