Daniel J. Casey, Linda M. Casey

Selected Short Stories Of Padraic Colum Irish Studies:

Selected Short Stories of Padraic Colum Sanford Sternlicht, 1986-10-01 Padraic Colum 1881 1972 was in the forefront of the Irish Literary Revival along with William Butler Yeats Lady Gregory George Moore AE George Russell and John Millington Synge At the age of twenty three he was a founding father of the Abbey Players and he was recognized as one of the most talented young writers of drama poetry and short fiction Unfortunately Colum quarreled with Yeats and Lady Gregory and since he could not earn a living in Dublin by writing alone he left for America Colum s contribution to Irish letters is unique because he alone of the early giants of the Irish Literary Revival was Roman Catholic peasant born and country bred His literary themes are tributes to the indomitable Irish spirit the natural nobility of the Irish peasant the ancient folk customs of the countryside and the poetic beauty of Irish English

Selected Plays of Padraic Colum Sanford Sternlicht, 2006-08-17 At the age of twenty three Padraic Colum 1881 1972 was one of the founding fathers of the Abbey Theatre His contribution to the development of Irish drama continued until his voluntary exile to America in 1914 His play *Broken Soil* 1903 was the first commercial success at the Abbey and it established the long lived tradition of the peasant play on the Irish stage This collection comprises the three major forms of his dramatic art *The Land* 1905 *Betrayal* 1912 and two of his five Noh plays a five play cycle containing poetry and prose following the Yeats and Japanese Model *Glendalough* based on the career of Charles Stewart Parnell and *Monasterboice* based on the early life of Colum s lifelong friend James Joyce

Selected Poems of Padraic Colum Padraic Colum, 1989 Padraic Colum 1881 1972 at the age of twenty three was already a gifted prolific and versatile writer He was a major contributor to the Irish national Theatre Society founded by William Butler Yeats Lady Gregory AE and others and he himself was one of the founders of the immortal Abbey Theatre Unlike other leading figures of the Irish Literary Revival Colum alone was Roman Catholic peasant born and country bred AE convinced the young writer that he had a mission as a poet to portray the fundamental nature of the Irish peasant experience as only Colum could Colum s first book of poems *Wild Earth* 1907 forms the foundation of his poetic canon expressing the clarity strength and vitality of his unique voice Although he wrote over sixty books including plays fiction biography folklore and children s stories it is as an Irish lyric poet that he will be remembered His poetry depicts the nobility of men and women who lived in the ancient ways close to the sky and the soil and who were inherently endowed with the elemental understanding of life and death and the eternal cycle of the seasons In 1914 Colum and his wife the talented critic Mary Molly Maguire decided to visit America They stayed on in New York City initially because of the war in voluntary exile After Molly s death in 1957 Colum s poetry entered a new phase and in a sense he became a visitor to his own memories telling stories about his longtime friends such as James Joyce and Arthur Griffith in *Irish Elegies and Images of Departure* published when he was in his mid eighties Simultaneously personal and universal these poems are a moving farewell to art and to life

Stories by Contemporary Irish Women Daniel J. Casey, Linda M. Casey, 1990-05-01 Second edition first 1977 of a book offering practical guidelines

and techniques for those wishing to effectively practice or develop this ancient skill Seventeen short stories by well known authors such as Mary Lavin Edna O'Brien and Julia O'Faolain and new writers such as Clare Boylan Rita Kelly and Una Woods With an introduction by the editors that examines the role of women writers in Irish literature Annotation copyrighted by Book News Inc Portland OR *The Writings of Padraic Colum* Pádraic Whyte, Keith O'Sullivan, 2024-05-10 This co edited collection breaks new ground by bringing together several leading scholars to explore the substantial body of work produced by Padraic Colum 1881 1972 who was a poet a novelist a dramatist a biographer a writer of fiction for adults and children and a collector of folklore The awards honours and distinction conferred upon him and his work throughout his life and career as well as retrospectively give an indication of the significant and wide ranging appeal and influence of Colum not only as an Irish writer and storyteller but also as a literary figure entrusted with the myths and legends of other cultures and nations Despite such achievements he has received comparatively little critical or scholarly attention to date This volume showcases the richness of Colum's work by subjecting it to a rigorous literary and theoretical examination and is the first combined and detailed analysis of both his children's and adult texts *The Irish Beckett* John P. Harrington, 1991-05-01 Breaking with a powerful tradition among scholars that insists that Beckett's Irishness is no more than an accident of birth Harrington provides compelling evidence to the ways in which many of Beckett's best known texts are deeply involved in Irish issues and situations Providing new readings of such works as *More Pricks Than Kicks* *Murphy* *Watt* *Mercier and Camier* *Waiting for Godot* and *Endgame* Harrington provides an understanding of Beckett's work in its representation of Ireland of Irish history and of Irish literary traditions **Irish Literature** Maureen O'Rourke Murphy, James MacKillop, 1987

The Long War Brendan O'Brien, 1995 The Long War is a timely book given the ongoing events taking place in Northern Ireland It chronicles the very active history of the relationship among the IRA Sinn Féin and the British government from the early 1980s to today The author has spoken with many of the participants on all sides and has included material that updates the book right up to the latest peace talks **Elizabeth's Irish Wars** Cyril Falls, 1997 The reign of Elizabeth I will always be remembered for the Armada But it was the Irish not the Spanish who came closest to destroying the security of the Elizabethan state Between 1560 and 1602 only superior military force allied with ruthless subjugation preserved England's throne against a succession of rebellions and uprisings throughout Ireland This classic work by renowned military historian Cyril Falls is the crucial account of the half century that changed the course of Anglo Irish history The Elizabethan wars in Ireland involved the collision of two civilizations Falls's critical work gives a vital perspective to the broad sweep of Anglo Irish relations *Finnegans Wake* John Gordon, 1986-12-01 This is the only full length study of *Finnegans Wake* to outline and catalog the immense amount of naturalistic detail from which Joyce built the book The opening chapters describe the physical setting time and main characters out of which the book is constructed John Gordon argues that behind this detail is an essentially autobiographical story involving Joyce's history and in particular his feelings toward his father wife daughter

and the older brother who died in infancy Many of the author's findings are new and likely to be controversial because recent criticism has tended to the belief that what he attempts to do cannot be done This new study of *Finnegans Wake* represents a radically conservative approach and is intended to function both as a guide to the newcomer seeking a chapter by chapter plot summary and as an original contribution to Joyce criticism ***Old Days, Old Ways*** Olive Sharkey, 1987-09-01 Olive Sharkey is the daughter of farmers in the midlands of Ireland I belong to a family which was the last in our district to relinquish the old ways on the land and in the home she says Her research brought her to folk museums throughout Ireland and into the homes of fascinating elderly folk with surprisingly clear memories The daily and seasonal rhythms of life and work in the old days is recaptured from building the house and turning the sod for a new crop to saving the hay and burying the dead **Hanna Sheehy-Skeffington** Leah Levenson, Jerry H. Natterstad, 1989-09-01 Hanna Sheehy Skeffington chronicles the life and activism of one of Ireland's most influential feminists Sheehy Skeffington was a nationalist pacifist socialist and above all a tireless advocate for women's rights Her career spanned nearly five decades during which she fought for suffrage social justice and Irish independence This book explores her unwavering commitment to equality her role in shaping Ireland's political landscape and her struggles against a society resistant to change From her involvement in the Irish Women's Franchise League to her outspoken opposition to militarism Sheehy Skeffington's story is one of resilience and determination The biography also delves into her personal life including her partnership with Francis Sheehy Skeffington who shared her progressive ideals ***Modern Irish Writers*** Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J. M. Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume ***Modern Irish-American Fiction*** Daniel J. Casey, Robert E. Rhodes, 1989 Reflected in these writings from twenty-one Irish Americans are the themes common to all immigrant literature but from the authors' own ethnic point of view The struggle for success forms the underlying structure in

the stories by O'Hara, Curran and McCarthy and the changing values the New World imposes on the individual are seen in Edwin O'Connor's *Grand Day* for Mr. Garvey. Irish wit and black humor pepper all the stories as represented by Dunn's bartender philosopher Dooley and Donlevy's *Fairy Tale* of New York Catholicism is omnipresent and is often characterized by the priest as in Fitzgerald's *Benediction*. Power's Bill and Flaherty's *Fogarty* themes that have an immense effect on the characters' relationships are their difficulties in communicating with one another which Gill captures succinctly in *The Cemetery* and the repositioning of gender roles so evident in Cullinan's *Life After Death* and in Costello's *Murphy's Xmas*. Finally there are the intense often contradictory feelings the characters have toward their homeland. Hamill's *Gift* illustrates the desire to rid Ireland of British rule. Gordon's neighborhood shows the immigrants' embarrassment over their origins. Editors Casey and Rhodes have organized these pieces chronologically beginning at the turn of the century. Thus the selections illustrate the progression of Irish American literature and also fulfill the word of William Kennedy who said of his own writing: those who came before helped to show me how to turn experience into literature.

Flann O'Brien, Bakhtin, and Menippean Satire M. Keith Booker, 1995-10-01 This work applies Mikhail Bakhtin's theory of literary discourse and the concept of carnivalisation to the work of Flann O'Brien. The author emphasizes the political and social implications of the writings, arguing that O'Brien maintained a reflexive focus on language throughout his career.

Real Lace Stephen Birmingham, 1997 Stephen Birmingham turns his eye to the great Irish Catholic dynasties of America: violent, colorful, charming, and charmed. The Kennedys, the Cuddihys, the Buckleys, and the Bradys and the California Silver Kings, the Floods, the Fairs, the Mackays, and the O'Briens. Many of these families started with every disadvantage, fleeing from the great Irish potato famine; they arrived penniless in the slums of New York and Boston. But from desperate poverty and degradation they rose to fame and fortune, fueled by a powerful combination of driving energy, native wit, strong religion, stronger drink, and of course the luck of the Irish. Remarkable characters, warring families, and fluctuating fortunes out of this rich material Birmingham has fashioned an extraordinary social history.

The Economy of Ulysses Mark Osteen, 1995-07-01 This original and wide-ranging study explores the economies of *Ulysses* using a number of different critical and theoretical methods. Not only do the economic circumstances of the characters form a significant part of the novel's realistic subject matter, but the relationships between characters are also based upon modes of economic exchange. Moreover, the narrative itself is filled with economic terms that serve as tropes for its themes, events, and techniques. Some of the subjects and topics covered include Joyce's own spendthrift background, gift exchanges and reciprocity as a fundamental means of reader-author relationship in the novel, money and language, Bloom as an economic man, the narrative economy of *Wandering Rocks*, the relationship between commerce and eroticism, the function of sacrifice in the creation of value, counterfeiting, forgery, and other crimes of writing, and a demonstration of how the encounter between Stephen and Bloom makes both ends meet. The book brings together not only the opposed economic impulses in Joyce but also the conflicting strains of regulation and excess in the novel's structural

economy *International Who's Who of Authors and Writers 2004* Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The *International Who's Who of Authors and Writers* offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **The New Irish Studies** Paige Reynolds, 2020-09-24 The *New Irish Studies* demonstrates how diverse critical approaches enable a richer understanding of contemporary Irish writing and culture The early decades of the twenty first century in Ireland and Northern Ireland have seen an astonishing rate of change one that reflects the common understanding of the contemporary as a moment of acceleration and flux This collection tracks how Irish writers have represented the peace and reconciliation process in Northern Ireland the consequences of the Celtic Tiger economic boom in the Republic the waning influence of Catholicism the increased authority of diverse voices and an altered relationship with Europe The essays acknowledge the distinctiveness of contemporary Irish literature reflecting a sense that the local can shed light on the global even as they reach beyond the limited tropes that have long identified Irish literature The collection suggests routes forward for Irish Studies and unsettles presumptions about what constitutes an Irish classic
